

Floods, Drought, Rising Seas, Oh My! Challenges and Opportunities for Water Management in San Mateo County

On behalf of C/CAG's Countywide Water Coordinating Committee, please join County Board of Supervisors President Dave Pine and C/CAG Chair Alicia Aguirre for an engaging discussion on water management and an opportunity to connect with the diverse stakeholders working on these issues throughout San Mateo County.

Sponsored by: County of San Mateo and the City/County Association of Governments

Opening Remarks: Assemblymember Kevin Mullin and Senator Jerry Hill (invited)

Keynote Speaker: Grant Davis, General Manager, Sonoma County Water Agency (former Director of California Department of Water Resources)

Panel: Managing for Extremes (Moderator: Kathy Schaefer, formerly FEMA Region IX)

Charles Ice, Groundwater Protection Program Lead, County of San Mateo

Jeff Moneda, Public Works Director, City of Foster City

Hilary Papendick, Climate Change & Adaptation Program Manager, County of San Mateo

Erika Powell, Flood Resilience Program Manager, County of San Mateo

Poster Session: Important water projects happening throughout San Mateo County will be featured

Panel: Collaboration, Funding, and Governance (Moderator: County Supervisor Dave Pine)

Matt Fabry, Manager, C/CAG Countywide Water Pollution Prevention Program

Deborah Hirst, Office of Supervisor Don Horsley, San Mateo County District 3

Len Materman, Executive Director, San Francisquito Creek Joint Powers Authority

Nicole Sandkulla, CEO and General Manager, Bay Area Water Supply & Conservation Agency
