

C/CAG LEGISLATIVE POLICIES FOR 2020

Policy #1 -

Protect against the diversion of local revenues, promote equitable distribution of state/regional resources and revenues, and protect against increased local cost resulting from State actions.

- 1.1 Support League, CSAC, and other initiatives to protect local revenues.
- 1.2 Provide incentives and tools to local government to promote economic vitality.
- 1.3 Support appropriate new funding or the reinstatement of state funding for economic development and affordable housing, including the use of tax-increment financing or “Redevelopment 2.0.”
- 1.4 Pursue and support efforts that direct state and regional funds equitably to ensure a return to source.
- 1.5 Support State actions that ensure adequate funding is made available by the State, for delegated re-alignment responsibilities and ensure that all State mandates are 100% reimbursed.
- 1.6 Oppose State actions that delegate responsibilities to local jurisdictions without full reimbursement for resulting costs.

Policy #2 -

Protect against loss of local land use authority from State action.

- 2.1 Support State actions that provide funding for local agencies to plan, incentivize, and mitigate for future housing development.
- 2.2 Support State actions that allow flexibility for local agencies to pool resources and share credit on their housing production reports.
- 2.3 Oppose State actions that would inhibit local agencies’ ability to make decisions that address the specific needs of that community.
- 2.4 Oppose State actions that would withhold funding (including transportation) from jurisdictions based on housing production performance outcomes.

- 2.5 Alert the Legislative Committee and C/CAG Board on legislation that impacts local housing and land-use authority and oppose any legislation that would usurp a local government's authority regarding land-use decisions.
- 2.6 Support legislation that identifies revenue to fund airport/land use compatibility plans.

Policy #3 -

Support actions that help to meet municipal stormwater permit requirements and secure stable funding to pay for current and future regulatory mandates.

- 3.1 Primary focus on securing additional revenue sources for both C/CAG and its member agencies for funding state- and federally mandated stormwater compliance efforts.
 - a. Advocate for funding for implementing the San Mateo County Stormwater Resource Plan, San Mateo County Sustainable Streets Master Plan, and local Green Infrastructure Plans, and advocate to support long-term reductions in harmful bacteria, trash, plastics, mercury, PCBs, and other pollutants discharging to the Bay and Ocean and to reduce flooding, recharge groundwater, adapt to a changing climate, and enhance communities.
 - b. Advocate for inclusion of water quality and stormwater management as a priority for funding in new sources of revenues (e.g. water bonds) and protect against a geographically unbalanced North-South allocation of resources.
 - c. Track and advocate for resources for stormwater management in State and Federal grant and loan programs.
 - d. Support efforts to identify regulatory requirements that are unfunded state mandates and ensure provision of state funding for such requirements.
 - e. Pursue and support efforts that address stormwater issues at statewide or regional levels and thereby reduce the cost share for C/CAG and its member agencies and limit the need to implement such efforts locally.
 - f. Advocate for better integration between parallel statewide efforts to manage stormwater for water quality improvement, long-term climate change adaptation, and groundwater recharge.
 - g. Support legislative efforts to provide additional funding for stormwater projects in San Mateo County, including funding for regional stormwater management efforts through the San Mateo County Flood and Sea Level Rise Resiliency District.
- 3.2 Support efforts to secure statewide legislation mandating abatement of polychlorinated biphenyls (PCBs) in building materials prior to demolition of relevant structures, in accordance with requirements in the San Francisco Bay Regional Water Quality Control Board's Municipal Regional Permit.

- 3.3 Pursue and support efforts that control pollutants at the source and extend producer responsibility, especially in regard to trash and litter control, including microplastics and tire wear byproducts.
- 3.4 Support efforts to place the burden/ accountability of reporting, managing, and meeting municipal stormwater requirements on the responsible source rather than the cities or county, such as properties that are known pollutant hot spots and third-party utility purveyors.
- 3.5 Advocate for integrated, prioritized, and achievable stormwater regulations that protect water quality and beneficial uses and account for limitations on municipal funding.
- 3.6 Pursue and support pesticide and rodenticide regulations that protect water quality and reduce pesticide toxicity.

***Policy #4 -
Advocate and support an integrated approach to funding.***

- 4.1 Advocate for appropriate and effective integrated approaches to both funding and project types for statewide and regional infrastructure efforts including stormwater management, transportation, and affordable housing.
- 4.2 Advocate for efforts that provide flexibility in funding sources to enable a holistic approach to fund programs and projects.

***Policy #5 -
Support lowering the 2/3rd super majority vote for local special purpose taxes and fees.***

- 5.1 Support constitutional amendments that reduce the vote requirements for special taxes and fees.
- 5.2 Oppose bills that impose restrictions on the expenditures, thereby reducing flexibility, for special tax category.

***Policy #6 -
Protect and support transportation funding.***

- 6.1 Support efforts that protect transportation revenues from being pledged, transferred, or used for non-transportation purposes.
- 6.2 Support the implementation of SB 1 (Road Repair and Accountability Act of 2017) programs and monitor the implementation of Executive Order N-19-19, which calls for aligning transportation spending with the state's climate goals.
- 6.3 Monitor and engage in the implementation of the SB 1077 "Road User Charge."
- 6.4 Support revisions in the Peninsula Joint Powers Agreement that provide equitable funding among the Caltrain partners.

- 6.5 Support a dedicated funding source for the operation of Caltrain and monitor the implementation of High Speed Rail.
- 6.6 Support legislation that identifies funding for active transportation and bike/pedestrian infrastructure projects, including multi-benefit projects that integrate transportation improvements with green stormwater infrastructure.
- 6.7 Support efforts to secure the appropriation and allocation of “cap and trade” revenues to support San Mateo County needs.
- 6.8 Support or sponsor efforts that finance and/ or facilitate operational improvements on the US 101 corridor, including the 101 Express Lane project..
- 6.9 Support alternative contracting methods, such as Public Private Partnerships, that could result in project cost savings.
- 6.10 Monitor the development of the new bridge toll program (Regional Measure 3) and advocate for an appropriate share of new revenues for projects in San Mateo County.
- 6.11 Monitor and engage in the effort to seek voter approval for a regional funding measure for transportation.
- 6.12 Support efforts that incentivize ridership and improve integration & connectivity among Bay Area transit systems.

Policy #7 -

Advocate for revenue solutions to address State budget issues that are also beneficial to Cities/ Counties

- 7.1 Support measures to ensure that local governments receive appropriate revenues to service local communities.
- 7.2 Support measures and policies that encourage and facilitate public private partnerships.

Policy #8 -

Support reasonable climate protection action, Greenhouse Gas reduction, and energy conservation legislation

- 8.1 Support incentive approaches toward implementing AB 32 (California Global Warming Solutions Act of 2006), SB 32 (extension of the target date and goals), and AB 398 (Cap and Trade), and legislation that supports electrification of infrastructure and the adoption of alternative fuel technologies.
- 8.2 Monitor climate legislation that would conflict with or override projects approved by the voters.
- 8.3 Support funding for both transportation and housing investments, which support the implementation of SB 375 (Sustainable Communities and Climate Protection Act of 2008), so that housing funds are not competing with transportation funds.

- 8.4 Monitor the regulatory process for implementing SB 743 (Evaluation of Transportation Impacts in CEQA) and impacts the new regulations may have on congestion management plans.
- 8.5 Support legislation that would require recording of vehicle miles of travel (VMT) as part of vehicle registration and initiatives to provide VMT and vehicle data from the DMV to evaluate trends in community greenhouse gas emissions and transit project outcomes.
- 8.6 Support efforts that ensure continued funding for local government partnerships to foster energy conservation, or expand funding for generation and use of renewable and/ or clean energy sources (wind, solar, etc.).
- 8.7 Work to initiate legislation that provides new funding for building energy electrification, transition to electric vehicles, or other greenhouse gas reducing initiatives, in support of local government climate action plans.
- 8.8 Support efforts to improve the disadvantage community screening tools used by the state on the allocation of “cap and trade” and other state funding programs to ensure that San Mateo County needs are addressed.
- 8.9 Support legislation that supports Peninsula Clean Energy (PCE) objectives and oppose proposed legislation that impairs that effort.
- 8.10 Support legislation that provides local government access to data necessary for completing greenhouse gas emission inventories, or legislation that requires the State to make use and emissions data and community-scale greenhouse gas emission inventories publicly available.
- 8.11 Support efforts that will engage the business community in making contributions to community improvements associated with stormwater, transportation congestion relief and mobility options, affordable housing, greenhouse gas emissions reductions, and energy savings.
- 8.12 Support legislative efforts to create a unified voice in San Mateo County and to manage integrated water issues including sea level rise, flooding, coastal erosion, and stormwater vulnerabilities.
- 8.13 Support legislation to provide funding and policy guidance on wildfire preparedness and emergency response to local jurisdictions.
- 8.14 Monitor efforts to address emergency preparedness and response activities by PG&E.

<p><i>Policy #9 - Protection of water user rights</i></p>
--

- 9.1 Support the Bay Area Water Supply and Conservation Association (BAWSCA) efforts in the protection of water user rights for San Mateo County users.
