

* Complete Streets Checklist

August 2013

* MTC Complete Streets Checklist

- MTC wants all projects to be entered into the Complete Streets Checklist
- <http://completestreets.mtc.ca.gov/>

The screenshot shows a web browser window displaying the MTC Complete Streets Checklist website. The page title is "Complete Streets" and the URL is "http://completestreets.mtc.ca.gov/projects". The page is logged out and shows a list of projects. The table below contains the project details.

* MTC Complete Streets Checklist - First create a "new project"

May need to select this to get the "New" Project option to show up

The screenshot shows the MTC Complete Streets web application interface. At the top, there is a navigation bar with 'Home', 'Projects', and 'Checklists' links. The 'Projects' link is highlighted. Below the navigation bar, there is a 'Projects' section with a 'New project' link on the right. A blue arrow points from the 'New project' link to the text 'First input a New Project'. Below the 'New project' link, there is a table of projects. The table has columns for 'Name', 'Sponsor', and 'County'. The table contains several rows of project information, including '2010 Pavement Preservation Program', '2010 STP Arterial Street Rehabilitation', '2010 Street Resurfacing Project - Various Streets', '2010-2011 Street Overlay Project', '2010/2011 Resurfacing of Federal Aid Routes', '2011 Cape Seal Pavement Rehabilitation', '2011 Federal Grant Street Resurfacing Program', '2011 PMP Overlay Project', '42nd Ave/High Street Access Improvement Project', 'Abel Street Transit Connection Project', 'Alcosta Boulevard Pavement Rehabilitation', 'Almaden Boulevard Bikeway Design', and 'Arlen Drive and East Cotati Avenue Overlays'. A blue arrow points from the 'Projects' link in the navigation bar to the text 'May need to select this to get the "New" Project option to show up'. At the bottom of the page, there is a 'Find Projects' form with fields for Name, Description, Sponsor, County, and Year, and buttons for 'Find Projects' and 'Clear'. The browser address bar shows 'http://completestreets.mtc.ca.gov/projects'.

First input a New Project

* MTC Complete Streets Checklist - Then fill in project information
