

Questions submitted by applicants

1. What is the approximate timeframe for interviews, contract award announcements?

Interviews are targeted for the middle two weeks of August and we anticipate taking a contract to the JPA Board for approval in early September 2019.

2. Our understanding is that the Price Proposal does not count towards the 10-page limit? Is this accurate? Please confirm. The price proposal is not included in the 10-page limit.

3. Can full project descriptions/qualifications be provided in an appendix of the proposal? We would like to have the project names and short description in the proposal but a fuller description in the appendix. No, project descriptions/ qualification should be succinct. We need to respect the time of our selection panel members.

4. Could you please forward a sample CCAG contract to be reviewed by our general council at CDM Smith? Because this is new agency we do not have a contract sample available as the agreement will need to be developed.
