C/CAG AGENDA REPORT

Date: June 9, 2016

To: City/County Association of Governments Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of Resolution 16-10 authorizing the C/CAG Chair to execute the Program Manager Funding Agreement with the Bay Area Air Quality Management District (BAAQMD) for the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) (40%) Program for San Mateo County for an amount up to \$1,277,039.76

(For further information please contact John Hoang at 650-363-4105)

RECOMMENDATION

That the C/CAG Board review and approve Resolution 16-10 authorizing the C/CAG Chair to execute the Program Manager Funding Agreement with the Bay Area Air Quality Management District (BAAQMD) for the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) (40%) Program for San Mateo County for an amount up to \$1,277,039.76.

FISCAL IMPACT

This agreement provides up to \$1,277,039.76 in TFCA funding for FY 2016/17. Included in this amount is \$53,039.76 for administrative costs of the program.

SOURCE OF FUNDS

TFCA funds are derived from a Vehicle Registration Fee surcharge provided to C/CAG by the BAAQMD.

BACKGROUND

The Bay Area Air Quality Management District (BAAQMD) is authorized under Health and Safety code Section 44223 and 44225 to levy a fee on motor vehicles. Funds generated by the fee are referred to as the Transportation Fund for Clean Air (TFCA) funds and are used to implement projects to reduce air pollution from motor vehicles. Health and Safety Code Section 44241(d) stipulates that forty percent (40%) of funds generated within a county where the fee is in effect shall be allocated by the Air District to one or more public agencies designated to receive the funds, and for San Mateo County, C/CAG has been designated as the overall Program Manager to receive the funds.

C/CAG, as the Program Manager for the TFCA Program in San Mateo County, distributes funds to qualifying projects that reduce air pollution, greenhouse gas emissions, and traffic congestion by improving transportation options. On May 12, 2016, the C/CAG Board approved the projects to be

funded as part of the FY 2016/17 TFCA Program as follows:

Agency	Amount
C/CAG - Administration	\$53,039.76
C/CAG - Smart Corridor Expansion (New)	\$267,012
Commute.org – Countywide Voluntary Trip Reduction Program	\$525,000
SamTrans - BART Shuttle	\$109,000
SamTrans – San Carlos Community Shuttle (New)	\$162,860
SamTrans – Bike racks on Buses (New)	\$160,128
Total	\$1,277,039.76

The funding agreement between C/CAG and the BAAQMD is for the receipt of the FY 2016/17 TFCA County Program Manager funds.

RESOLUTION 16-10

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING THE C/CAG CHAIR TO EXECUTE THE PROGRAM MANAGER FUNDING AGREEMENT WITH THE BAY AREA AIR QUALITY MANAGEMENT DISTRICT (BAAQMD) FOR THE FISCAL YEAR 2016/17 TRANSPORTATION FUND FOR CLEAN AIR (TFCA) (40%) PROGRAM FOR SAN MATEO COUNTY FOR AN AMOUNT UP TO \$1,\$1,277,039.76

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, the City/County Association of Governments has been designated the Transportation Fund for Clean Air (TFCA) Program Manager for San Mateo County; and

WHEREAS, the Board of Directors of the City/County Association of Governments at its May 12, 2016 meeting approved certain projects and programs for funding through San Mateo County's 40 percent local share of Transportation Fund for Clean Air (TFCA) revenues; and

WHEREAS, C/CAG will act as the Program Manager for \$1,277,039.76 of TFCA funded projects; and

WHEREAS, it is necessary for C/CAG to enter into a Program Manager Agreement with the Bay Area Air Quality Management District (BAAQMD) setting forth the responsibilities of each party.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County that on behalf of C/CAG the Chair is authorized to enter into an agreement with the Bay Area Air Quality Management District for the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) Program for San Mateo County for an amount up to \$1,277,039.76. This agreement shall be in a form approved by C/CAG legal counsel.

PASSED, APPROVED, AND ADOPTED THIS 9TH DAY OF JUNE 2016.

Alicia C. Aguirre, Chair

C/CAG AGENDA REPORT

Date: June 9, 2016

To: City/County Association of Governments Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of Resolution 16-12 authorizing the C/CAG Chair to execute a Funding Agreement between C/CAG and Commute.org in the amount of \$525,000 under the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) Program to provide the Countywide Voluntary Trip Reduction Program

(For further information please contact John Hoang at 650-363-4105)

RECOMMENDATION

That the C/CAG Board review and approve Resolution 16-12 authorizing the C/CAG Chair to execute a Funding Agreement between C/CAG and Commute.org in the amount of \$525,000 under the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) Program to provide the Countywide Voluntary Trip Reduction Program.

FISCAL IMPACT

Under the FY 2016/17 TFCA Program there is a total allocation of \$1,277,039.76 of which \$525,000 is designated for the Commute.org Countywide Voluntary Trip Reduction Program.

SOURCE OF FUNDS

TFCA funds are derived from a Vehicle Registration Fee surcharge provided to C/CAG by the Bay Area Air Quality Management District (BAAQMD).

BACKGROUND

C/CAG acts as the Program Manager for the TFCA Program in San Mateo County. This program distributes TFCA fund to projects whose primary objective is to reduce air pollution, greenhouse gas emissions, and traffic congestion by improving transportation options. On May 12, 2016, the C/CAG Board approved the Expenditure Plan for projects to be funded as part of the FY 2016/17 TFCA Program, which includes the Countywide Voluntary Trip Reduction Program, managed by Commute.org (also known as Peninsula Traffic Congestion Relief Alliance). This Program assists private and public sectors to connect their employees and customers with transportation systems that provide an alternative to driving single occupant vehicles. The Countywide Voluntary Trip Reduction Program is funded by various sources through C/CAG, including the Countywide Congestion Relief Plan as well as the San Mateo

County share of the Regional Ridesharing and Bicycling Program funds made available through the Metropolitan Transportation Commission (MTC).

RESOLUTION 16-12

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING THE C/CAG CHAIR TO EXECUTE THE FUNDING AGREEMENT BETWEEN C/CAG AND COMMUTE.ORG IN THE AMOUNT OF \$525,000 UNDER THE FISCAL YEAR 2016/17 TRANSPORTATION FUND FOR CLEAN AIR (TFCA) PROGRAM TO PROVIDE THE COUNTYWIDE VOLUNTARY TRIP REDUCTION PROGRAM

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, the Board of Directors of the City/County Association of Governments at its May 12, 2016 meeting approved certain projects and programs for funding through San Mateo County's local share of Transportation Fund for Clean Air (TFCA) revenues; and,

WHEREAS, the agencies implementing these projects, the scope of the work and the specified amount of TFCA funding, have been identified and approved by the Board of Directors; and,

WHEREAS, Commute.org is designated to receive TFCA funds for the Countywide Voluntary Trip Reduction Program which assists private and public sectors to connect their employees and customers with transportation systems that provide an alternative to driving single occupant vehicles; and

WHEREAS, it is necessary for C/CAG to enter into Project Sponsor agreements with the individual agencies receiving TFCA project funding, setting forth the responsibilities of each party.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County that the Chair is authorized to enter into an agreement with Commute.org for \$525,000 under the Transportation Fund for Clean Air (TFCA) Program. This agreement shall be in a form approved by C/CAG legal counsel.

PASSED, APPROVED, AND ADOPTED THIS 9TH DAY OF JUNE 2016.

(For further information please contact John Hoang at 650-363-4105)

RECOMMENDATION

That the C/CAG Board review and approve Resolution 16-13 authorizing the C/CAG Chair to execute a Funding Agreement between C/CAG and the San Mateo County Transit District (SamTrans) in the amount of \$431,988 under the Fiscal Year 2016/17 Transportation Fund for Clean Air (TFCA) Program.

FISCAL IMPACT

Under the FY 2015/16 TFCA Program there is a total allocation of \$1,277,039.76 of which \$431,988 is designated for the SamTrans sponsored projects.

SOURCE OF FUNDS

TFCA funds are derived from a Vehicle Registration Fee surcharge provided to C/CAG by the Bay Area Air Quality Management District (BAAQMD).

BACKGROUND

C/CAG acts as the Program Manager for the TFCA Program in San Mateo County. This program distributes fund to projects whose primary objective is to reduce air pollution, greenhouse gas emissions, and traffic congestion by improving transportation options. On May 12, 2016, the C/CAG Board approved the Expenditure Plan for projects to be funded as part of the FY 2016/17 TFCA Program, which includes the following three (3) projects:

- SamTrans Shuttle Bus Program - This Program is a peak commute period shuttle bus service for eight (8) employer based shuttle routes connecting major employment centers in San Mateo, Daly City, South San Francisco, Brisbane, Millbrae, Foster City and San Bruno with BART stations. (\$109,000)
- San Carlos Community Shuttle - The new community shuttle service would provide

circulator services for 3 square miles of residential neighborhoods that lack transit and provide fixed route connections to access downtown and shopping centers in San Carlos and Belmont as well as provide convenient services for three schools that currently lack any transit options. (\$162,860)

- New bike racks on SamTrans buses – The project will install new bicycle racks on 318 SamTrans buses. The new racks will replace the current racks and will have additional capacity to carry more bicycles. (\$160,128)

RESOLUTION 16-13

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING THE C/CAG CHAIR TO EXECUTE A FUNDING AGREEMENT BETWEEN C/CAG AND THE SAN MATEO COUNTY TRANSIT DISTRICT (SAMTRANS) IN THE AMOUNT OF \$431,988 UNDER THE FISCAL YEAR 2016/17 TRANSPORTATION FUND FOR CLEAN AIR (TFCA) PROGRAM

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, the Board of Directors of the City/County Association of Governments at its May 12, 2016 meeting approved certain projects and programs for funding through San Mateo County's local share of Transportation Fund for Clean Air (TFCA) revenues; and,

WHEREAS, the agencies implementing these projects, the scope of the work and the specified amount of TFCA funding, have been identified and approved by the Board of Directors; and,

WHEREAS, the San Mateo County Transit District (SamTrans) is designated to receive TFCA funds in the total amount of \$431,988 for the SamTrans Shuttle Bus Program (\$109,000), San Carlos Community Shuttle (\$162,860), and SamTrans Bus Bike Racks (\$160,128); and

WHEREAS, it is necessary for C/CAG to enter into Project Sponsor agreements with the individual agencies receiving TFCA project funding, setting forth the responsibilities of each party.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County that the Chair is authorized to enter into an agreement with the San Mateo County Transit District for \$431,988 under the Transportation Fund for Clean Air (TFCA) Program. This agreement shall be in a form approved by C/CAG legal counsel.

PASSED, APPROVED, AND ADOPTED THIS 9TH DAY OF JUNE 2016.

Subject: Review and approval of Resolution 16-14 authorizing the C/CAG Chair to execute a funding agreement between C/CAG and SamTrans for the Allocation of Measure M Funds for Fiscal Years 2016/17 and 2017/18 in the amount of \$2,800,000

(For further information or response to questions, contact John Hoang at 650-363-4105)

RECOMMENDATION

That the C/CAG Board review and approve Resolution 16-14 authorizing the C/CAG Chair to execute a funding agreement between C/CAG and SamTrans for the Allocation of Measure M Funds for Fiscal Years 2016/17 and 2017/18 in the amount of \$2,800,000.

FISCAL IMPACT

\$2,800,000 (or up to a maximum of 22% of the net revenue collected)

SOURCE OF FUNDS

Measure M - \$10 Vehicle Registration Fee

BACKGROUND

The C/CAG sponsored Measure M, which was approved by the voters of San Mateo County in 2010; impose an annual fee of ten dollars (\$10) on motor vehicles registered in San Mateo County for transportation-related traffic congestion and water pollution mitigation programs. The estimated revenue of \$6.7 million annually (\$167 million over 25 years) helps fund various transportation programs for the 20 cities and the County. Per the Expenditure Plan, 50% of the net proceeds will be allocated to cities/County for local streets and roads and 50% will be used for countywide transportation programs such as transit operations, regional traffic congestion management, water pollution prevention, and safe routes to school.

The 5-Year Measure M Implementation Plan (FYs 2016/17- 2020/21), approved by the C/CAG Board on April 14, 2016, allocates 22% of the net revenue collected, approximately \$1,400,000 annually, to the Transit Operations/Senior Transportation programs. Measure M allocations to the San Mateo County Transit District (SamTrans) primarily fund the RediWheels and Senior Mobility Programs. RediWheels is a \$15M annual program that also receives significant funding from other multiple sources including passenger fares, sales tax, Measure A (County), Measure A

(Transportation Authority), and interest income. Measure M contributes approximately nine percent (9%) towards the total cost of RediWheels. The two programs are described as follows:

- The RediWheels program is a fixed-route paratransit service for people with disabilities who cannot independently use regular SamTrans bus service. The RediWheels service is provided on the bayside of the County (RediCoast on the Coastside). SamTrans offers paratransit customers a financial incentive to use the services by allowing ADA (American with Disabilities Act) certified customers and personal care attendants to ride all regular fixed-route SamTrans trip without paying a fare.

Measures of performance include hours of service provided by shuttles and taxis, ridership, number of customers served, number of trips, and cost per rider. Additional performance measures applied to the RediWheels contractors include: miles between preventable accidents, productivity (passengers per hour), service-related complaints, incoming call wait time, and on-time performance.

- The Senior Mobility Program provides the following services: Community Transit, Community-Based Transportation, Encouraging Use of Transit, Information and Assistance, Taxicab Services, and Promote Walking by older adults. (Expanded program descriptions can be found in the attached Funding Agreement Scope of Work)

Measures of performance to determine effectiveness of the services include number of organizations outreached, number of individuals participated, frequency and number of community meetings held, type of collateral distributed or made available to seniors, and other measures as needed.

As part of the initial 5-Year Implementation Plan (FYs 2011/12 - 2015/16), C/CAG provided a total of \$7,000,000 to SamTrans. It is recommended that C/CAG continue to provide SamTrans up to \$1.4 million annually for FYs 2016/17 - 2017/18 to help fund the RediWheels and Senior Mobility Programs. This funding allocation aligns with the recently adopted 5-Year Measure M Implementation Plan, which is effective FYs 2016/17 - 2020/21. It is intended that program performances will be reviewed annually and adjustments to the program, scope of work, and funding levels will be made as needed at the end of the FY2017/18 and adjustments, if any, will be made prior to entering into the future funding agreements covering FY 2018/19 through FY 2020/21.

RESOLUTION 16-14

RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING EXECUTION OF A FUNDING AGREEMENT BETWEEN C/CAG AND SAMTRANS FOR THE ALLOCATION OF MEASURE M FUNDS FOR FISCAL YEARS 2016/17 AND 2017/18 IN THE AMOUNT OF \$2,800,000

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG); that,

WHEREAS, C/CAG is the designated Congestion Management Agency for San Mateo County responsible for the development and implementation of the Congestion Management Program for San Mateo County; and

WHEREAS, on November 2, 2010, the San Mateo County voters approved Measure M, which imposes an additional \$10 VRF on each motor vehicles registered within the county, effective May 2011 and continuing for a period of 25 years; and

WHEREAS, the 5-Year Measure M Implementation Plan (Fiscal Year 2016/17 – 2020/2021) approved by the C/CAG Board in April 2016 per Resolution 16-11, stipulates that twenty-two percent (22%) of the net revenue collected, approximately \$1,400,000 annually, is allocated to the Countywide Transit Operations and Senior Transportation Programs (the “Program”); and

WHEREAS, SamTrans is designated as the agency that will receive the annual funding allocation, on a reimbursement basis, for implementation of the Program, which consists of the Senior Mobility Program and RediWheels; and

WHEREAS, C/CAG and SamTrans desire to enter into a funding agreement for the allocation of Measure M funds for the Program.

NOW THEREFORE BE IT RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County that the Chair is authorized to execute an agreement with SamTrans for FYs 2016/17 and 2017/18 for an amount up to \$2,800,000 in a form that has been approved by C/CAG Legal Counsel.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approve Resolution 16-15 authorizing the C/CAG Chair to execute Amendment Number 2 to the funding agreement with the Bay Area Water Supply and Conservation Agency (BAWSCA), extending the term through June 30, 2017 for an additional cost not to exceed \$25,000 for rain barrel rebates in San Mateo County.

(For further information or questions contact Matthew Fabry at 650 599-1419)

RECOMMENDATION

Review and approve Resolution 16-15 authorizing the C/CAG Chair to execute Amendment Number 2 to the funding agreement with the Bay Area Water Supply and Conservation Agency (BAWSCA), extending the term through June 30, 2017 for an additional cost not to exceed \$25,000 for rain barrel rebates in San Mateo County.

FISCAL IMPACT

Up to \$25,000 in Fiscal Year 2016-17.

SOURCE OF FUNDS

Funding for this program is included in the Draft Fiscal Year 2016-17 C/CAG budget for the Countywide Water Pollution Prevention Program via the NPDES Fund.

BACKGROUND

Pursuant to Resolution 14-36, C/CAG collaborated with the Bay Area Water Supply and Conservation Agency (BAWSCA) to implement a pilot rain barrel rebate program in San Mateo County in Fiscal Year 2014-15. Rain barrels capture stormwater runoff from roofs that can then be used to water landscaping or gardens. Capturing stormwater in this fashion has water quality and quantity benefits, by reducing the amount of runoff and pollutants from individual properties that reach municipal storm drain systems, water conservation benefits through reducing potable water usage for outdoor irrigation needs, and education benefits by connecting the public with the importance of managing stormwater as a resource.

C/CAG originally provided \$25,000 to BAWSCA for the pilot program in Fiscal Year 2014-15, and an additional \$25,000 for Fiscal Year 2015-16. C/CAG provides rebates of \$50 per installed barrel, with a maximum of two barrels per residential property and four for commercial, industrial, or institutional properties. In areas of the county where water agencies are participating, rebates are matched by the

water agency for up to \$100 per barrel. The following San Mateo County water agencies (representing approximately 25% of the County's population) have been participating in the pilot program:

- City of Brisbane
- Mid-Peninsula Water District (Belmont, portions of San Carlos and unincorporated county)
- City of Millbrae
- North Coast County Water District (Pacifica)
- Redwood City
- Daly City (Year 2 Only)

The rain barrel rebate program launched in October of 2014. BAWSCA received applications for rebates for 329 rain barrels throughout San Mateo County in Fiscal Year 2014-15. Rebates for Fiscal Year 2015-16 are projected to be 480 (400 actual through April). Almost twice as many rain barrels have been installed in locations where participating water agencies match C/CAG's rebates, indicating that greater rebates and local outreach likely increase participation in the program. C/CAG's Countywide Water Pollution Prevention Program's public outreach arm promotes the rebate program each year, in conjunction with BAWSCA and the participating water agencies. Program expenditures in 2014-15 were \$21,700 and in 2015-16 are projected to be \$25,600, for a total of \$47,300 (out of \$50,000 provided by C/CAG).

Given the success of the program and the continuing drought crisis, C/CAG staff recommends continuing the rain barrel rebate program in 2016-17 with an additional \$25,000 in C/CAG funding for ongoing program administration and rebates throughout San Mateo County. BAWSCA staff is supportive of continuing the program and expects, at a minimum, all currently participating water agencies to renew their participation for 2015-16. Program terms would remain the same. Funds will only be expended for rebate applications received, so any unused funds will remain in C/CAG's stormwater program budget. The proposed amendment limits program administration and marketing costs for the next year at \$3,000, a portion of which will be directed toward a new online rebate application system.

Resolution 16-15 authorizes the C/CAG Chair to execute Amendment Number 2 to the funding agreement with BAWSCA, extending the term through June 30, 2017 for an additional amount not to exceed \$25,000. Attachment 2 is the proposed amendment, which is subject to approval as to form by C/CAG's legal counsel prior to execution by the C/CAG Chair.

RESOLUTION 16-15

RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING THE C/CAG CHAIR TO EXECUTE AMENDMENT NUMBER 2 TO THE FUNDING AGREEMENT WITH THE BAY AREA WATER SUPPLY AND CONSERVATION AGENCY, EXTENDING THE TERM THROUGH JUNE 30, 2017 FOR AN ADDITIONAL COST NOT TO EXCEED \$25,000 FOR RAIN BARREL REBATES IN SAN MATEO COUNTY

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG); that,

WHEREAS, C/CAG's Countywide Water Pollution Prevention Program works with all 21 member agencies on programs to help keep pollution out of storm drains and subsequently impacting local creeks, the San Francisco Bay, and the Pacific Ocean; and

WHEREAS, California continues to experience devastating drought conditions and capturing rainwater via rain barrels has both pollution prevention and water conservation benefits by reducing the amount of stormwater and associated pollutants reaching municipal storm drainage systems and offsetting potable water usage for outdoor landscape watering needs; and

WHEREAS, C/CAG approved Resolution 14-36, authorizing the C/CAG Chair to enter into an agreement with BAWSCA at a cost not to exceed \$25,000 for a Pilot Rain Barrel Rebate Program (Program) in San Mateo County in Fiscal Year 2014-15; and

WHEREAS, C/CAG approved Resolution 15-17, authorizing the C/CAG Chair to execute Amendment Number 1 to the agreement with BAWSCA, extending the term of the Pilot Rain Barrel Rebate Program through June 30, 2016 at an additional cost not to exceed \$25,000; and

WHEREAS, C/CAG and BAWSCA jointly agree to continue the Program in 2016-17 under the same terms and conditions.

NOW THEREFORE BE IT RESOLVED, the C/CAG Chair is authorized to execute Amendment No. 2 to the funding agreement with the Bay Area Water Supply and Conservation Agency, extending the term through June 30, 2017 at an additional amount not to exceed \$25,000 for rain barrel rebates in San Mateo County. Be it further resolved that the C/CAG Executive Director is authorized to negotiate the final terms of said agreement prior to its execution by the C/CAG Chair, subject to approval as to form by C/CAG Legal Counsel.

ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AND THE BAY AREA
WATER SUPPLY AND CONSERVATION AGENCY (BAWSCA).**

WHEREAS, the Board of Directors of the City/County Association of Governments for San Mateo County (hereinafter referred to as C/CAG) and the Bay Area Water Supply and Conservation Agency (hereinafter referred to as BAWSCA) are parties to an agreement for a rain barrel rebate program in San Mateo County dated October 10, 2014 (the "Existing Agreement"); and

WHEREAS, BAWSCA and C/CAG wish to extend the Existing Agreement through June 30, 2017 for an additional cost not to exceed \$25,000;

IT IS HEREBY AGREED by C/CAG and BAWSCA that:

1. The Existing Agreement is amended to provide that its term is extended to June 30, 2017.
2. The Existing Agreement is amended to provide that the total payment for services shall not exceed \$75,000, based upon the receipt of invoices for the actual costs, and that additional costs in Fiscal Year 2016-17 for program setup, administration, and marketing are limited to \$3,000 of the \$25,000 in additional funding.
3. All other provisions of the Existing Agreement shall remain in full force and effect.
4. The terms hereof amending the Existing Agreement shall take effect upon signature by both parties.
5. In the event of a conflict between the terms of this Amendment and the terms of the Existing Agreement, the terms of this Amendment shall prevail.

For further information contact Kim Springer at (650)599-1412.

RECOMMENDATION

Adopt Resolution 16-17 authorizing the C/CAG Chair to execute an agreement between C/CAG and the County of San Mateo Office of Sustainability for staff services for the Resource Management and Climate Protection (RMCP) Committee and other projects for fiscal year 2016-17 in an amount not to exceed \$40,000.

FISCAL IMPACT

\$40,000.

SOURCE OF FUNDS

The Congestion Relief Fund is the main source of funds for the staffing of the RMCP Committee.

BACKGROUND/DISCUSSION

The RMCP Committee provides advice and recommendations to the Congestion Management and Environmental Quality (CMEQ) Committee and the full C/CAG Board on matters related to energy and water and climate action/adaptation efforts in San Mateo County. The RMCP Committee also reports on the San Mateo County Energy Watch (SMCEW) and updates, supports and promotes the goals and data outlined in the San Mateo County Energy Strategy, including: energy, water, collaboration between cities and the utilities, leadership and economic opportunities related to the RMCP committee's efforts. The San Mateo County Energy Strategy was adopted by all cities in San Mateo County in 2009.

Examples of other projects that could be paid for under this agreement include: further work on the Alternative Fuel Readiness Plan (AFRP), and support to the C/CAG Board as the Local Task Force for changes in solid waste diversion resources in San Mateo County.

This Agreement entered this ____ day of ____ 2016, by and between the CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY, a joint powers agency, hereinafter called "C/CAG" and the COUNTY OF SAN MATEO, Office of Sustainability, a department under a political subdivision of the State of California, hereinafter called "COUNTY."

W I T N E S S E T H

WHEREAS, C/CAG is committed to working with the cities in San Mateo County on issues related to solid waste, resource conservation and climate protection; and

WHEREAS, C/CAG desires to obtain services from the COUNTY to serve as the primary technical staff support function for the Resource Management and Climate Protection Committee of C/CAG on matters related to energy, water, and greenhouse gas emission reduction strategies and other projects such as for the Local Task Force of C/CAG on matters related to solid waste; and

WHEREAS, the COUNTY is committed to providing staff services for said Resource Management and Climate Protection Committee and other projects.

NOW, THEREFORE, IT IS HEREBY AGREED by the parties as follows:

1. **Services to be provided by COUNTY.** The COUNTY shall provide services as described in Exhibit A, attached hereto and incorporated by reference herein.
2. **Payments.** In consideration of the services rendered in accordance with all terms, conditions and specifications set forth herein and in Exhibit A, C/CAG shall reimburse COUNTY for eligible costs as set forth in Exhibit A, in an amount not to exceed \$40,000. Payments shall be made within 30 days after receipt and approval of monthly invoices from the COUNTY.
3. **Relationship of the Parties.** It is understood that the COUNTY enters into this Agreement as an Independent Contractor and the Agreement is not intended to, and shall not be construed to, create the relationship of agent, servant, employee, partnership, joint venture or association, or any other relationship whatsoever other than that of Independent Contractor.

4. **Non-Assignability.** COUNTY shall not assign this Agreement or any portion thereof to a third party without the prior written consent of C/CAG, and any attempted assignment without such prior written consent is in violation of this Section and shall be grounds for termination of this Agreement.
5. **Contract Term.** This Agreement shall be in effect and cover cost as set out in Exhibit A from July 1, 2016 and shall terminate on June 30, 2017; provided, however, C/CAG may terminate this Agreement at any time for any reason by providing 30 days' written notice to COUNTY. COUNTY may terminate this Agreement at any time for any reason by providing 30 days' written notice to C/CAG. Termination will be effective on the date specified in the notice. In the event of termination under this paragraph, COUNTY shall be paid for all services provided to the date of termination.
6. **Hold Harmless/Indemnity.** COUNTY shall defend, indemnify and save harmless C/CAG and its member agencies and their employees, agents and officers from all claims, suits, damages or actions arising from COUNTY's performance under this Agreement.

C/CAG shall defend, indemnify and save harmless County and its member agencies and their employees, agents and officers from all claims, suits, damages or actions arising from C/CAG's performance under this Agreement.

The duty of the parties to indemnify and save harmless as set forth herein, shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

7. **Workers' Compensation Coverage.** Statutory Workers' Compensation Insurance and Employer's Liability Insurance will be provided by the COUNTY with limits of not less than one million dollars (\$1,000,000) for any and all persons employed directly or indirectly by COUNTY. In the alternative, COUNTY may rely on a self-insurance program to meet these requirements so long as the program of self-insurance complies fully with the provisions of the California Labor Code. In such case, excess Workers' Compensation Insurance with statutory limits shall be maintained. The insurer, if insurance is provided, and the COUNTY, if a program of self-insurance is provided, shall waive all rights of subrogation against C/CAG for loss arising from worker injuries sustained under this Agreement.
8. **Liability Insurance.** COUNTY shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect COUNTY, its employees, officers and agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all operations under this Agreement, whether such operations be by COUNTY or by any sub-contractor or by anyone directly or indirectly employed by either of them. In the alternative, COUNTY may rely on a self-insurance program to meet these requirements so long as the program of self-insurance complies fully with the provisions of the California Labor Code.

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, C/CAG, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

9. **Non-discrimination.** COUNTY and its subcontractors performing the services on behalf of the COUNTY shall not discriminate or permit discrimination against any person or group of persons on the basis of race, color, religion, national origin or ancestry, age, sex, sexual orientation, marital status, pregnancy, childbirth or related conditions, medical condition, mental or physical disability or veteran's status, or in any manner prohibited by federal, state or local laws.
10. **Accessibility of Services to Disabled Persons.** COUNTY, not C/CAG, shall be responsible for compliance with all applicable requirements regarding services to disabled persons, including any requirements of Section 504 of the Rehabilitation Act of 1973.
11. **Substitutions.** If particular people are identified in Exhibit A as working under this Agreement, COUNTY will not assign others to work in their place without written permission from C/CAG. Any substitution shall be with a person of commensurate experience and knowledge.
12. **Joint Property.** As between C/CAG and COUNTY any system or documents developed, produced or provided under this Agreement shall become the joint property of C/CAG and the COUNTY.
13. **Access to Records.** COUNTY shall retain, for a period of no less than five years, all books, documents, papers, and records which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcriptions, and shall provide C/CAG, its member agencies, and or their auditors with access to said books and records.

COUNTY shall maintain all required records for five years after C/CAG makes final payments.
14. **Merger Clause.** This Agreement constitutes the sole agreement of the parties hereto with regard to the matters covered in this Agreement. Any prior agreement, promises, negotiations or representations between the parties not expressly stated in this document are not binding.
15. **Amendments.** Any changes to this Agreement shall be incorporated in written amendments and executed by both County and C/CAG. No claim for additional compensation or extension of time shall be recognized unless contained in a duly executed amendment.

16. **Governing Law.** This Agreement shall be governed by the laws of the State of California and any suit or action initiated by either party shall be brought in the County of San Mateo, California.

IN WITNESS WHEREOF, the parties hereto have affixed their hands to this Agreement for Staff Services for the Resource Management and Climate Protection Committee and the Local Task Force on the day and year first above indicated.

STAFF SERVICES FOR THE RESOURCE MANAGEMENT AND CLIMATE PROTECTION COMMITTEE AND OTHER PROJECTS

SCOPE OF WORK

- 1.0 Introduction - The City/ County Association of Governments of San Mateo County (C/CAG) is committed to working with the cities in San Mateo County on issues related to solid waste, resource conservation and climate protection. Historically, C/CAG contracted with the County of San Mateo Department of Public works for staff support for the C/CAG Resource Management and Climate Protection (RMCP) committee and to provide technical staff support to the solid waste Local Task Force. Due to County reorganization, key personnel supporting these programs was transferred to the County of San Mateo Office of Sustainability as of July 1, 2015. C/CAG desires to contract with the County of San Mateo, Office of Sustainability (County) for staff support of the C/CAG Resource Management and Climate Protection committee and to provide technical staff support for other projects such as support to C/CAG on solid waste as the Local Task Force.
- 2.0 Management and Staffing Oversight - the County shall provide adequate reporting and information, and attend meetings with C/CAG staff as necessary to support the Resource Management and Climate Protection Committee, and shall provide reports and presentations to the C/CAG Board as necessary on this and other projects.
- 3.0 Specific Scope of Work – the County shall:
 - 3.1 Provide staffing for the Resource Management and Climate Protection Committee, including the development of agendas, writing of minutes and the provision of strategic support for ongoing initiatives
 - 3.2 Provide staff support to the Local Task Force (C/CAG Board) on matters related to Solid Waste including Non-Disposal Facility Element (NDFE) amendments and other matters related to Countywide Integrated Waste Management Planning
 - 3.3 Provide staff support for other projects as requested by C/CAG.
- 4.0 Reporting - The County of San Mateo shall report to the C/CAG Board and other C/CAG committees on activities related to this scope of work upon request during the 2016-2017 fiscal year.
- 5.0 Payments - The County shall submit invoices for services provided along with supporting documentation including labor hours and rates (which rates shall be no greater than the rate which will fully compensate the county for its costs associated with that employee, commonly referred to as the "fully loaded rate" and all other related costs for management and staffing. C/CAG shall pay invoices within 30 days of receipt.

RECOMMENDATION

Review and approve Resolution 16-18 authorizing the C/CAG Chair to execute a Contract Change Order to the Master Service Agreement between C/CAG and Pacific Gas and Electric Company for the San Mateo County Energy Watch, revising background checks language.

FISCAL IMPACT

None.

SOURCE OF FUNDS

Funding for coordination, management and contracts associated with the San Mateo County Energy Watch is provided by the PG&E Local Government Partnership funding agreement.

BACKGROUND

The San Mateo County Energy Watch (SMCEW) Local Government Partnership (LGP) with PG&E began on January 1, 2009, under the auspices of the California Public Utilities Commission (CPUC). Since the original program cycle, which ended on December 31, 2009, PG&E has contracted with C/CAG for the SMCEW for additional program cycles, 2010-2012, 2013-2014, 2015 and the current three-year program cycle 2016-2018.

On May 3, 2016, PG&E requested a change order to Master Service Agreement 4400010204 (MSA CCO) by email, noting that: "PG&E is required to incorporate revised NERC (North American Electric Reliability Corporation) language and Background Check language in all existing contracts", and requested that the MSA CCO be signed and returned. C/CAG Counsel and staff has reviewed the terms of the requested MSA CCO and determined that the changes will have minimal impact.

Resolution 16-18 and the draft MSA CCO are included as attachments to this staff report. The existing Master Service Agreement is also provided on the C/CAG website as part of the June 9, 2016 meeting materials: <http://ccag.ca.gov/committees/board-of-directors/>

RESOLUTION NO. 16-18

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY (C/CAG) AUTHORIZING THE C/CAG CHAIR TO EXECUTE A CONTRACT CHANGE ORDER TO THE MASTER SERVICE AGREEMENT BETWEEN C/CAG AND PACIFIC GAS AND ELECTRIC COMPANY FOR THE SAN MATEO COUNTY ENERGY WATCH

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, The C/CAG Board adopted Resolution 08-46 at its October 2008 meeting authorizing the C/CAG Chair to execute an Agreement between C/CAG and Pacific Gas & Electric (PG&E) for the original 2009 program cycle of the San Mateo County Energy Watch; and

WHEREAS, the C/CAG Board adopted Resolution 09-55 at its November 12, 2009 meeting, Resolution 12-68 at its December 13, 2012 meeting, Resolution 14-52 at its November 13, 2014 meeting, and Resolution 15-48 at its December 10, 2015, authorizing the C/CAG Chair to execute these four subsequent Agreements between C/CAG and Pacific Gas & Electric (PG&E) for the San Mateo County Energy Watch, which is contracted through calendar year 2018; and

WHEREAS, these Agreements include general and specific condition, which constitute a Master Service Agreement between C/CAG and PG&E; and

WHEREAS, PG&E has requested a Contract Change Order to the existing Master Service Agreement 4400010204 for the 2016-2018 calendar year program cycle, because of required changes to background check language from the North American Electric Reliability Corporation; and

WHEREAS, C/CAG Counsel and staff has reviewed the requested Contract Change Order language.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County that the Chair is authorized to execute a Contract Change Order No. 1 to the Master Service Agreement between C/CAG and Pacific Gas and Electric Company for the San Mateo County Energy Watch.

PASSED, APPROVED, AND ADOPTED THIS 9TH DAY OF JUNE 2016.

Revisions to the General Conditions

This Change Order No. 1 to MSA No. 4400010204 revises the General Conditions of the original MSA as follows:

Adds the following to Section 2.8 – WARRANTY

- 2.8.3 CORRECTIVE ACTION PLAN: Except as otherwise provided in this Contract, Consultant shall meet or achieve each milestone for the Work by the applicable milestone date. If PG&E reasonably believes that Consultant is not making substantial progress, or if Consultant fails to achieve a milestone by the applicable milestone date, and such failure is not attributable to reasons entitling Consultant to a Contract Change Order, then Consultant shall provide for PG&E's approval a corrective action plan that will demonstrate achievement of the milestone at the earliest possible date to minimize delay of the Work schedule. Such corrective action plan shall include, without limitation, reasonable evidence of increases in Consultant's work force, increases in the number of shifts, overtime operations, additional days of Work per week, and such other evidence (including milestone schedule analysis) as necessary for the timely completion of the Work. Upon receipt of PG&E's written concurrence, Consultant shall diligently comply with such corrective action plan; provided, however, that PG&E's concurrence shall not affect any of PG&E's rights or Consultant's obligations under this Contract.

Adds the following definition to Section 9.10 "WORK ON PG&E OR PG&E CUSTOMER PROPERTY"

- 9.10 WORK ON PG&E OR PG&E CUSTOMER PROPERTY: The following provisions shall apply to the extent that the Work under the Contract requires any Consultant or Subcontractor personnel (collectively, "Personnel") to have access to PG&E assets, premises, customer property, or logical access to PG&E data or systems (collectively, "Access").

Replaces in its entirety, Section 9.10.1 "CRIMINAL BACKGROUND CHECK" of the original MSA General Conditions with the following:

9.10.1 CRIMINAL BACKGROUND CHECKS:

- (i) Contractor warrants and represents that it will not assign any Personnel to work requiring Access unless Contractor has performed a criminal background check on each such individual (either at the time of hiring or during the course of employment). Prior to assigning work requiring Access to any Personnel with one or more criminal convictions during the last seven years, Contractor must consider the gravity of the individual's offense, the time since the conviction, the successful completion of parole/probation, the individual's age at the time of conviction, the number of convictions, and the stability of the individual, including favorable work history. Contractor shall also consider the relation of the offense to the nature of the work the individual will perform.
- (ii) Notwithstanding the foregoing, in no event shall Contractor grant Access to an individual with one or more convictions for a Serious Offense(s), which is defined as violent and sex offenses, crimes against children, domestic violence, fraud, theft (including but not limited

to identity theft), embezzlement, all felonies during the last seven years, and/or two or more DUI's in the past three years.

- (iii) Contractor shall maintain documentation related to its criminal background check investigation for all Personnel requiring Access and make it available to PG&E for audit if requested pursuant to the audit provisions of this Contract.
- (iv) Contractor also agrees to notify PG&E if any of its Personnel requiring Access are charged with or convicted of a Serious Offense during the course of a PG&E assignment.

Replaces in its entirety, Section 9.11 "NERC REQUIREMENTS" of the original MSA General Conditions with the following:

- 9.11 NERC REQUIREMENTS: Pursuant to a directive from the North American Electric Reliability Corporation (NERC), all employees and contractors with unescorted access to facilities and functions that PG&E deems critical to the support of the electricity infrastructure ("Critical Facilities") shall undergo employment background screening and training prior to being granted access to these PG&E facilities. To the extent applicable to the Work, Contractor shall comply with the requirements of Exhibit 7, NERC Requirements, attached hereto and incorporated herein

Removes Exhibit E "Background Check" of the Original MSA;

Adds Exhibit 7 "NERC REQUIREMENTS"; and

Exhibit 7A "PG&E NERC CIP Non-Employee Attestation Form" attached hereto.

There are no other changes to this MSA.

Exhibit 7

NERC REQUIREMENTS

Pursuant to a directive from the North American Electric Reliability Corporation (NERC), all employees and contractors with unescorted access to facilities, systems and functions that PG&E deems critical to the support of the Bulk Electric System ("Critical Facilities and/or Critical Systems") shall undergo employment background screening and training prior to being granted access to these PG&E facilities and/or systems. Contractor hereby agrees to perform background checks ("Personnel Risk Assessments" or "PRA's") on all Contractor and Subcontractor personnel ("Individuals") with unescorted access. PG&E has included in the category of those with unescorted access all Individuals working within PG&E Critical Facilities and/or Critical Systems. Contractor shall perform the following background check and comply with the following provisions for any Work subject to the NERC requirements for unescorted access. The background check can have no findings for any of the criteria (i.e., an acceptable background check):

Contractor shall perform a background screening for each Individual that includes each of the following criteria: (i) Social Security Number verification; (ii) City, County, State and Federal Criminal Check for felonies and misdemeanors over the past seven years (in up to three counties where the Individual has lived in the past seven years); (iii) "Global Watch" (check of 19 Federal and International Terrorist Watch lists); (iv) validation of current residence and confirmation of continuous residence at this site for a minimum of the most recent 6 months (confirmed by period of residence, employment, or education at a specific site) and validation of other locations where, during the seven years immediately prior to the date of the criminal check specified in (ii) above, the Individual has resided for six consecutive months or more.

1. After performing an acceptable background check for each Individual with unescorted access, the Contractor shall provide PG&E's Human Resources Department with a Personnel Risk Assessment Attestation Form in the form attached hereto as Exhibit 8A for each Individual on assignment to PG&E prior to the Individual being granted unescorted access. PG&E may request that Contractor provide a copy of complete Personnel Risk Assessment ("PRA") results at the time the Personnel Risk Attestation Form is submitted.
2. Contractor shall require that each Individual with unescorted access complete an initial training and annual PG&E web-based training session on safety, information security, compliance with PG&E codes and procedures including but not limited to CORP-0804 Cyber and Physical Security Awareness training. Contractor shall direct that each Individual complete the PG&E training program by CD or by hard copy format, if Contractor informs PG&E that web based training is not feasible.
3. After Contractor certifies to PG&E completion of the requirements set forth in paragraphs 1-3 above, PG&E will issue each Individual a keycard to access the designated PG&E facility to which they are assigned and/or logical access to the designated Critical System to which they are assigned. PG&E will deny access to Critical Facilities and/or Critical Systems to any Individual for whom Contractor has not certified completion of the requirements set forth in paragraphs 1-3 above.
4. Every seven years, Contractor shall perform NERC background screening as described herein for each Individual on continuing assignment to work at PG&E Critical Facilities and/or Critical Systems.
5. Contractor shall retain documentation supporting the Personnel Risk Assessment Attestation Form for each Individual assigned to PG&E Critical Facilities and/or Critical Systems for a minimum of seven years.
6. PG&E will audit Contractor's background screening methodology and substantiate the accuracy of Personnel Risk Assessment Attestation Forms for each Individual. Contractor shall respond to any auditing requests and activities, including but not limited to data requests, within one business day. PG&E and/or WECC will set the frequency of auditing the Contractor's PRA process and supporting records.
7. In addition to its other indemnity obligations hereunder, Contractor shall indemnify and hold harmless PG&E for any penalties assessed against PG&E (including but not limited to penalties assessed against PG&E by the Western Electricity Coordinating Council (WECC), NERC or the Federal Energy Regulatory Commission (FERC) for a violation of any NERC reliability standard) caused by Contractor's failure to perform its obligations under this Contract.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Receive a copy of an executed agreement between C/CAG and the County of San Mateo Office of Sustainability for staffing for the San Mateo County Energy Watch local government partnership for calendar year 2016.

(For further information or response to questions, contact Kim Springer at 650-599-1412)

RECOMMENDATION

Receive a copy of an executed agreement between C/CAG and the County of San Mateo Office of Sustainability for staffing for the San Mateo County Energy Watch local government partnership for calendar year 2016.

FISCAL IMPACT

None. Staff services are reimbursed by the SMCEW LGP Agreement between C/CAG and PG&E.

BACKGROUND

The San Mateo County Energy Watch (SMCEW) Local Government Partnership (LGP) with PG&E began on January 1, 2009, under the auspices of the California Public Utilities Commission (CPUC). Since the original program cycle, which ended on December 31, 2009, PG&E has contracted with C/CAG for the SMCEW for four additional program cycles, 2010-2012, 2013-2014, 2015, and the current program cycle, 2016-2018, which ends on December 31, 2018.

When the SMCEW LGP began, C/CAG contracted with the County of San Mateo, Department of Public Works, for coordination of the program. Those staff has since moved to the County's Office of Sustainability. C/CAG, with the staff services from the County, has successfully coordinated the SMCEW, meeting goals and developing the program, which initially provided energy efficiency services to municipal buildings, nonprofits and lower-income residents, and has expanded into schools, farms, and small and medium businesses. In the 2015 calendar year, the program met and exceeded its savings goals, and carried a robust pipeline of projects approved by customers or in the process of being installed, moving into 2016.

Based on these outcomes, the C/CAG Board passed Resolution 15-49 on December 10, 2015, authorizing the chair to execute an Agreement with the County of San Mateo for coordination of the SMCEW for calendar year 2016.

The County finalized this Agreement on May 16, 2016, and the final Agreement is provided as an attachment to this staff report.

ATTACHMENT

1. Fully executed 2016 Staff Service Agreement between C/CAG and the County of San Mateo, Office of Sustainability

**AGREEMENT BETWEEN
CITY/COUNTY ASSOCIATION OF GOVERNMENTS (C/CAG) AND THE
COUNTY OF SAN MATEO TO PROVIDE STAFF SERVICES FOR THE
SAN MATEO COUNTY ENERGY WATCH**

This Agreement entered this 5th Day of Nov, 2016, by and between the CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY, a joint powers agency formed for the purpose of preparation, adoption and monitoring of a variety of county-wide state-mandated plans, hereinafter called "C/CAG" and the COUNTY OF SAN MATEO, hereinafter called "COUNTY."

W I T N E S S E T H

WHEREAS, C/CAG is committed to working with Pacific Gas and Electric (PG&E) and the County of San Mateo to continue the San Mateo County Energy Watch; and

WHEREAS, C/CAG desires to obtain services from the COUNTY to serve as the primary staff support function for the San Mateo County Energy Watch; and

WHEREAS, the COUNTY is committed to providing staff services for resource conservation activities including the San Mateo County Energy Watch; and

WHEREAS, C/CAG has executed a Local Government Partnership contract with PG&E to implement the San Mateo County Energy Watch for the 2016 through 2018 calendar year program cycle;

NOW, THEREFORE, IT IS HEREBY AGREED by the parties as follows:

1. **Services to be provided by COUNTY.** The COUNTY shall provide services as described in Exhibit A, attached hereto and incorporated by reference herein.
2. **Payments.** In consideration of the services rendered in accordance with all terms, conditions and specifications set forth herein and in Exhibit A, C/CAG shall reimburse COUNTY for eligible costs as set forth in Exhibit A. Payments shall be made within 60 days after receipt and approval of monthly invoices from the COUNTY. Alternatively cost reimbursement for some COUNTY costs may come directly from PG&E. The total cost reimbursement under this agreement for work completed from January 1, 2016 through December 31, 2016 will not exceed \$461,000.
3. **Relationship of the Parties.** It is understood that this is an Agreement by and between Independent Contractor(s) and is not intended to, and shall not be construed to, create the relationship of agent, servant, employee, partnership, joint venture or association, or any other relationship whatsoever other than that of Independent Contractor.
4. **Non-Assignability.** COUNTY shall not assign this Agreement or any portion thereof to a third party without the prior written consent of C/CAG, and any attempted assignment without such prior written consent in violation of this Section automatically shall terminate this Agreement.

5. **Contract Term.** This Agreement shall be in effect as of January 1, 2016 and shall terminate on December 31, 2016; provided, however, C/CAG may terminate this Agreement at any time for any reason by providing 30 days' notice to COUNTY, and COUNTY may terminate this Agreement at any time for any reason by providing 90 days' notice to C/CAG, and termination will be effective on the date specified in the notice. In the event of termination under this paragraph, COUNTY shall be paid for all services provided to the date of termination.

6. **Hold Harmless/ Indemnity.** COUNTY shall defend, indemnify and save harmless C/CAG and its member agencies and their employees, agents and officers from all claims, suits, damages or actions arising from COUNTY's performance under this Agreement.

C/CAG shall defend, indemnify and save harmless COUNTY, and its employees, agents and officers from all claims, suits, damages or actions arising from C/CAG's performance under this Agreement.

The duty to indemnify and save harmless as set forth herein shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

7. **Workers' Compensation Coverage.** Statutory Workers' Compensation Insurance and Employer's Liability Insurance will be provided by the COUNTY with limits of not less than one million dollars (\$1,000,000) for any and all persons employed directly or indirectly by COUNTY. In the alternative, COUNTY may rely on a self-insurance program to meet these requirements so long as the program of self-insurance complies fully with the provisions of the California Labor Code. In such case, excess Workers' Compensation Insurance with statutory limits shall be maintained. The insurer, if insurance is provided, and the COUNTY, if a program of self-insurance is provided, shall waive all rights of subrogation against C/CAG for loss arising from worker injuries sustained under this Agreement.

8. **Liability Insurance.** COUNTY shall take out and maintain during the life of this Agreement, in an amount not less than one million dollars (\$1,000,000), such Bodily Injury Liability and Property Damage Liability Insurance as shall protect COUNTY, its employees, officers and agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all operations under this Agreement, whether such operations be by COUNTY or by any sub-contractor or by anyone directly or indirectly employed by either of them. In the alternative, COUNTY may rely on a self-insurance program to meet these requirements so long as the program of self-insurance complies fully with all applicable laws.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, C/CAG, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

9. **Non-discrimination.** COUNTY and its subcontractors performing the services on behalf of the C/CAG shall not discriminate or permit discrimination against any person or group of persons on the basis of race, color, religion, national origin or ancestry, age, sex, sexual orientation, marital status, pregnancy, childbirth or related conditions, medical condition, mental or physical disability or veteran's status, or in any manner prohibited by federal, state or local laws.
10. **Accessibility of Services to Disabled Persons.** COUNTY, not C/CAG, shall be responsible for compliance with all applicable requirements regarding services to disabled persons, including any requirements of Section 504 of the Rehabilitation Act of 1973.
11. **Substitutions.** If particular staff are identified in Exhibit A as working under this Agreement, COUNTY will not assign others to work in their place without written permission from C/CAG. Whether or not particular staff are identified in Exhibit A, any substitution in staffing shall be with a person of commensurate experience and knowledge.
12. **Joint Property.** As between C/CAG and COUNTY any system or documents developed, produced or provided under this Agreement shall become the joint property of C/CAG and the COUNTY.
13. **Access to Records.** COUNTY shall retain, for a period of no less than five years, all books, documents, papers, and records which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcriptions, and shall provide CCAG, its member agencies, and or their auditors with access to said books and records.

COUNTY shall maintain all required records for five years after C/CAG makes final payments.
14. **Merger Clause.** This Agreement constitutes the sole agreement of the parties hereto with regard to the matters covered in this Agreement. Any prior agreement, promises, negotiations or representations between the parties not expressly stated in this document are not binding.
15. **Amendments.** Any changes in the services to be performed under this Agreement shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by the C/CAG and the County of San Mateo's Director of the Office of Sustainability or his/her designated representative. No claim for additional compensation or extension of time shall be recognized unless contained in a duly executed amendment.
16. **Governing Law.** This Agreement shall be governed by the laws of the State of California, without regard to its choice of law rules, and any suit or action initiated by either party shall be brought in the County of San Mateo, California.

IN WITNESS WHEREOF, the parties hereto have affixed their hands on the day and year indicated.

SAN MATEO COUNTY ENERGY WATCH LOCAL GOVERNMENT PARTNERSHIP SCOPE OF WORK

- 1.0 Introduction - The City/ County Association of Governments (C/CAG) is committed to working with Pacific Gas and Electric (PG&E) and the County of San Mateo to continue the San Mateo County Energy Watch. The County of San Mateo will provide staff support functions for C/CAG.
- 2.0 C/CAG - PG&E Contract - C/CAG has executed a Master Service Agreement and Contract Work Authorization with PG&E, with a Scope of Work for PG&E for the San Mateo County Energy Watch 2016 through 2018 program cycle, attached hereto as Attachment A to this Scope of Work. This generally specifies the work that needs to be completed in calendar year 2016 and in many cases how it is to be completed. The requirements of Attachment A constitute the Scope of Work for County of San Mateo staff during the term of this agreement.
- 3.0 Cooperative Effort - This is a cooperative effort between the C/CAG as the Local Government Partner (LGP), the County of San Mateo, and PG&E. It is recognized that a good faith effort has been made to address the terms, conditions and scope of work. Since this is a cooperative effort it is likely there will be further changes to the terms, conditions and scope of work. C/CAG as the LGP, the County of San Mateo, agree to work in good faith with PG&E to address these issues as they develop.
- 4.0 Management Oversight – Under general guidance of the C/CAG Executive Director, County of San Mateo staff shall provide adequate reporting and information, and shall attend PG&E, C/CAG Board or other committee meetings as necessary to ensure that the San Mateo County Energy Watch is properly and effectively implemented.
- 5.0 Power of C/CAG Representation - County of San Mateo staff is granted the authority to represent C/CAG and the Local Government Partnership relative to implementation of the San Mateo Energy Watch with approval of the C/CAG Executive Director. However, any and all changes to the Scope of Work or local government partnership contracts must be approved and executed by C/CAG.
- 6.0 Payments - The referenced PG&E contract identifies the tasks and allowable associated cost reimbursement. Monthly, County staff will submit a cost reimbursement request to PG&E for consideration on behalf of C/CAG. C/CAG will reimburse the County for the full amount that is approved by PG&E, including all direct and indirect costs incurred by County of San Mateo during the performance of its contract duties to support the San Mateo County Energy Watch.
- 7.0 Historically, C/CAG has contracted with the County of San Mateo Department of Public Works for staff support the San Mateo County Energy Watch. Due to county reorganization,

staff supporting this program has been transferred to the Office of Sustainability. To retain the experience and knowledge gained by staff over the years, the parties understand and agree that those staff assigned to perform services under this Agreement shall be from the County of San Mateo, Office of Sustainability and may be reassigned by the County of San Mateo, subject to the provisions of Section 11 of this Agreement. Notwithstanding any other provision of this Agreement, if County of San Mateo changes the staff assigned to perform services under this Agreement from those staff that are assigned as of the date of execution of this Agreement, and such change is unsatisfactory to C/CAG, C/CAG may immediately terminate this Agreement.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Receive a copy of the executed Amendment (No. 1) to the agreement between C/CAG and Leslie Parks for facilitation services for the Water Committee in an amount not to exceed \$6,000.

(For further information, contact Sandy Wong at 650.599.1409)

RECOMMENDATION

That the C/CAG Board receive a copy of the executed Amendment (No. 1) to the agreement between C/CAG and Leslie Parks for facilitation services for the Water Committee in an amount not to exceed \$6,000.

FISCAL IMPACT

\$6,000.

SOURCE OF FUNDS

C/CAG General Fund.

BACKGROUND

At the February 2016 meeting, the Water Committee decided to use a trained facilitator to assist the committee in discussions to establish process, develop workplan and options leading to consensus and recommendation to C/CAG Board.

Staff performed research on potential facilitators and determined Leslie Parks is well qualified to perform the tasks required, and has knowledge in the subject matter as well as being familiar with San Mateo county jurisdictions.

On March 2, 2016, C/CAG entered into an agreement with Leslie Parks for said services in an amount of \$2,250. At the April 6, 2016 meeting, the Water Committee decided to continue the facilitated discussions and requested for additional services from Ms. Parks. On May 4, 2016, C/CAG Executive Director entered into Amendment No.1 to the agreement for services with Leslie Parks for three additional meetings in an additional amount not to exceed of \$6,000.

ATTACHMENT

LESLIE PARKS**

WHEREAS. the Board of Directors of the City County Association of Governments for San Mateo County (hereinafter referred to as C/CAG) and Leslie Parks (hereinafter referred to as Contractor) are parties to an agreement for meeting facilitation services dated March 2, 2016 (the "Existing Agreement"); and

WHEREAS. Under the Existing Agreement, Contractor facilitated meetings for C/CAG's Water Committee; and

WHEREAS. C/CAG desires additional facilitation services for its Water Committee; and

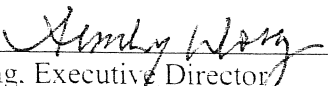

WHEREAS. Contractor submitted a revised scopes of work and budget of \$6,000 to facilitate three additional Water Committee meetings; and

WHEREAS. Contractor has reviewed and accepted this amendment to the Existing Agreement;

IT IS HEREBY AGREED by C/CAG and Contractor that:

1. Contractor will provide the additional facilitation services described in the attached Exhibit A (the "Addendum to Scope of Services" dated May 2, 2016) under the terms and conditions of the Existing Agreement, as amended hereby.
2. The funding provided to Contractor by C/CAG for the Extended Scope of Work will be no more than \$6,000.
3. The term of the Existing Agreement is unchanged.
4. Payment for the additional facilitation services detailed in the Exhibit A "Addendum to Scope of Services dated May 2, 2016" shall be on a lump sum basis upon completion of services.
5. All other provisions of the Existing Agreement shall remain in full force and effect.
6. The terms hereof amending the Existing Agreement shall take effect upon signature by both parties.

EXHIBIT A

Facilitation Proposal

Submitted to Sandy Wong, Executive Director, C/CAG

Context:

The City/County Association of Governments has established a Water Committee which serves as a forum for countywide discussions on water-related issues and advises C/CAG Board on collaborative strategies needed to manage these issues. Recently, this committee was charged with assessing the options, including the creation of a new agency or modification of an existing agency in order to efficiently manage regional water related issues with a collaborative approach, and to compete for federal and state funding.

The Water Committee desires to conduct facilitated discussions to establish consensus on its workplan, and eventually lead to a final recommendation to the C/CAG Board. This facilitation proposal provides a framework for the Committee's discussion that will, hopefully, lead to consensus for a recommendation.

Format:

The facilitation approach uses discussion activities that allow committee members to express their opinions verbally or in writing in order to achieve consensus by the end of the meeting(s). It is important that participants feel they had the opportunity to express their opinion even though the result may not be what they preferred. The facilitated discussion focuses on building group consensus on the criteria for measuring the three alternatives. Discussion is framed by:

Guiding Principles

1. The previously agreed upon outcome—*what entity or organizational structure is best to manage county-wide water issues using a collaborative approach*—will be reinforced with the Committee.
2. The group needs to move on from issues where there was lack of agreement.
3. The Group commits to producing a recommendation or outcome that is in the best interests of the county.

Consensus on Priorities

1. Identify the strengths and weaknesses of the three options.
2. Determine what conditions are needed for any option to succeed.
3. Identify major barriers to success.

Final Recommendation

Attain consensus on which option will best serve the needs of the region based on the following priorities:

- a. Has the greatest strengths and fewest weaknesses.
- b. Meets the conditions for success.
- c. Can overcome the key barriers.

Facilitation Cost: \$2250

- Preparation for two meetings including three planning calls with staff.
- Facilitation of two meetings on February 3 and March 2.
- Facilitator's travel time and mileage.
- C/CAG is requested to supply 2 adhesive backed flip charts and two stands. Consultant will provide other materials.
- Detailed agenda with specific activities to achieve the outcome will be provided prior to the meeting for review by C/CAG executive director.

Additional will be billed at hourly rate of \$195/hour

Addendum to Scope of Services

May 2, 2016

1. Facilitate three additional committee meetings based on previous agreed upon tasks and terms:
 - Preparation for three meetings including three planning calls with staff.
 - Facilitation of three meetings (anticipated to be May 4, June 1, and July 6, 2016)
 - Facilitator's travel time and mileage.
 - C/CAG is requested to supply 2 adhesive backed flip charts. Consultant will provide other materials.
 - Detailed agenda with specific activities to achieve the outcome will be provided prior to the meeting for review by C/CAG executive director.
 - Deliverables:
 - 1) Detailed agenda/work plan with outcomes for each facilitated meeting
 - 2) Written summary of outcomes for each meeting

2. Cost per meeting: \$2000
3. Total Cost: Not to exceed \$6000

C/CAG AGENDA REPORT

DATE: June 9, 2016

SUBJECT: Airport Land Use Compatibility Plan for the Environs of San Carlos Airport
Consistency Review – City of San Carlos, Meridian 25 Office Project

RECOMMENDATION

That the C/CAG Board of Directors, acting as the Airport Land Use Commission, determine that the City of San Carlos, Meridian 25 Office Project is conditionally consistent with the applicable airport/land use policies and criteria contained in the Airport Land Use Compatibility Plan for the Environs of San Carlos Airport (SQL ALUCP).

The Meridian 25 Office Project would become fully consistent once the following three conditions have been met:

- The Meridian 25 Office Project shall comply with the height limits as defined in the most recent Federal Aviation Administration (FAA) “Determination of No Hazard to Air Navigation” that corresponds with the actual building heights.
- The Meridian 25 Office Project shall comply with Airspace Protection Policy 6 of the SQL ALUCP.
- Avigation easements for the three newly created parcels shall be granted to the County of San Mateo as the proprietor of San Carlos Airport. The avigation easement to be used in fulfilling this condition is provided in Appendix E of the SQL ALUCP.

BACKGROUND

The City of San Carlos has referred the Meridian 25 Office Project to C/CAG, acting as the Airport Land Use Commission, for a determination of consistency with relevant airport/land use compatibility criteria in the SQL ALUCP. The project is subject to ALUC and C/CAG Board of Directors review, pursuant to PUC Section 21676.5 (a).

The project proposes the demolition of the six existing buildings and development of office uses on the project site. The project would consist of two equally-sized six-story, L-shaped Class A office buildings totaling 528,520 square feet. The height of the office buildings is proposed to be 97’-2” to the top of the roof screen and a maximum height of 100’ to the top of the equipment.

Parking for the project is proposed in a parking structure with three levels of below grade parking, one level at grade, and two levels of above grade parking to include a total of 1,510 parking spaces. The height of the parking structure is proposed to be 39’-8” to the highest point of the elevator tower. There are trees at the upper deck level that may grow above the height of the structure.

The office buildings would front onto Industrial Road and the parking structure would be located adjacent to U.S. 101. A landscaped amenity space approximately 1.7 acres in size is proposed at the center of the site. Landscaping and street trees would also be provided around the perimeter of the site.

At the May 26, 2016 C/CAG Airport Land Use Committee (ALUC) meeting the ALUC recommended that the C/CAG Board of Directors determine that the City of San Carlos, Meridian 25 Office Project is conditionally consistent with the applicable airport/land use policies and criteria contained in the Airport Land Use Compatibility Plan for the Environs of San Carlos Airport (SQL ALUCP).

DISCUSSION

I. ALUCP Consistency Evaluation

There are three airport/land use compatibility issues addressed in SQL CLUP that relate to the proposed Meridian 25 Office Project. These include: (a) consistency with noise compatibility policies, (b) safety criteria, and (c) airspace compatibility criteria. The following sections address each issue.

(a) Noise Policy Consistency Analysis

The SQL ALUCP uses the CNEL (Community Noise Equivalent Level) 60 dB noise contours for determining land use compatibility. The Meridian 25 Office Project is located between the CNEL 60 dB and CNEL 64 dB noise contours. Office buildings and parking structures are allowed uses between these Community Noise Equivalent Levels.

Based upon this analysis, the Meridian 25 Office Project is consistent with the SQL ALUCP noise policies.

(b) Safety Criteria

The California Airport Land Use Planning Handbook requires airport land use compatibility plans to include safety zones for each runway end. The SQL ALUCP includes 6 safety zones and related land use compatibility policies and criteria. The Meridian 25 Office Project is located inside of Safety Zone 6 established for the SQL ALUCP. Both offices and parking structures are allowed uses inside of Safety Zone 6

Therefore, the Meridian 25 Office Project is consistent with the SQL ALUCP safety policies.

(c) Height of Structures, Use of Airspace, and Airspace Compatibility

The SQL CLUP incorporates the provisions in Title 14 of the Code of Federal Regulations Part 77 (14 CFR Part 77), "Objects Affecting Navigable Airspace," as amended, to establish height restrictions and federal notification requirements related to proposed development within the 14 CFR Part 77 airspace boundaries for San Carlos Airport. The regulations contain three key elements: (1) standards for determining obstructions in the navigable airspace and designation of imaginary surfaces for airspace protection, (2) requirements for project sponsors to provide notice to the Federal Aviation Administration (FAA) of certain proposed construction or alteration of structures that may affect the navigable airspace, and (3) the initiation of aeronautical studies, by

the FAA, to determine the potential effect(s), if any, of proposed construction or alterations of structures on the subject airspace.

The City of San Carlos is located inside of the 14 CFR Part 77 horizontal, conical, primary, approach and transitional imaginary surface contours. The parcels for the Meridian 25 Office Project are located within the horizontal surface and transitional surface contours. The height for the imaginary surface established for the horizontal surface at the site location is 155 feet above mean sea level. The height for the imaginary surface for the transitional surface is at approximately 130 feet above mean sea level. The project parcels are located at 12 feet above mean sea level. The two office buildings are designed to be constructed at a maximum building height of 97'-2" and up to 100'-0" to the top of all appurtenances. The parking structure is designed to be constructed at 39'-8" to the top of the elevator tower, the highest point.

Under Federal law, it is the responsibility of the project sponsor to comply with all notification and other requirements described in 14 CFR Part 77. The project sponsor of the Meridian 25 Office Project has filed form 7460-1 *Notice of Proposed Construction or Alteration* with the Federal Aviation Administration (FAA) to determine whether the project will constitute a hazard to air navigation.

The project sponsor has obtained Determinations of No Hazard to Air Navigation from the FAA. However these determinations are based upon lower overall heights than they now plan for the structures included in the project. The heights limits established in the ALUCP would be higher than those currently prescribed in the attached Determinations of No Hazard to Air Navigation (for the two office buildings and the parking structure) based up the limits of 155' above mean sea level (155'-12' = 143' above ground level) for the conical surfaces and the approximately 130' above mean sea level (130'-12' = 118' above ground level) for the transitional surface.

Airspace Protection Policy 5 in the SQL ALUCP states that the lower of the two shall apply when considering both the imaginary surface heights established in the ALUCP and those established by a determination from the FAA. The project sponsor intends on submitting a revised form 7460-1 to the FAA to obtain new Determinations of No Hazard to Air Navigation for revised building heights for the office buildings and parking structure.

Airspace Protection Policy 6 provides that lands uses that may cause visual, electronic, navigational, or wildlife hazards, particularly bird strike hazards, to aircraft in flight or taking off or landing at San Carlos Airport are incompatible in Area B of the Airport Influence Area in which the project site lies.

Therefore, the Meridian 25 Office Project would be conditionally consistent with the airspace criteria as established in the adopted SQL ALUCP and shall comply with the most recent FAA Determination of No Hazard to Air Navigation that corresponds with the actual building heights and with Airspace Protection Policy 6 to obtain full consistency.

(d) Overflight

Overflight Policy 2 in the SQL ALUCP provides for an Overflight Easement Review Area. The Meridian 25 Office Project meets the criteria to be reviewed as it is inside of the 60 dB CNEL noise contour as depicted in Exhibit 4-2 of the SQL ALUCP. The Meridian 25 Office Project involves real property and also includes a Zoning Ordinance Amendment as part of the project approval and therefore shall be required to grant an aviation easement to the County of San Mateo, as the

proprietor of San Carlos Airport. The aviation easement to be used in fulfilling this condition is presented in Appendix E of the SQL ALUCP.

**** DETERMINATION OF NO HAZARD TO AIR NAVIGATION ****

The Federal Aviation Administration has conducted an aeronautical study under the provisions of 49 U.S.C., Section 44718 and if applicable Title 14 of the Code of Federal Regulations, part 77, concerning:

Structure:	Building Lot 1
Location:	San Carlos, CA
Latitude:	37-30-26.91N NAD 83
Longitude:	122-15-03.83W
Heights:	12 feet site elevation (SE)
	96 feet above ground level (AGL)
	108 feet above mean sea level (AMSL)

This aeronautical study revealed that the structure does not exceed obstruction standards and would not be a hazard to air navigation provided the following condition(s), if any, is(are) met:

It is required that FAA Form 7460-2, Notice of Actual Construction or Alteration, be e-filed any time the project is abandoned or:

- At least 10 days prior to start of construction (7460-2, Part 1)
 Within 5 days after the construction reaches its greatest height (7460-2, Part 2)

Based on this evaluation, marking and lighting are not necessary for aviation safety. However, if marking/lighting are accomplished on a voluntary basis, we recommend it be installed and maintained in accordance with FAA Advisory circular 70/7460-1 K Change 2.

The structure considered under this study lies in proximity to an airport and occupants may be subjected to noise from aircraft operating to and from the airport.

Any height exceeding 96 feet above ground level (108 feet above mean sea level), will result in a substantial adverse effect and would warrant a Determination of Hazard to Air Navigation.

This determination expires on 10/29/2016 unless:

- (a) the construction is started (not necessarily completed) and FAA Form 7460-2, Notice of Actual Construction or Alteration, is received by this office.
- (b) extended, revised, or terminated by the issuing office.
- (c) the construction is subject to the licensing authority of the Federal Communications Commission (FCC) and an application for a construction permit has been filed, as required by the FCC, within 6 months of the date of this determination. In such case, the determination expires on the date prescribed by the FCC for completion of construction, or the date the FCC denies the application.

NOTE: REQUEST FOR EXTENSION OF THE EFFECTIVE PERIOD OF THIS DETERMINATION MUST BE E-FILED AT LEAST 15 DAYS PRIOR TO THE EXPIRATION DATE. AFTER RE-EVALUATION OF CURRENT OPERATIONS IN THE AREA OF THE STRUCTURE TO DETERMINE THAT NO SIGNIFICANT AERONAUTICAL CHANGES HAVE OCCURRED, YOUR DETERMINATION MAY BE ELIGIBLE FOR ONE EXTENSION OF THE EFFECTIVE PERIOD.

This determination is based, in part, on the foregoing description which includes specific coordinates , heights, frequency(ies) and power . Any changes in coordinates , heights, and frequencies or use of greater power will void this determination. Any future construction or alteration , including increase to heights, power, or the addition of other transmitters, requires separate notice to the FAA.

This determination does include temporary construction equipment such as cranes, derricks, etc., which may be used during actual construction of the structure. However, this equipment shall not exceed the overall heights as indicated above. Equipment which has a height greater than the studied structure requires separate notice to the FAA.

This determination concerns the effect of this structure on the safe and efficient use of navigable airspace by aircraft and does not relieve the sponsor of compliance responsibilities relating to any law, ordinance, or regulation of any Federal, State, or local government body.

Any failure or malfunction that lasts more than thirty (30) minutes and affects a top light or flashing obstruction light, regardless of its position, should be reported immediately to (877) 487-6867 so a Notice to Airmen (NOTAM) can be issued. As soon as the normal operation is restored, notify the same number.

C/CAG AGENDA REPORT

Date: June 9, 2016

TO: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of Resolution 16-19 authorizing the C/CAG Chair to execute a Cooperative Agreement between C/CAG and County of San Mateo Department of Housing for Joint Workplan for Housing-Related Activities for FY 2016-17 in an amount not to exceed \$87,500.

(For further information or response to questions, contact Sandy Wong at 650-599-1409)

RECOMMENDATION

That the C/CAG Board review and approve Resolution 16-19 authorizing the C/CAG Chair to execute a Cooperative Agreement between C/CAG and County of San Mateo Department of Housing for Joint Workplan for Housing-Related Activities for FY 2016-17, in an amount not to exceed \$87,500.

FISCAL IMPACT

C/CAG has programmed \$87,500 for transportation-land use related activities in FY 2015-16.

SOURCE OF FUNDS

The funding source for this program is C/CAG Congestion Relief Plan Funds – Linking Housing with Transportation.

BACKGROUND

Beginning in FY2005-06, C/CAG has programmed funds to various activities that address the linkage between housing and transportation. In 2005, C/CAG championed an amendment of State law related to Housing Elements to enable formation of county-level subregions to allocate planned housing growth. In 2006, C/CAG commissioned a Housing Needs Study. In 2007 C/CAG published the Housing Needs Study, which quantified a projected housing shortfall of between 35,000 and 50,000 homes through 2025, particularly for lower- and moderate-income households. C/CAG then sponsored the County Department of Housing to produce and distribute a booklet and slideshow that reached approximately 1,000 opinion leaders countywide. In 2008, the C/CAG Board sanctioned formation of the State's first Regional Housing Needs Allocation subregion, and also directed staff to propose ways C/CAG might address the housing shortfall.

In 2009, C/CAG Board reviewed and approved staff proposals for housing-related activities in four broad topical areas: policy leadership, promotion of housing in transit corridor, cost-effective responses to State regulatory mandates, and local funding to meeting housing goals. The intent of all the proposed programs, taken together was stated as follows: C/CAG provides tools, technical support and financial incentives to help member jurisdictions plan and produce housing in the transit corridor, downtowns, station areas and El Camino Real of types and at densities that support frequent mass transit and reduce climate impact while strengthening local neighborhoods and the regional economy.

Some of these proposals were for major projects managed by C/CAG directly such as the Transit Oriented Development Housing Incentive Program and the Grand Boulevard Multimodal Transportation Corridor Plan. Other programs were to be managed by cooperating agencies with sponsorship by C/CAG, for example the Economic and Housing Opportunity Study (ECHO) by SamTrans, and the collection of activities proceeding under contract with San Mateo County Department of Housing (e.g., housing policy primer pamphlet series, RHNA Subregion, 21 Elements housing element update project). In 2014, the 21 Elements project received the “*Best Practices Award*” from the American Planning Association, California Chapter, Northern Section. Recently the San Mateo County Board of Supervisors presented 21 Elements, C/CAG, and the Department of Housing with a proclamation recognizing the outstanding work of the 21 Elements Project. The Board also included the 21 Elements Project in their recent “white paper” of key strategies to encourage the creation and preservation of affordable housing.

The proposed contract between C/CAG and San Mateo County Department of Housing is to continue support for the cost-saving countywide cooperative work program, known as the 21 Elements Project, to assist all jurisdictions to implement Housing Elements and develop effective on-going housing implementation policies and programs. During 2008 through 2010, C/CAG sponsored the first cycle of the 21 Elements project for the 2007-2013 Planning Cycle. Based on the success of that project, C/CAG then sponsored the project for the next (2014 – 2022) Planning Cycle. In FY 2012-13, Department of Housing entered into a three-year contract with Baird + Driskell Community Planning as lead contractor for the project; the Department of Housing also contributed funds to the project in each of those years. C/CAG contributed \$125,000 per year into that project in fiscal years 2012-13 and 2013-14, \$70,000 in the final fiscal year 2014-15. In 2015-16, C/CAG contributed \$87,500 to support the 21 Elements Project. It is now proposed to provide another \$87,500 for fiscal year 2016-17. The Department of Housing has enter into a two-year contract with Baird + Driskell Community Planning for FY 2015-17. The Department of Housing will contribute \$87,500 each year of this two-year contract and will also act in the capacity of fiscal agent and project manager.

RESOLUTION 16-19

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY AUTHORIZING THE C/CAG CHAIR TO EXECUTE THE COOPERATIVE AGREEMENT BETWEEN C/CAG AND COUNTY OF SAN MATEO DEPARTMENT OF HOUSING FOR JOINT WORKPLAN FOR HOUSING-RELATED ACTIVITIES FOR FY 2016/17 IN AN AMOUNT NOT EXCEED \$87,500.

Whereas, for more than fifteen years C/CAG has taken a leadership role in conducting or sponsoring countywide projects related to the housing/transportation/land-use nexus, notably including the 1997 Housing Needs Study, 2007 Housing Needs Study, Transit Oriented Development Housing Incentive Program, Transit Corridor Planning Grant program, Regional Housing Needs Subregion, and 21 Elements project through which all C/CAG member jurisdictions cooperated to complete the state-mandated update of their respective housing elements; and

Whereas, C/CAG and the San Mateo County Department of Housing (DOH) have coordinated workplans on these and other housing-related activities, and DOH has served as project manager for the RHNA Subregion and 21 Elements projects; and

Whereas, the 21 Elements project will enable C/CAG's member jurisdictions to meet State Housing Element annual reporting requirements in a more timely and cost-effective manner; and

Whereas, C/CAG has budgeted \$87,500 in funds to continue to sponsor the 21 Elements Project in FY2016-17 to assist all member jurisdictions to implement Housing Elements and develop effective on-going housing implementation policies and programs, and to continue collaboration with County of San Mateo Department of Housing on cost-saving countywide cooperative work program.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County authorizing the C/CAG Chair to execute the Cooperative Agreement between C/CAG and County of San Mateo Department of Housing for a Joint Workplan for Housing-Related Activities for FY 16-17 in an amount not to exceed \$87,500.

PASSED, APPROVED, AND ADOPTED THIS 9TH DAY OF JUNE 2016.

**COOPERATIVE AGREEMENT BETWEEN
CITY/COUNTY ASSOCIATION OF GOVERNMENTS
OF SAN MATEO COUNTY
AND SAN MATEO COUNTY (DEPARTMENT OF HOUSING)**

This Cooperative Agreement, effective as of July 1, 2016, is by and between the City/County Association of Governments of San Mateo County, a joint powers agency hereinafter called "C/CAG" and the County of San Mateo, by and through its Department of Housing, hereinafter called "DoH".

W I T N E S S E T H

Whereas, for more than fifteen years C/CAG has taken a leadership role in conducting or sponsoring countywide projects related to the housing/transportation/land-use nexus, including the 21 Elements project through which all C/CAG member jurisdictions cooperated to meet State Housing Element update requirements in a more timely and cost-effective manner and share "best practices" around housing and transit-oriented development; and

Whereas, C/CAG and the San Mateo County Department of Housing (DoH) have coordinated workplans on, among others, the 21 Elements Project (the "21 Elements Project"); and

Whereas, DoH has already entered into two multi-year contracts with Baird + Driskell Community Planning to conduct the 21 Elements Project: the first, executed on November 1, 2012, was a three-year contract in the amount of \$400,000, which was amended on September 17, 2013 to increase to the not-to-exceed amount of \$499,870; and the second, executed on June 16, 2015, was a two-year contract for FY's 2015-16 and 2016-17 for the not-to-exceed amount of \$400,000, of which DoH agreed to contribute \$87,500 in each of fiscal years 2015-16 and 2016-17; and

Whereas, C/CAG contributed \$125,000 per year in fiscal years 2012-13 and 2013-14, \$70,000 in fiscal year 2014-15, and \$87,500 in fiscal year 2015-16 to sponsor the 21 Elements Project; and

Whereas, C/CAG wishes to continue to partner with DoH for the second year of DoH's FY 2015-17 contract with Baird + Driskell for the purpose of supporting the 21 Elements Project; and

Whereas, C/CAG now desires to program \$87,500 of "Congestion Relief Plan—Linking Housing with Transportation" funds to continue to sponsor the 21 Elements Project in FY 2016-17.

NOW, THEREFORE, IT IS HEREBY AGREED by the parties as follows:

1. Services and Activities.

A. DoH will coordinate and cooperate with C/CAG to conduct the 21 Elements Project. The services will be performed by Baird + Driskell Community Planning (BDGP) under contract with, and supervision of, DoH. The scope of the services to be provided by BDGP is described in its final scope of work dated June 29, 2015 and provided to DoH and C/CAG,

C/CAG AGENDA REPORT

Date: June 9, 2016

To: City/County Association of Governments Board of Directors

From: Sandy Wong, C/CAG Executive Director

Subject: Review and approval of Resolution 16-20 authorizing the C/CAG Chair to execute an agreement with the San Mateo County Superintendent of Schools to administer and manage the Countywide Safe Routes to School Program in an amount not to exceed \$564,711 for FY16/17

(For further information contact Jeffrey Lacap 650-599-1455)

RECOMMENDATION

That the C/CAG Board review and approve of Resolution 16-20 authorizing the C/CAG Chair to execute an agreement with the San Mateo County Superintendent of Schools to administer and manage the Countywide Safe Routes to Schools Program in an amount not to exceed \$564,711 for FY16/17.

FISCAL IMPACT

Up to \$564,711 (FY16/17).

SOURCE OF FUNDS

\$252,000 in Surface Transportation Program/Congestion Management and Air Quality (STP/CMAQ) and \$312,711 to be provided from Measure M (\$10 Vehicle Registration Fee).

BACKGROUND/DISSION

The overall goal of the San Mateo County Safe Routes to School Program (Program) is to enable and encourage children to walk or bicycle to schools by implementing projects and activities to improve health and safety, and also reduce traffic congestion due to school-related travels. The Program, initiated in June 2011, is funded by a combination of federal funds received from the Metropolitan Transportation Commission's (MTC's) Regional Safe Routes to School Program and local Measure M (\$10 Vehicle Registration Fee). In addition to providing student safety education, outreach, encouragement, and evaluation activities, the Program includes performing walk and bike audits to document factors that impacts safe walking and bicycling as well as traffic congestion attributed to school-related travels.

In June 2013, C/CAG entered into a 3-Year funding agreement (FY 2013/14 through FY 2015/16) with the San Mateo County Office of Education (COE) in the amount of \$2,992,000 to serve as the agency managing the day-to-day operations and project implementation activities for the Program. The funding provided by MTC for FY 2013/14 through FY 2015/16 was under the OBAG 1 (One Bay Area Grant) program. FY 16/17 serves as an extension year to the program. The COE will assume the same role as managing the day-to-day operations.

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, C/CAG is the designated Congestion Management Agency (CMA) responsible for the development and implementation of the Congestion Management Program for San Mateo County; and

WHEREAS, C/CAG was provided \$252,000 in funding from the federal Surface Transportation Program (STP) and/or Congestion Mitigation and Air Quality Improvement (CMAQ) program by the Metropolitan Transportation Commission (MTC) for the San Mateo County Safe Routes to School (SRTS) Program; and

WHEREAS, the overall goal of the SRTS Program is to enable and encourage children to walk or bicycle to schools by implementing projects and activities to improve health and safety; and

WHEREAS, as the CMA for San Mateo County, C/CAG will administer the SRTS funding for the county, serving as the fiscal agent for the Program; and

WHEREAS, C/CAG has determined that the San Mateo County Superintendent of Schools will serve as the lead agency to implement the SRTS program for San Mateo County.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County that the Chair is authorized to execute a funding agreement with the San Mateo County Superintendent of Schools in the amount not to exceed \$564,711. This agreement is attached hereto and is in a form that has been approved by C/CAG Legal Counsel.

**FUNDING AGREEMENT
BETWEEN
CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY
AND
SAN MATEO COUNTY SUPERINTENDENT OF SCHOOLS
FOR
SAFE ROUTES TO SCHOOL PROGRAM**

THIS AGREEMENT, entered into this _____ day of _____ 2016, by and between the City/County Association of Governments of San Mateo County, a Joint Powers Agency, hereinafter called "C/CAG" and the San Mateo County Superintendent of Schools, hereinafter called "SUPERINTENDENT".

WITNESSETH

WHEREAS, C/CAG is a joint powers agency formed for the purpose of preparation, adoption and monitoring of a variety of county-wide state-mandated plans; and

WHEREAS, the SUPERINTENDENT provides leadership and support to public schools in San Mateo County through its three Divisions: Instructional Services, Fiscal and Operational Services, and Student Services; and

WHEREAS, C/CAG received \$252,000 in Surface Transportation Program / Congestion Mitigation and Air Quality (STP/CMAQ) funds from the Metropolitan Transportation Commission Climate Initiative Program for the development and implementation of a Safe Routes to School Program (SRTS) in San Mateo County (the "Program"); and

WHEREAS, the total cost of the Program is estimated to be \$564,711, including the C/CAG matching funds in the amount of \$312,711; and

WHEREAS, the overall goal of the Program is to enable and encourage children to walk or bicycle to schools by implementing projects and activities to improve health and safety, and also reduce traffic congestion due to school-related travels; and

WHEREAS, C/CAG has determined that the SUPERINTENDENT will serve as the Lead Educational Agency (LEA) to implement the Program; and

WHEREAS, C/CAG and SUPERINTENDENT desire to enter into a formal agreement to specify the work scope for the SRTS Program and agree that C/CAG shall provide funds for the development of the Program.

NOW, THEREFORE, IT IS HEREBY AGREED by the parties hereto, as follows:

SCOPE OF SERVICES

SUPERINTENDENT shall serve as the lead agency for implementation of the Program in San Mateo County. The Scope of Work to be performed by the SUPERINTENDENT is described in Exhibit A attached hereto.

TIME OF PERFORMANCE

The services funded by this agreement shall commence on or after full execution of this agreement and after C/CAG receives an "Authorization to Proceed"(a federal authorization of funds), and shall terminate on October 1, 2017, unless terminated earlier as provided herein. Either party may terminate the Agreement without cause by providing sixty (60) days advance written notice to the other party.

FUNDING AND METHOD OF PAYMENT

- a) C/CAG agrees to reimburse SUPERINTENDENT up to \$564,711 for the development and implementation of the SRTS Program in San Mateo County.
- b) SUPERINTENDENT shall submit billings, on a quarterly basis, accompanied by the activity reports and paid invoices issued by consultants or progress payments as proof that services were incurred or rendered and paid for by the SUPERINTENDENT. Upon receipt of the invoice and its accompanying documentation, C/CAG shall pay the amount claimed under each invoice, up to the maximum amount described by this agreement, within thirty (30) days of receipt of the invoice, delivered or mailed to C/CAG as follows:

City/County Association of Governments
555 County Center, 5th Floor
Redwood City, CA 94063
Attention: Jeffrey Lacap

- c) Subject to duly executed amendments, it is expressly understood and agreed that in no event will the total funding commitment under this agreement exceed \$564,711, unless revised in writing and approved by C/CAG and SUPERINTENDENT.

AMENDMENTS

Any changes in the services to be performed under this Agreement shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by C/CAG and SUPERINTENDENT. No claim for additional compensation or extension of time shall be recognized unless contained in a duly executed amendment.

NOTICES

All notices or other communications to either party by the other shall be deemed given when made in writing and delivered or mailed to such party at their respective addresses as follows:

EXHIBIT A

SCOPE OF WORK

Purpose of the Partnership

The San Mateo County Office of Education (SMCOE), also referred to as the San Mateo County Superintendent of Schools, will serve as the Lead Educational Agency (LEA) for the implementation of a Safe Routes to Schools (SRTS) Program in San Mateo County.

The City/County Association of Governments (C/CAG) of San Mateo will provide the funding for the project and will hold the San Mateo County Office of Education accountable for carrying out the activities described in this Scope of Work.

C/CAG and SMCOE have a joint interest in ensuring that schools and community agencies effectively implement projects that enable them to use the Federal Surface Transportation Program and Congestion Mitigation & Air Quality Improvement (STP/CMAQ) Program funds productively on behalf of students and the community.

Goal

The overall goal of the project will be to make San Mateo County a healthier, safer, more sustainable, environmentally sound community with better air quality, less traffic congestion, more physically fit students and adults who are well-served by schools and other agencies working collaboratively.

Guiding Principles

In carrying out its responsibilities, SMCOE will adhere to the following guiding principles:

- SMCOE will work collaboratively with C/CAG, schools, cities and all partner agencies.
- The project will recognize the important role of volunteers (such as PTA members and others) in SRTS and will support and promote their involvement.
- The project will build upon existing successful models and programs and provide schools with a range of alternatives they can implement, based on their needs and interests.
- Schools will be provided with sufficient resources and support to implement site-based programs successfully.
- Participating schools will be provided with clear directions and parameters so that they can operate their programs according to the funding regulations.
- SMCOE will use data to guide program planning and evaluation.
- SMCOE will maintain on-going communication and outreach, to ensure that interested parties have the opportunity to be involved and to have their voices heard during implementation.

Outcomes

The specific measurable outcomes of the project will include but are not limited to:

- More favorable attitudes toward walking, biking, carpooling and the use of public transit to school, on the part of students, parents and volunteers.
- Increased numbers of students walking, biking, carpooling and utilizing transit as means of travelling to and from school.
- Increased levels of student, parent and volunteer participation in education and encouragement activities related to healthy and environmentally sound lifestyles.
- Decreased traffic and congestion around schools, one byproduct of which will be improved air quality.

Project Management Approach

SMCOE's approach to project management is to combine three elements: centralized leadership and technical assistance; networks of collaboration and support; and services delivered to school sites in support of program activities that meet local needs and priorities.

Centralized Leadership and Technical Assistance

SMCOE will provide overall direction, timelines and implementation regulations; be responsible for fiscal management and monitoring; and conduct the project evaluation. It will use its existing relationships with school district personnel and its established administrative systems to establish and implement the SRTS project. In addition, it will use its regional and statewide contacts with agencies in other counties to share resources and best practices related to county SRTS projects, transportation initiatives, and health.

Networks of Collaboration and Support

Networks of collaboration will be developed at county and local levels. At the County level, a collaborative network will be fostered among agencies such as city governments, the County Health System, and community organizations through the Policy Advisory Committee.

At the local level, collaboration will be facilitated through two networks, which include the SRTS Operations Committee and district level task forces. The Operations Committee will include district and site level SRTS Coordinators who shall share best practices and engage in collaborative problem solving and planning conversations. District task forces shall operate at the school district level and may include, but are not limited to parents and representatives from local schools, the city, the district, and public health.

Networks of collaboration will be further developed at the school level. Each school participating in the project will have a Site Team that plans and carries out the implementation activities. These Site Teams would include representatives from the school community and other agencies. Volunteers from organizations such as Site Councils and PTAs may have large roles in site activities.

Local Services

Local school sites, through engagement with staff, Site Councils, PTAs and similar groups, will design, schedule and implement the specific activities that meet the needs of their students and families and help to achieve the overall goals of the project. Site support services will be delivered either by SRTS project staff or by school staff or consultants, funded by the project.

Governance

SMCOE will be accountable to C/CAG for achieving the goals and outcomes of the project, developing detailed annual action plans and line item budgets, meeting timelines and operating within the budget.

SMCOE will hire staff to manage the project and its budget, be responsible for implementation and submit timely reports. SMCOE will also enter into binding agreements with schools to provide them the resources to carry out their action plans.

SMCOE will convene two Advisory Committees (Policy and Operations) to help ensure that the SMCOE receives guidance, input and feedback from a cross-section of the entire community on whose behalf the initiative is being implemented.

The Policy Advisory Committee will advise C/CAG and SMCOE on the direction of the project and on related infrastructure grants and strategic issues, thus helping to create a community-wide, holistic approach to a healthier, safer, more sustainable San Mateo County. Members of the Policy Advisory Committee will include elected officials; people who have leadership positions with various partner agencies, who may include, but is not limited to: C/CAG; the San Mateo Health System; the Metropolitan Transportation Commission; municipal government; law enforcement; other community leaders; etc.

The SRTS Operations Committee will provide a means of internal communication among service providers and the clients served at school sites. It will also offer input and feedback on program activities. Members of the Operations Committee will be the designated SRTS Coordinator for the district or site.

Staffing

SMCOE will staff the project with a County SRTS Project Coordinator, a part-time administrative assistant and part-time SRTS Specialist whose responsibilities will be to deliver services to the Networks and school sites. The budget will also include funds for program consultants who work on specialized tasks and an evaluator, as needed.

Project Management Strategies

Outlined below are the project management strategies that SMCOE will use to support project development pursuant to this Agreement.

- Develop job description, recruit, and hire the Project Specialist.
- Foster relationships with school and agencies that have existing Safe Routes or similar programs to gather ongoing input regarding best practices.
- Conduct public information activities that involve media releases and updating the Safe Routes web page on the County Office's Web site.
- Foster collaborative networks.
- Complete and submit quarterly activity reports to C/CAG.
- Implement network and site plans and bring additional schools into the project.
- Approve and fund action plans for implementation.
- Conduct 2013 annual evaluation and submit report to C/CAG.
- Plan and deliver project training, based upon the needs and interests of participants and key stakeholders.
- Make project modifications, as needed.
- Pursue additional sources of funding to expand the project scope and reach.

Budget

Estimated Income

The funding model is based on an estimated budget of \$564,711 that includes \$252,000 of STP/CMAQ funds and an additional \$312,711 of local funds provided by C/CAG.

Timeframe

The development and implementation of the San Mateo SRTS Program FY 16-17 is planned for an approximate 12-month period (July 2016 – June 2017).

Annual Expenditures

The annual expenditure estimates over the 12-month life of the project (July 2016 – June 2017) are summarized below. These expenditures are organized on a July 1 – June 30 Fiscal Year basis that matches the budget cycles of both County agencies and school districts (including SMCOE). Once the formal contract is signed, the County Office of Education will develop an itemized line item budget for approval by C/CAG.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of Resolution 16-23 authorizing the C/CAG Chair to execute an agreement between the C/CAG and Commute.org in the amount of \$510,000 from the Congestion Relief Plan to provide the Countywide Voluntary Trip Reduction Program for FY 2016/2017

(For further information or response to questions, contact Tom Madalena at 650-599-1460)

RECOMMENDATION

That the Board review and approve Resolution 16-23 authorizing the C/CAG Chair to execute an agreement between the C/CAG and Commute.org in the amount of \$510,000 from the Congestion Relief Plan to provide the Countywide Voluntary Trip Reduction Program for FY 2016/2017.

FISCAL IMPACT

There is up to \$510,000 in the budget for the Countywide Voluntary Trip Reduction Program under the Congestion Relief Plan (CRP) for FY 16/17. This FY 16/17 funding for Commute.org shall be subject to the approval of the C/CAG budget adoption at the June 9, 2016 Board of Directors meeting.

SOURCE OF FUNDS

The funds under the Congestion Relief Plan are derived from C/CAG Member Agency assessments.

BACKGROUND

Commute.org, formerly known as the Peninsula Traffic Congestion Relief Alliance, operates the Countywide Voluntary Trip Reduction Program to assist private and public sectors with Transportation Demand Management (TDM) by connecting their employees and customers with transportation systems that provide an alternative to driving single occupant vehicles. This program is jointly funded with revenues from C/CAG under the Countywide Congestion Relief Plan, Transportation Fund for Clean Air Program (TFCA) and the San Mateo County share of the Regional Ridesharing and Bicycling Program (RRBP).

The June 9, 2016 C/CAG Board of Directors meeting includes funding under the Congestion Relief Plan budget which is allocated for Countywide Transportation Demand Management (TDM) work. This work is performed in San Mateo County by Commute.org through the Countywide Voluntary Trip Reduction Program.

The June 9, 2016 C/CAG Board meeting also includes the item on the pass through of the MTC Regional Ridesharing and Bicycling Program funds to Commute.org in the amount of \$70,000 for FY 2016/2017.

At the February 11, 2016 C/CAG Board meeting the Board approved the Transportation Fund for Clean Air Program funding for Commute.org in the amount of \$525,000 for FY 2016/2017 for the Countywide Voluntary Trip Reduction Program.

The Draft Scope of Work outlining the activities performed under the Countywide Voluntary Trip Reduction Program is included as an attachment to this report and is available for review in draft format at <http://ccag.ca.gov/committees/board-of-directors/>.

The CRP funding agreement shall be in a form to be approved by C/CAG Legal Counsel and is available for review in draft format at <http://ccag.ca.gov/committees/board-of-directors/>.

RESOLUTION 16-23

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY (C/CAG) AUTHORIZING THE C/CAG CHAIR TO EXECUTE AN AGREEMENT BETWEEN C/CAG AND COMMUTE.ORG IN THE AMOUNT OF \$510,000 FROM THE CONGESTION RELIEF PLAN TO PROVIDE THE COUNTYWIDE VOLUNTARY TRIP REDUCTION PROGRAM FOR FY 2016/2017.

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG); that,

WHEREAS, the Board of Directors of the City/County Association of Governments at its June 9, 2016 Board meeting approved the fiscal year 2016/2017 budget including the Countywide Transportation Demand Management (TDM) program under the Congestion Relief Plan, and

WHEREAS, the Countywide Voluntary Trip Reduction Program is sponsored by Commute.org, and

WHEREAS, it is necessary for C/CAG to enter into a funding agreement with the Peninsula Traffic Congestion Relief Alliance for Congestion Relief Plan funding, setting forth the responsibilities of each party.

NOW THEREFORE BE IT RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County that on behalf of C/CAG the Chair is authorized to enter into a funding agreement with Commute.org in the amount of \$510,000 from the Congestion Relief Plan.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: City/County Association of Governments Board of Directors

From: Sandy Wong, Executive Director

Subject: Receive an update of the California Transportation Commission (CTC) adopted 2016 State Transportation Improvement Plan (STIP).

(For further information or response to questions, contact Jean Higaki at 650-599-1462)

RECOMMENDATION

That the C/CAG Board receives an update of the California Transportation Commission (CTC) adopted 2016 State Transportation Improvement Plan (STIP).

FISCAL IMPACT

No direct impact to the C/CAG budget.

SOURCE OF FUNDS

The 2016 State Transportation Improvement Program (STIP) fund will come from State and Federal fund sources.

BACKGROUND

The 2016 STIP for San Mateo County was approved by the C/CAG Board on November 11, 2015 and submitted to the Metropolitan Transportation Commission (MTC) to be included in the Bay Area regional 2016 STIP proposal. On December 16, 2015 the MTC commission adopted the bay area STIP proposal and sent it to the California Transportation Commission (CTC) in late 2015. This proposal had zero additional programming capacity but moved existing funding between projects.

The CTC was scheduled to adopt the 2016 STIP in mid-March however, on January 21, 2016; the CTC approved a revised fund estimate which reduced the STIP by \$754 million. This reduction is a result of reduced gas prices exacerbated by the annual gas tax swap adjustments. Because several other counties throughout the state do not have a capacity to reduce, counties and regions that had capacity were forced to make further reductions to their program.

In January 2016, the CTC sent a letter to the state legislature regarding the state transportation funding crisis and urging the legislature to develop a funding solution. C/CAG also sent a letter urging for a legislative solution to address this funding issue as well. C/CAG sent letters of appeal to both MTC and the CTC. A joint letter from Assemblyman Mullin and Senator Hill in support for San Mateo County.

On May 18, 2016 the CTC adopted the 2016 STIP using the reduced fund estimate. San Mateo County was ultimately cut ~\$27.6 mil from the 2016 STIP. The following actions were adopted under this proposal:

- \$18.2 mil for the US 101/ SR 92 was pushed outside the 2016 STIP years.
- \$9.4 mil requested for the US 101 Managed Lane project pre-construction phase was denied.
- \$8 mil proposed for Willow Road Interchange construction support was pushed out from FY16/17 to FY 17/18.
- \$5 mil proposed for the SR 92/ SR 82 Interchange construction phase was pushed out from FY 16/17 to FY 17/18.
- \$6.9 mil for the Calera parkway project was pushed out from FY 16/17 to FY 18/19.
- All phases of the Countywide ITS project was pushed out by one fiscal year.

Attached is the adopted 2016 STIP as recommended by CTC staff.

RE: Request for funding \$9.399 million in STIP funds for US 101 HOV/Express Lanes Project

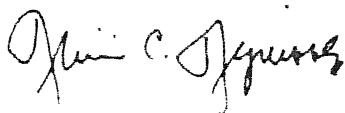

Dear Chair Alvarado:

We strongly urge the CTC to program \$9.399 million in STIP funding for the next phase of the "US 101 HOV/Express Lanes" project. The City/County Association of Governments of San Mateo County (C/CAG) is the Congestion Management Agency for San Mateo County. In response to the CTC direction of a \$754 statewide reduction in programming, C/CAG cooperated with the Metropolitan Transportation Commission (MTC) in proposing a \$71 million postponement package from the Bay Area region. The MTC's recommended \$71 million package included \$18 million from San Mateo County, which is much larger than San Mateo County's fair share of the statewide reduction. We cooperated, with the understanding that the "US 101 HOV/Express Lanes" project will be programmed in the 2016 STIP

The "US 101 HOV/Express Lanes" project is the highest priority project in San Mateo County in that it has the largest countywide and regional impacts. This segment of the US 101 corridor connects the Silicon Valley and San Francisco, with SFO and two bridges connecting to the East Bay in between. It is arguably the backbone corridor for the most economically productive area in the State. In recent years, this corridor has experienced a drastic increase in congestion. If it is not fixed in a timely manner, it will result in severe negative impacts to our local community as well as enormous negative regional and statewide economic impacts.

While this project may be considered a new project from STIP standpoint, C/CAG, the San Mateo County Transportation Authority, the Metropolitan Transportation Commission, and California Department of Transportation (Caltrans) have been collaborating on this project for several years to-date. Moreover, San Mateo county spent its own local funds to pay for the Project Initiation Document and the Environmental phases of this project. Thus far, a total of \$14 million has been spent and or committed to the early phases of this project. This project also has garnered true public-private partnership.

We strongly urge you to program \$9.399 million in the 2016 STIP for this project.
Sincerely,

Alicia C. Aguirre, Chair of C/CAG

Dear Ms. Aguirre:

Thank you for your letter of April 19, 2016 regarding the reduction of State Transportation Improvement Program (STIP) funding and your concern for the STIP project(s) in your area. Many communications similar to yours have been received and the Commission is actively assessing the overall program situation.

As you know, the Commission is required by law to adopt an estimate of the amount of funding expected to be available over the five-year STIP period. The amount of funding estimated for the 2016 STIP identified a \$1.5 billion funding shortfall in the amount required to meet project funding commitments made in the 2014 STIP for fiscal years 2016-17 through 2018-19. As a result, the Commission must rescind \$754 million from previously committed projects and delay \$755 million in remaining projects to fiscal years 2019-20 and 2020-21.

To identify projects for deletion or delay in the 2016 STIP, the Commission consulted with the Regional Transportation Planning Agencies and Caltrans. The staff recommendations, released on April 22, 2016, were based on criteria including (1) no new programming, (2) no increases except in limited circumstances, (3) geographic equity, and (4) Commission priorities approved at the December 2016 Commission meeting. The staff recommendations will be considered for adoption by the Commission at the May 18-19, 2016 Commission meeting.

Should you have additional questions, please contact Susan Bransen, Commission Executive Director, at (916) 654-4245.

Sincerely,

RE: Request for \$9.399 million in 2016 STIP funds for US 101 HOV/Express Lanes Project

Dear Chair Alvarado:

We are writing today to strongly urge the California Transportation Commission (CTC), at its upcoming May meeting, to program \$9.399 million in STIP funding for the next phase of the "US 101 HOV/Express Lanes" project in San Mateo County. In response to the CTC's direction to reduce \$754 in programming statewide, San Mateo's Congestion Management Agency - the City/County Association of Governments (C/CAG) - worked with the Metropolitan Transportation Commission (MTC) and the San Mateo County Transportation Authority in proposing a \$71 million postponement package from the Bay Area. MTC's recommended \$71 million package includes \$18 million in projects from San Mateo County, which is much larger than San Mateo County's fair share of the statewide reduction. San Mateo County delayed \$18 million in projects with the hope of seeing the next phase of the "US 101 HOV/Express Lanes" project programmed in the 2016 STIP.

The "US 101 HOV/Express Lanes" project is the highest priority project in San Mateo County in that it has substantial countywide and regional impacts. This segment of the US 101 corridor connects the Silicon Valley and San Francisco, with SFO and the East Bay (via connecting bridges). Arguably, this corridor serves as the backbone for the most economically productive area in the State. In recent years, this corridor has experienced a drastic increase in congestion due to an influx of jobs to the region. If congestion on the corridor is not addressed in a timely manner, it will result in further negative impacts to the residents of San Mateo County, as well as increase the potential for adverse regional and statewide economic impacts.

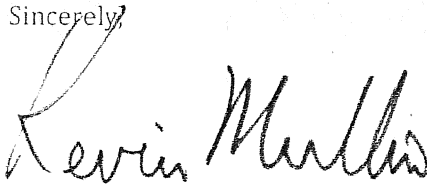

While this project may be considered a new project from a STIP standpoint, C/CAG, the San Mateo County Transportation Authority, MTC, and the California Department of Transportation (Caltrans) have been collaborating on this project for several years. Moreover, San Mateo County spent local funds to pay for the Project Initiation Document and the environmental review phase of this project. Thus far, a total of \$14 million has been

spent and/or committed to the early phases of this project. This project has also laid the groundwork for a public-private partnership (P3). A number of companies along the corridor have expressed an interest in contributing to the cost of the project in exchange for near-term improvements in the corridor resulting in shorter travel times for their workforce.

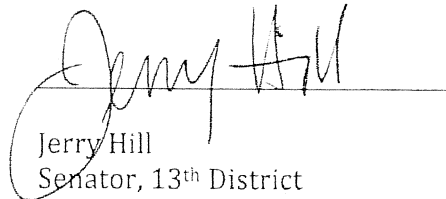

In addition, we understand that the Willow Interchange reconstruction project and SR 92/ El Camino Real (SR 82) are both recommended to be delayed to the 2017-18 fiscal year. These projects are both ready to begin construction and have a majority of funding already committed. Delaying the delivery of these projects may result in added costs and could put other leveraged funds at risk.

We, as representatives of San Mateo County, strongly urge you to program \$9.399 million in the 2016 STIP for additional planning for this project and keep our county's shovel-ready projects on track. We recognize the dire situation our state's transportation funding is currently in and will do anything we can to help craft a long-term funding solution to ensure that our transportation infrastructure is maintained and supportive of the growing needs of our state. RE: 2016 STIP Staff Recommendations – Additional Cuts

Dear Chair Alvarado,

The Metropolitan Transportation Commission (MTC) is writing in response to the California Transportation Commission's (CTC's) staff recommendations for the 2016 State Transportation Improvement Program (STIP). In January, CTC adopted a revised STIP Fund Estimate that called for a reduction in programming due to a projected \$754 million revenue shortfall.

Following the adoption of the revised Fund Estimate, CTC requested regions to "volunteer" project cuts in proportion to their share of the STIP. MTC responded to this request in good faith, identifying over \$71 million in potential project deferrals amounting to a 30% reduction of our region's proposed 2016 Regional Transportation Improvement Plan (RTIP). Despite MTC's good faith efforts, CTC's staff recommendations call for an additional cut of \$44 million in the Bay Area, which amounts to a total of \$115 million in project deferrals (or 48% of our RTIP).

CTC staff's current recommendations dictate that the nine counties of the Bay Area shoulder the most deletions above its target of any region – more than even Caltrans's Interregional Transportation Improvement Program (ITIP). The MTC region's new deletion amount of \$115 million exceeds our original target for deletion by \$19 million. By comparison, the ITIP – which represents 25% of the STIP – will exceed its deletion target by \$11 million.

Among the large MPOs, the Southern California Association of Governments (SCAG) region, led by Los Angeles, fell short of its target by almost \$33 million. Similarly, smaller counties outside of the large MPOs as a whole missed their target by \$14 million.

We firmly believe that no region of the state should be asked to shoulder more than its fair share of the STIP shortfall. No project sponsor ever wants to see its most important projects cut or delayed for any reason, but in the face of this present revenue crisis the burden must be shared equitably.

To preserve fairness in the process and honor regional choice, MTC recommends that 2016 RTIP projects submitted by the regional agencies to the CTC but not accepted in the 2016 STIP due to reduced STIP capacity be prioritized for future STIP funding. In the Bay Area's case, MTC submitted new RTIP projects replacing existing STIP projects, yet they were rejected by CTC for inclusion in the 2016. This resulted in MTC's deleted STIP share far exceeding the deletion target for the region. These projects should have priority for future STIP funding capacity if they are proposed in the next RTIP.

We continue to stand ready to work with you to adjust the proposal in a fair and reasonable manner. Furthermore, we reiterate our previous point that the STIP revenue crisis could be averted entirely with prompt legislative action.

If you have any questions on this matter, please contact Anne Richman, Director of Programming and Allocations at 510-817-5722.

Sincerely,

Steve Heminger

BACKGROUND

The Bay Area Stormwater Management Agencies Association (BASMAA) is a 501(c)3 non-profit organization representing stormwater management programs throughout the Bay Area. BASMAA was created in the early 1990s as an informal association of countywide stormwater programs in response to issuance by the San Francisco Bay Regional Water Quality Control Board (Water Board) of countywide municipal stormwater permits as a forum for regional collaboration on stormwater compliance issues. This included jointly funding regional stormwater projects. BASMAA formally incorporated as a not-for-profit organization when the Water Board issued the Municipal Regional Permit (covering 76 municipalities in San Mateo, Santa Clara, Alameda, and Contra Costa Counties, plus the cities of Vallejo, Fairfield, and Suisun City) to enable pursuit of grant funding and in anticipation of the need to implement more regional projects under a regional stormwater permit.

C/CAG, via its Countywide Water Pollution Prevention Program (Countywide Program), has participated in BASMAA since its inception. Upon incorporation as a non-profit, the C/CAG Countywide Program became an official member of BASMAA, with C/CAG's Countywide Program

manager representing C/CAG on the BASMAA Board of Directors. Other members include the countywide stormwater programs from Santa Clara, Alameda, Contra Costa, Napa, and Marin Counties, and the Fairfield-Suisun Urban Runoff Management Program, the Vallejo Sanitation and Flood Control District, and the Sonoma County Water Agency. C/CAG pays annual population-based membership dues (approximately \$32,000) to BASMAA to cover the cost of an Executive Director and overall association management.

When the Municipal Regional Permit went into effect, the BASMAA Board of Directors identified a significant number of permit compliance tasks that could be done more efficiently and cost-effectively at the regional level. BASMAA committees developed project concepts and the various countywide programs funded their population-based shares of the projects either via cash contributions to BASMAA or through in-kind consulting services. These projects enabled BASMAA members to meet compliance mandates in the regional permit at a reduced cost (C/CAG pays approximately 14% of regional projects based on its pro-rata population-based share). C/CAG covered its share of regional projects primarily through in-kind consulting services by its main technical consultant, EOA, Inc. Gradually, however, BASMAA has moved away from allowing in-kind project funding to a model in which BASMAA contracts directly with consultants and countywide programs provide cash payments for their share of each project. As such, C/CAG incurred a certain amount of cash liability to BASMAA for its share of projects following the shift away from in-kind services.

C/CAG's total share of regional projects conducted through BASMAA during the first term of the Municipal Regional Permit was \$624,486 for approximately \$4.5 million covering 60 regional projects. Upon "closing the books" on all BASMAA projects from 2009-10 through 2014-15 (first five-year Municipal Regional permit term), BASMAA calculated C/CAG's outstanding cash share for these projects to be \$120,523. In addition, C/CAG's share for BASMAA projects for 2015-16 is \$20,438, for a grand total of \$140,961.

Now that BASMAA is doing all of its regional projects through cash contributions, C/CAG staff recognizes the current approach for engaging the C/CAG Board in approving C/CAG's obligations to BASMAA is somewhat inadequate and therefore plans to bring a formal funding agreement with BASMAA for C/CAG Board consideration at the August meeting to enable C/CAG Board approval of C/CAG's annual share of regional projects in conjunction with approving the annual budget. However, to cover C/CAG's existing financial obligations for already completed (and nearly completed for Fiscal Year 2015-16) projects, C/CAG staff recommends approval of Resolution 16-26, authorizing the Executive Director to pay BASMAA \$140,961. Sufficient unallocated funds are included in the 2015-16 Countywide Program consulting budget to cover this cost.

C/CAG staff included sufficient funds (approximately \$75K) in the NPDES fund to cover C/CAG's anticipated commitments for Fiscal Year 2016-17, and will present the Board with the list of 2016-17 BASMAA projects for the coming fiscal year along with the proposed funding agreement in August.

AUTHORIZING THE C/CAG EXECUTIVE DIRECTOR TO PAY THE BAY AREA STORMWATER MANAGEMENT AGENCIES ASSOCIATION FOR SAN MATEO COUNTY'S OUTSTANDING SHARE OF REGIONAL STORMWATER PROJECTS CONDUCTED BETWEEN 2009-10 AND 2015-16, IN AN AMOUNT NOT TO EXCEED \$140,961.

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, C/CAG, via its San Mateo Countywide Water Pollution Prevention Program is a member of the Bay Area Stormwater Management Agencies Association (BASMAA); and

WHEREAS, C/CAG is able to assist its member agencies more cost-effectively in meeting requirements of the Municipal Regional Permit via regional collaboration, when appropriate; and

WHEREAS, C/CAG participated via its Countywide Water Pollution Prevention Program in regional projects through BASMAA from 2009-10 through 2015-16; and

WHEREAS, C/CAG's share of the costs of these regional projects was \$644,924, the majority of which C/CAG funded through in-kind consulting services; and,

WHEREAS, C/CAG's outstanding cash share for these regional projects is \$140,961; and

WHEREAS, C/CAG has sufficient unallocated funds in its NPDES fund to cover the costs of the regional projects;

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that the C/CAG Executive Director is authorized to pay the Bay Area Stormwater Management Agencies Association for its outstanding share of regional projects conducted between 2009-10 and 2015-16, in an amount not to exceed \$140,961.

NPDES and Measure M Funds

BACKGROUND

C/CAG's member agencies are all permittees under the Municipal Regional Permit (MRP), a stormwater permit issued by the San Francisco Bay Regional Water Quality Control Board to 76 municipalities in the Bay Area, regulating the discharge of pollutants from storm drainage systems. A significant focus of the MRP is reducing the amount of polychlorinated biphenyls (PCBs) discharging to San Francisco Bay through municipal storm drains. PCBs were used extensively from the 1930s through the 1970s as a non-conductive lubricating oil in electrical equipment as well to increase the plasticity and durability of numerous compounds, including caulks, sealants, and paints. This latter use in building materials is the focus of a section of the PCBs requirements in the MRP, under which permittees are required to develop a program to control the potential release of PCBs to the environment during demolition or renovation of buildings constructed during the era when PCBs were in widespread use.

In order to address this MRP requirement, the Bay Area Stormwater Management Agencies Association (BASMAA), which represents municipal stormwater programs throughout the Bay Area, developed a proposal for the U.S. Environmental Protection Agency's San Francisco Bay Water Quality Improvement Fund grant solicitation. The solicitation seeks proposals to address water quality issues in San Francisco Bay and the BASMAA proposal seeks to utilize grant funds to develop the required program to control PCBs during building demolition/renovation.

The BASMAA proposal, if successful, would directly benefit C/CAG's member agencies by providing a more cost-effective means of achieving permit compliance than if done at the countywide level, or even at the regional level absent any grant funds. The proposal seeks \$800,000 in grant funds and commits the required one-to-one matching funds (\$1.6 million total project cost) via in-kind services from BASMAA members, including C/CAG via its Countywide Water Pollution Prevention Program (Countywide Program).

Since the grant proposal was due on May 27, C/CAG's Executive Director signed a support letter (attached) affirming C/CAG's commitment (pending C/CAG Board approval) to its population-based pro-rata share of approximately 14%. Similar letters were submitted by the Santa Clara Valley Urban Runoff Pollution Prevention Program, the Alameda Countywide Clean Water Program, the Contra Costa Clean Water Program, the Fairfield-Suisun Urban Runoff Pollution Prevention Program, and the Vallejo Sanitation and Flood Control District (all the areawide programs representing the 76 municipalities regulated under the MRP). The support letter also provides detail on what the proposed project would accomplish.

C/CAG's share of the matching funds would be provided via in-kind services through C/CAG's technical consultants to the Countywide Program. The bulk of C/CAG's matching funds would be provided by activities the Countywide Program will already be doing on behalf of C/CAG's member agencies to meet MRP requirements. Development of the PCBs in building materials program is crucial, as the MRP provides for 2/3 of the required PCB load reduction during the current five-year MRP term for development of an appropriate program. As such, this is very important for C/CAG's member agencies. If the grant proposal is unsuccessful, staff still anticipates working through BASMAA at the regional level to develop the required program as a means of more cost-effectively meeting permit requirements for C/CAG's member agencies, as well as to ensure regional consistency for the required building demolition/renovation program.

Staff recommends the C/CAG Board approve Resolution 16-27, authorizing the C/CAG Executive Director to commit C/CAG's population-based pro-rata share of the required matching funds should the grant proposal be successful. This is estimated to be no more than \$109,200 (approximately 14%, based on San Mateo County's population) and would be spread over three years.

BACKGROUND

The Congestion Management Program Technical Advisory Committee (CMP TAC), provide technical expertise for the Congestion Management and Environmental Quality (CMEQ) Committee and the C/CAG Board. The TAC is made up of engineers and planners from local jurisdictions in addition to one representative each from Caltrans, SMCTA/Peninsula Corridor JPB/Caltrain, MTC, and C/CAG.

As approved by the C/CAG Board, the maximum number of TAC members is 25 and the total vary depending on vacancies and/or interest from the city staff. Currently there are 24 members with one vacancy. To fill vacant positions, staff typically solicits C/CAG member agencies that are not currently represented on the Committee. Cities/Towns interested in being represented on the TAC are asked to submit a letter of interest to C/CAG for appointment consideration.

C/CAG received a letter from the City of Millbrae requesting the appointment of Ray Chan, Director of Public Works, to the CMP TAC. The appointment will replace the current Millbrae representative Peter Vorametsanti.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of the reallocation of \$108,820 in Transportation Development Act (TDA) Article 3 Funds for the City of East Palo Alto Pedestrian and Bicycle Improvements to Woodlands Neighborhood.

(For further information or questions contact Ellen Barton at 599-1420 or ebarton@smcgov.org)

RECOMMENDATION

That the Board review and approve the reallocation of \$108,820 in Transportation Development Act (TDA) Article 3 Funds for the City of East Palo Alto Pedestrian and Bicycle Improvements to Woodlands Neighborhood.

FISCAL IMPACT

\$108,820 (Funds were allocated during the FY 13/14 TDA Article 3 funding cycle.)

SOURCE OF FUNDS

TDA Article 3 Funds are derived from the following sources:

- Local Transportation Funds (LTF), derived from a ¼ cent of the general sales tax collected statewide
- State Transit Assistance fund (STA), derived from the statewide sales tax on gasoline and diesel fuel.

BACKGROUND/DISCUSSION

The City of East Palo Alto was awarded TDA Article 3 funds for FY 13/14 in the amount of \$108,820 for the construction of sidewalks and bicycle lanes to close gaps in the Woodland neighborhood and along University Avenue. The City has proceeded with preparing plans however delays have resulted in coordination with related projects nearby. The project design will be more effective if coordinated with the new Pedestrian Overcrossing (POC) at Highway 101 at Newell Road and West Bayshore Road.

The coordination with the POC is expected to be completed in 2017, while the deadline for completion of the TDA Article 3 funds is June 30, 2016.

TDA Article 3 Program guidelines require that the funds be expended within three years or be rescinded. For the FY 13/14 TDA Article 3 Program the expiration date for the funds is June 30, 2016.

The City of East Palo Alto has requested a time extension for the grant funds to ensure that the Woodland Neighborhood pedestrian and bicycle improvements align with the new pedestrian overcrossing.

Staff recommends approval to reallocate the \$108,820 to the FY 2015/16 TDA Article 3 Program, which will enable the City of East Palo Alto to retain the funds. With approval, staff will coordinate with the Metropolitan Transportation Commission for the reallocation of funds. The reallocation will provide that the funds become part of the FY 15/16 allocation which will then have an expiration date of June 30, 2018.

The Bicycle and Pedestrian Advisory Committee (BPAC) reviewed the request from the City of East Palo Alto at the May 26th BPAC meeting and recommended that the C/CAG Board approve the time extension request.

Subject: Request for Reallocation of TDA Article 3 Funds Allocated for Pedestrian and Bicycle Improvements to access the Woodland Neighborhood in East Palo Alto

Dear Ms. Wong:

On May 28, 2014, the Metropolitan Transportation Commission (MTC) approved an allocation of Transportation Development Act (TDA) funds to the City of East Palo Alto for FY 2013-14 in the total amount of \$108,820. The purpose of which these funds are allocated is to close gaps in the sidewalks between the Woodland neighborhood and University Avenue, which is the most heavily used thoroughfare accessing the neighborhood. It includes constructing new sidewalks and bicycle lanes, and striping intersections, as identified below.

- Filling gaps in the sidewalk to create a continuous sidewalk from the University Avenue Bridge along Woodland and Scofield Avenues to Cooley Avenue;
- Placing markings that outline a bicycle in the roadway, commonly referred to as shared use markings (sharrows), to designate a bicycle path along Woodland and Scofield Avenues or, alternatively, adding a solid white line to accommodate a four foot wide bicycle lane, such as currently exists on University Avenue, if the roadway is wide enough to conform with the Santa Clara Valley Transportation Authority's Bicycle Technical Guidelines which were adopted by the City in 2011; and
- Striping the three-way intersections at Scofield Ave and Capitol Ave, and Scofield Ave and Circle Drive.

Since receiving the grant, the City has proceeded with preparing the plans for the improvements. However, the work was delayed as more coordination work was needed between this project and a larger nearby pedestrian overcrossing project (POC) over 101 (Attachment 1). The City analyzed the pedestrian and bicycle improvements needs from University Avenue to the new POC structure at Newell Road along Clarke Ave and West Bayshore Road. Coordination between the two projects was essential to ensure improvements will provide the best design and enhance pedestrian/bicycle accessibility and safety in the Woodland Neighborhood. The POC Project is in

the final environmental and design phase and will include improvements to enhance pedestrian and bicycle safety along West Bayshore Road/Newell Road Intersection.

Due to the delay in finalizing the design work, the City would like to request that the TDA Article 3 funds in the amount of \$108,820 be reallocated in the following three year cycle (2016-2018) in order to complete the design and construct the improvements within a year.

Thank you for your considering the City's time extension request. If you have any questions, please contact me at 650-853-3189 or by e-mail at kfallaha@cityofepa.org.

TDA Article 3 Funds are derived from the following sources:

- Local Transportation Funds (LTF), derived from a ¼ cent of the general sales tax collected statewide
- State Transit Assistance fund (STA), derived from the statewide sales tax on gasoline and diesel fuel.

BACKGROUND/DISCUSSION

The City of Redwood City was awarded TDA Article 3 funds for FY 13/14 in the amount of \$46,220 for the Safe Routes to School Improvement Project. The City has successfully applied for additional grant funding for completion of design and construction. The project will advertise for construction in June and the estimated completion date is December 2016 or January 2017.

TDA Article 3 Program guidelines require that the funds be expended within three years or be rescinded. For the FY 13/14 TDA Article 3 Program the expiration date for the funds is June 30, 2016.

Subject: Request for Reallocation of TDA Article 3 Funds to Safe Routes to School Improvement Project

Dear: Ms. Wong:

In December 2013, the Metropolitan Transportation Commission (MTC) approved a FY 13/14 allocation of the Transportation Development Act (TDA) Article 3 funds to the City of Redwood City (City) for the Safe Routes to School Improvement Project in the amount of \$46,220.

Since award of the TDA funding in June 2014, the City successfully applied for additional grant funding to finance the project and completed the design. The City plans to advertise the project for construction this month and to award a 6-month construction contract in June. Based on our schedule, the City is requesting that the TDA Article 3 funds in the amount of \$46,220 be reallocated to the following three-year cycle (2016-2018) to ensure that construction can be completed before the grant funds expire.

Thank you for considering the City's time extension request. If you have any questions, please contact me at (650)780-7372 or by email at jmanzi@redwoodcity.org.

RE: STATE LEGISLATIVE UPDATE – June 2016

Legislative Update

On May 13, Governor Brown released the May Revise, a key update to his proposed budget that more accurately reflects the Administration's latest spending priorities and is influenced significantly by April tax revenues. **The Legislature has until June 15 to send the Governor a budget bill** for consideration. The Legislature will break for Summer Recess on July 1 and return on August 1. In this report we discuss the latest transportation funding details to emerge in Sacramento, and, highlight the most relevant bills – bills on which the Board has adopted a position or on which we are recommending a position – introduced in the second half of the 2015-16 Regular Session; please see ***Bills of Interest***, below.

May Revise Provides Few Changes for Transportation

In the May Revise, the Governor, once again, tripled down on the transportation funding proposal he released last August (and again in January), which would generate a total of **\$36 billion over the next decade** and emphasize a “fix-it first” strategy in order to repair and maintain existing transportation infrastructure. In all, the Governor's transportation funding proposal would provide \$16.2 billion for highway repairs and maintenance, \$2.3 billion for the state's trade corridors, \$13.5 billion for local streets and roads, and \$4 billion for transit and intercity rail.

Additionally, with the release of the May Revise, **the Governor made no changes to his \$3.1 billion Cap and Trade expenditure plan** originally proposed as part of his January Budget, which would invest an additional \$500 million in one-time Greenhouse Gas Reduction Fund (GGRF) revenues for transportation. Again, the \$500 million is proposed as part of the Governor's overall \$3.6 billion transportation funding package and would support the existing Transit and Intercity Rail Program (\$400 million) and the newly proposed Low Carbon Road Program (\$100 million). Those programs subject to continuous appropriation – the Transit and Intercity Rail Capital Program, Low-Carbon Transit Operations Program, Affordable Housing and Sustainable Communities Program, and high-speed rail – would continue to receive their earmarked shares of Cap and Trade.

Cap and Trade for Stormwater

As part of his January Cap and Trade plan, the Governor proposed \$20 million for green infrastructure projects to be administered by the Natural Resources Agency. Recently, the Governor released statutory language for the program, which would allow funding to be used for projects that include stormwater projects and green streets projects that integrate green infrastructure that can be used to capture stormwater. The program would, if enacted, also require the Agency to give consideration to projects that integrate with other project-types.

Transportation Funding Proposals Merging

Last month, we reported that Senator Jim Beall significantly amended SBX1 1 – his special session bill to increase transportation funding – mainly to incorporate funding for transit and include a number of policy proposals made by his Republican colleagues. There are still basically three different key proposals to watch: the Governor’s plan; AB 1591 (Frazier); and SBX1 1 (Beall). **That being said, recently we have heard that the two transportation Committee Chairs, Senator Beall and Assembly Member Frazier, have set out to develop one consensus proposal that both houses can rally around and possibly send to the Governor.** Additionally, on May 19, the Fix Our Roads Coalition (of which C/CAG is a supporter), led by the League of California Cities, the California State Association of Counties, and the California Alliance for Jobs, released what it views as a consensus approach to transportation funding, incorporating elements of the three transportation proposals previously mentioned and generating \$5 to \$7 billion in new revenues for state highways, local streets & roads, and transit, as well as enacting a number of policy reforms. **We have again included with our report a side-by-side comparison of all four transportation funding proposals that could be considered by the Legislature and the Governor.**

CTC Adopts Dismal STIP Estimate

On May 18, the California Transportation Commission adopted the 2016 State Transportation Improvement Program (STIP), a five-year state transportation funding plan that **cuts \$754 million and delays another \$755 million in highway, rail, transit, bicycle and pedestrian** project spending. These cuts are due in large part to the steady loss of gas tax revenue over the past two years. The STIP is adopted biennially by the CTC and is used to plan future state highway, intercity rail, transit and pedestrian projects. Its primary funding source is the price-based excise tax, which will be adjusted to 9.8 cents on July 1 for FY 2016-17 (to put this in perspective, it was 18 cents in 2014-15 and 21.5 cents the prior year). As a result of the adopted STIP, San Mateo County’s Highway 92/US 101, Willow Interchange, and US 101 Managed Lanes projects will be impacted.

C/CAG Legislative Committee Visit

On June 8, members of the C/CAG Legislative Committee and staff plan to travel to Sacramento to meet with members of the San Mateo County legislative delegation (Senator Hill and Assembly Members Gordon, Mullin, and Ting), policy committee chairs and staff, and state agency & department heads. The purpose of the visit is to provide an update on programs and projects of importance to San Mateo County and discuss the various transportation funding proposals & the impacts of recent STIP adjustments.

Special Session Bills

ABX1 1 (Alejo) Vehicle Weight Fees

This bill would undo the statutory scheme that allows vehicles weight fees from being transferred to the general fund from the State Highway Account to pay debt-service on transportation bonds and requires the repayment of any outstanding loans from transportation funds by December 31, 2018. **The Board is in SUPPORT of this bill.**

SBX1 1 (Beall) Transportation Funding

This bill, like the author’s SB 16, would increase several taxes and fees, beginning in 2016, to address issues of deferred maintenance on state highways and local streets and roads, as well as provide new funding for public transit. Specifically, this bill would increase both the gasoline and diesel excise taxes by 12 and 22 cents, respectively; increase the vehicle registration fee by \$35; create a new \$100 vehicle registration fee applicable to zero-emission motor vehicles; create a new \$35 road access charge on each vehicle; increase Cap and Trade funding for transit; increase the sales tax on diesel by 3.5% for the State Transit Assistance Program, limit the borrowing of weight-fee revenues, and repay outstanding transportation loans. As a result, transportation funding would increase by approximately \$6-\$6.5 billion

per year. **The Board SUPPORTED the previous version of this bill. We recommend the Board continue to SUPPORT this bill.**

ABX1 7 (Nezarian) and SBX1 8 (Hill) Cap and Trade Increase for Rail and Transit

This bill would increase the amount of funding continuously appropriated to two Cap and Trade programs dedicated to transit - 20% of the annual proceeds to the Transit and Intercity Rail Capital Program and 10% of the annual proceeds to the Low Carbon Transit Operations Program. **The Board is in SUPPORT of these bills.**

Regular Session Bills of Interest

ACA 4 (Frazier) Lower-Voter Threshold for Transportation Taxes

This bill would lower voter approval requirements from two-thirds to 55 percent for the imposition of special taxes used to provide funding for transportation purposes. **The Board is in SUPPORT of this bill.**

AB 516 (Mullin) Temporary License Plates

This bill would, beginning January 1, 2017, require the Department of Motor Vehicles (DMV) to develop a temporary license plate to be displayed on vehicles sold in California and creates new fees and penalties associated with the processing and display of the temporary tag. **The Board is in SUPPORT of this bill.**

AB 779 (Garcia) Congestion Management Programs

This bill would delete the level of service standards as an element of a congestion management program in infill opportunity zones and revise and recast the requirements for other elements of a congestion management program. **The Board has a WATCH position on this bill.**

AB 1591 (Frazier) Transportation Funding

This bill would increase several taxes and fees beginning in 2016, to address issues of deferred maintenance on state highways and local streets and roads, freight corridor improvements, and transit and intercity rail needs. Specifically, this bill would increase both the gasoline and diesel excise taxes by 22.5 and 30 cents, respectively; increase the vehicle registration fee; dedicated additional shares of Cap and Trade revenues; redirect truck weight fees; and repay outstanding transportation loans. As a result, transportation funding would increase by approximately \$7 billion per year. **The Board is in SUPPORT of this bill.**

AB 2126 (Mullin) Alternative Project Delivery

This bill would increase the number of projects for which Caltrans has the authority to use the construction manager/general contractor (CM/GC) method of procurement from six to 12. **The Board is in SUPPORT of this bill.**

AB 2293 (Garcia) Green Business Program

This bill would reinstate state funding, by way of the Cap and Trade program, for the California Green Business Program. The funding would be distributed to existing county programs (including San Mateo County's program), adding new programs across the state, and issuing rebates to green businesses. **The Board is in SUPPORT of this bill.**

SB 885 (Wolk) Construction Contract Indemnity

This bill would specify that for construction contracts entered into on or after January 1, 2017, that a design professional only has the duty to defend against claims or lawsuits pertaining to negligence, recklessness, or willful misconduct of the design professional. Under the bill, a design professional would not have a duty to defend claims or lawsuits against any other person or entity arising from a construction project, except that person's or entity's reasonable defense costs arising out of the design professional's degree of fault. **The Board STRONGLY OPPOSES this bill.**

SB 1128 (Glazer) Bay Area Commute Benefit Policy

Current law authorizes, until January 1, 2017, the Metropolitan Transportation Commission and the Bay Area Quality Management District to jointly adopt and enforce an ordinance requiring employers to take a more active role in providing commute benefits to their employees, with the goal of attracting new riders to public transit; and, delivering air quality benefits, traffic congestion relief and additional fare revenue to help sustain and grow quality public transit service. Under this ordinance, impacted employers were required to offer their employees one of a series of commute benefits. This bill would indefinitely extend the statutory authorization for the Bay Area commute benefit ordinance. **The Board is in SUPPORT of this bill.**

SB 1170 (Wieckowski) Stormwater Pollution Prevention Plans

This bill prohibits a public entity, charter city, or charter county from delegating to a contractor the development of a plan used to prevent or reduce water pollution or runoff on a public works contract and prohibits from requiring a contractor on a public works contract that includes compliance with a plan to assume responsibility for the completeness and accuracy of a plan developed by that entity. **The Board STRONGLY OPPOSES this bill.**

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approval of the reallocation of \$62,500 in Transportation Development Act Article 3 Funds for the City of Millbrae Bicycle and Pedestrian Transportation Plan

(For further information please contact Tom Madalena at 650-599-1460)

RECOMMENDATION

That the Board review and approve the reallocation of \$62,500 in Transportation Development Act (TDA) Article 3 Funds for the City of Millbrae Bicycle and Pedestrian Transportation Plan.

FISCAL IMPACT

\$62,500 (Funds were allocated during the FY 13/14 TDA Article 3 funding cycle.)

SOURCE OF FUNDS

TDA3 funds are derived from the following sources:

- Local Transportation Funds (LTF), derived from a $\frac{1}{4}$ ¢ of the general sales tax collected statewide
- State Transit Assistance fund (STA), derived from the statewide sales tax on gasoline and diesel fuel.

BACKGROUND/DISCUSSION

During the FY 13/14 TDA Article 3 funding cycle, the City of Millbrae received a grant award of \$62,500 for the development of a Bicycle and Pedestrian Transportation Plan. The City of Millbrae initiated the planning process for this document, which will be titled the Active Transportation Plan, in December of 2015. The City of Millbrae is also in the process of developing a Priority Development Area (PDA) Specific Plan, a comprehensive General Plan update and Program Environmental Impact Report (EIR) to cover all four planning projects.

TDA Article 3 Program guidelines require that the funds be expended within three years or be rescinded. For the FY 13/14 TDA Article 3 Program, the expiration date for the funds is June 30, 2016.

The City of Millbrae has requested a time extension for the grant due to the need for additional time for the Active Transportation Plan now that it has been incorporated into a much larger planning project.

Staff recommends approval to reallocate the \$62,500 to the FY 15/16 TDA Article 3 Program, which will enable the City of Millbrae to retain the funds. With approval, staff will coordinate with the Metropolitan Transportation Commission for the reallocation of the funds. The reallocation will

provide that the funds will become part of the FY 15/16 allocation, which will then have an expiration date of June 30, 2018.

The Bicycle and Pedestrian Advisory Committee (BPAC) has not reviewed this request as a result of the request coming in after the last available BPAC meeting where this item could have been reviewed by the BPAC. As a result, City of Millbrae staff has been invited to come before the Board to provide a quick presentation as to the need for the extension.

Subject: Request for and Extension of the use of TDA Funds to complete the City of Millbrae Active Transportation Plan

Dear: Ms. Wong:

On May 28, 2014, the Metropolitan Transportation Commission (MTC) approved a FY 13/14 allocation of Transportation Development Act (TDA) funds to the City of Millbrae for the preparation of an Bicycle and Pedestrian Transportation Plan in the amount of \$62,500.00. The Plan is an update to the existing 2009 plan. The City is currently in the process of working on this plan, and is in the process of submitting for reimbursement for work done to date.

Since this project was awarded, the City was successful in securing a PDA Specific Plan Grant to prepare a specific plan for the area along El Camino Real and surrounding the Millbrae multi-modal station (February 2015). The City then decided to embark on a comprehensive planning effort to update the City's General Plan (last updated in 1999), prepare the PDA Specific Plan, update the Bicycle and Pedestrian Transportation Plan and prepare a Program EIR for all the documents. Through an RFP process, the City hired a team of consultants to prepare these documents. The consultants began work in December of 2015.

The update to the Bicycle and Pedestrian Transportation plan is proposed to be completed and adopted with the other plans in the fall of 2017 or early 2018. While the City could rush to complete the Bicycle and Pedestrian Transportation plan out of sequence, this poses two issues. The first is that the PDA Specific Plan needs to be completed so that meaningful bicycle and pedestrian connections can be

developed which relate to the anticipated development. Secondly, the cost to City to rush the plan will increase the cost of the plan well beyond the grant amount.

Due to the delay in completing the plan as described above, the City would like to request that the unutilized TDA funds be reallocated in the following three year cycle (2016-2018) in order to complete the plan in conjunction with the PDA Specific Plan, General Plan and Program EIR.

Thank you for considering the City's time extension request. If you have any questions, please contact Michael Laughlin at (650)757-8896 or by email at michaellaughlin@csgengr.com.

C/CAG AGENDA REPORT

Date: June 9, 2016
To: C/CAG Board of Directors
From: Sandy Wong, Executive Director
Subject: Review and approval of the C/CAG investment portfolio and accept the Quarterly Investment Report as of March 31, 2016.

(For further information or questions contact Jean Higaki at 599-1462)

RECOMMENDATION

That the C/CAG Board review and approve the C/CAG investment portfolio and accept the Quarterly Investment Report as of March 31, 2016.

FISCAL IMPACT

Potential for higher or lower yields and risk associated with C/CAG investments.

SOURCE OF FUNDS

The Investment Policy applies to all C/CAG funds held by the C/CAG Financial Agent (City of San Carlos).

BACKGROUND

According to the C/CAG Investment Policy adopted on December 10, 2015:

“The portfolio should be analyzed not less than quarterly by the C/CAG Finance Committee, and modified as appropriate periodically as recommended by the Finance Committee and approved by the C/CAG Board, to respond to changing circumstances in order to achieve the Safety of Principal.”

The Finance Committee will seek to provide a balance between the various investments and maturities in order to give C/CAG the optimum combination of Safety of Principal, necessary liquidity, and optimal yield based on cash flow projections.

A summary of the January, February, and March 2016 earning rates are as follows:

	Local Agency Investment Fund (LAIF)	San Mateo County Investment Pool (COPOOL)
January	0.446%	0.775%
February	0.467%	0.805%
March	0.506%	0.876%

On November 13, 2013 the C/CAG Board approved the C/CAG investment portfolio as follows:

Local Agency Investment Fund (LAIF) 50% to 70%
 San Mateo County Investment Pool (COPOOL) 30% to 50%

On May 25, 2016 the Finance Committee reviewed the investment portfolio and recommended no change to the investment portfolio at this time.

The investment portfolio as of March 31, 2016 is as follows:

	12/31/2015		3/31/2016	
	Amount	Percent	Amount	Percent
LAIF	\$12,324,374	61%	\$12,136,268	60%
COPOOL	\$8,024,431	39%	\$8,138,072	40%
Total	\$20,348,805	100%	\$20,274,340	100%

Date: May 5, 2016

SUBJECT: Quarterly Investment Report as of March 31, 2016

RECOMMENDATION:

It is recommended that the C/CAG Board review and accept the Quarterly Investment Report.

ANALYSIS:

The attached investment report indicates that on March 31, 2016, funds in the amount of \$20,274,340 were invested producing a weighted average yield of 0.60%. Of the total investment portfolio, 59.9% of funds were invested in the Local Agency Investment Fund (LAIF) and 40.1% in the San Mateo County Investment Pool (COPOOL). These percentages are within the range specified by the CCAG Board. Accrued interest earnings for this quarter totaled \$30,612. At the CCAG Finance Committee meeting in November 2015, the Committee set a goal to keep the investment with the County at 40%-42% of the total pooled investment to earn higher interest. The portfolio mix reflects the recommended percentage invested in the County Investment Pool.

Below is a summary of the changes from the prior quarter:

	Qtr Ended 3/31/16	Qtr Ended 12/31/15	Increase (Decrease)
Total Portfolio	\$ 20,274,340	\$ 20,348,805	\$ (74,465)
Weighted Average Yield	0.60%	0.53%	0.07%
Accrued Interest Earnings	\$ 30,612	\$ 25,535	\$ 5,077

Although CCAG's total portfolio balance at the end of this quarter is slightly lower than the last quarter, the higher weighted average yield offset the decrease. As a result, the interest earnings this quarter is higher.

Historical cash flow trends are compared to current cash flow requirements on an ongoing basis to ensure that C/CAG's investment portfolio will remain sufficiently liquid to meet all reasonably anticipated operating requirements. As of March 31, 2016, the portfolio contains sufficient liquidity to meet the next six months of expected expenditures by C/CAG. All investments are in compliance with the Investment Policy. Attachment 2 shows a historical comparison of the portfolio for the past nine quarters.

The primary objective of the investment policy of the CCAG remains to be the SAFETY OF PRINCIPAL. The permitted investments section of the investment policy also states:

Local Agency Investment Fund (LAIF) which is a State of California managed investment pool, and San Mateo County Investment pool, may be used up to the maximum permitted by California State Law. A review of the pool/fund is required when they are part of the list of authorized investments.

The Investment Advisory Committee has reviewed and approved the attached Investment Report.

At the CCAG Finance Committee meeting in November, the Committee set a goal to keep the investment with the County at 40%-42% of the total pooled investment to earn higher interest.

*Difference in value between Historical Value and Market Value may be due to timing of purchase. Investments in the investment pools may have been purchased when interest rates were lower or higher than the end date of this report. As interest rates increase or decrease, the value of the investment pools will decrease or increase accordingly. However, interest rate fluctuations does not have any impact to CCAG's balance in the investment pools. The market values are presented as a reference only.

At the CCAG Finance Committee meeting in November 2015, the Committee set a goal to keep the investment with the County at 40%-42% of the total pooled investment to earn higher interest. As a result, \$1.4 million was transferred to CCAG's County Investment Pool account in the second quarter of FY2015-16. An additional \$100,000 was transferred to the County Pool in third quarter to reach the recommended 40%.

RECOMMENDATION

That the C/CAG Board review endorse project revisions to be submitted to MTC for the update of the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) also known as Plan Bay Area 2040 and authorize the Executive Director to further modify the list based on final negotiation with the Metropolitan Transportation Commission (MTC).

BACKGROUND

Metropolitan Transportation Commission (MTC) has initiated the update of its long-range Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS), to be adopted in the late spring/early summer of 2017. The RTP/SCS, also known as Plan Bay Area 2040 will detail how the San Francisco Bay Area's transportation system will be maintained, improved and expanded over the next 23 years. The Plan Bay Area is updated every four (4) years and typically with no mid-term amendment.

Plan Bay Area 2040 is a state-mandated, integrated long-range transportation, land-use and housing plan that will support a growing economy, provide more housing and transportation choices, and reduce transportation-related pollution in the San Francisco Bay Area.

The Metropolitan Transportation Commission (MTC) requested the assistance of each of the nine Bay Area Congestion Management Agencies (CMAs) to coordinate project submittals for their county. On May 6, 2015 MTC hosted a public workshop in San Mateo County to advertise the update of Plan Bay Area 2040.

Projects included in Plan Bay area 2040 are for planning purposes only however, projects not listed in the plan cannot compete for Federal, State of California, or regional discretionary funding. In addition, projects that are 100% locally funded and have regional significance must be included in the plan for air quality conformity purposes.

Schedule

On April 29, 2015, the Metropolitan Transportation Commission (MTC) adopted guidance for the call for projects. Projects/programs seeking future regional, state or federal funding through the planning horizon year for Plan Bay Area 2040 must be submitted for consideration in the adopted plan. Sponsors of multi-county projects submitted projects directly to MTC. MTC anticipates that Plan Bay Area 2040 will be adopted in the late spring/ early summer of 2017.

C/CAG staff initiated a call for projects within San Mateo County on May 15, 2015 with a deadline of project submittals by July 3, 2015. Extensive outreach was performed including a press release, an applicant workshop for city/ county staff, a public hearing noticed in local papers, presentations at public meetings. On September 10, 2015 the C/CAG Board adopted Resolution 15-40 endorsing a list of 62 projects submitted to MTC for inclusion in the update of Plan Bay area 2040.

Project Cost versus Financial Constraint

In September 2015, most funding sources were not constrained and revenue projections were still being developed by MTC. It was expected that the project total cost for several projects would need to be revised during the MTC project level assessment process with a possibility that some projects and programs, further out in development, would be revised to include only early phases of funding in this RTP.

In May 2016, MTC staff provided the revenue forecast and projections, and that San Mateo County's combined total budget is \$3.19 billion. Because the original submitted list of projects submitted by C/CAG to MTC in September 2015 was not financially constrained, about 18 projects need financial revisions so that the overall submittal fits within the most recent imposed financial constraint budget. C/CAG staff has been working with sponsors whose projects are being revised. No projects are proposed to be dropped from the list.

Because the regional revenue projections will not be finalized until the actual adoption of Plan Bay Area 2040, MTC may further revise the revenue projections and further project refinements may be necessary.

Targets of Plan Bay Area 2040

Plan Bay Area 2040 is based on qualitative and quantitative performance targets against which MTC will measure and evaluate various land use scenarios and transportation investments and policies. Projects that do not adequately support the regional targets may need justifications to remain in Plan Bay Area 2040.

MTC is in the process of conducting "project level performance assessments" for all projects over \$100 million. A "project-level performance assessment" is used to identify projects and programs that

advance the Plan Bay Area 2040 goals and support the land use strategy. Methodologies for quantitative and qualitative performance measures for transportation projects have been applied towards large projects and low and high performing projects have been identified. Low performing projects will need to go through a “compelling case” process in order to stay on Plan Bay Area 2040. Down scoping or including only environmental phases of projects may allow low performing projects to stay on the RTP without need a need to go through the compelling case process.

Next Step – Scenario Analysis and Preferred Scenario

MTC will also conduct “scenarios analysis” based on the cumulative impacts of submitted projects. The “detailed scenario assessment”, performed after the “project-level performance assessment,” will capture the interactions among transportation projects and land use. The MTC/ ABAG adoption of a preferred scenario anticipated this fall will influence the regions investments in projects.

The update of Plan Bay Area 2040 is scheduled for adoption during the late spring/ early summer of 2017. It is anticipated that the plan will continue to be updated every four (4) years with no mid-term amendment.

Subject: Review and approval of the “*Actuarial Report on GASB 45 Retiree Benefit Valuation as of July 1, 2015*” and approval of Resolution 16-21 authorizing the prefunding of other post-employment benefits (OPEB) through the California Employers’ Retiree Benefit Trust Program (CERBT) of CalPERS in an amount of \$27,000 for fiscal year 2015-16.

RECOMMENDATION:

That the C/CAG Board review and approve the “*Actuarial Report on GASB 45 Retiree Benefit Valuation as of July 1, 2015*” and further approve Resolution 16-21 authorizing the prefunding of other post-employment benefits (OPEB) through the California Employers’ Retiree Benefit Trust Program (CERBT) of CalPERS in an amount of \$27,000 for fiscal year 2015-16.

FISCAL IMPACT:

\$27,000.

REVENUE SOURCES:

Funding sources for C/CAG OPEB comes from various C/CAG funds similar to those funds for C/CAG employee salaries and benefits.

BACKGROUND/DISCUSSION:

In June 2004 the Government Accounting Standards Board (GASB) adopted accounting and financial reporting standards, GASB Statement Number 45, providing requirements for the accounting and financial reporting by employers for post-employment benefits other than pensions (OPEB). C/CAG provides post-employment benefit in the form of health insurance for retirees. GASB 45 requires the recognition of the cost of post-employment benefits during the years of an employee’s active years of service.

C/CAG retained Bickmore & Associates to prepare the “*Actuarial Report on GASB 45 Retiree Benefit Valuation as of July 1, 2015*”. The primary purposes of the report are to develop the value of future OPEB expected to be provided by C/CAG, and the current OPEB liability and the annual OPEB expense to be reported in C/CAG’s financial statements for fiscal years ending June 30, 2016 and June 30, 2017. The report is required to be submitted to the California Employers’ Retiree Benefit Trust (CERBT) to satisfy filing requirements for the trust. This report includes the “implicit subsidy” liability, a new requirement under GASB 45.

Tables 1A and 1C on pages 13 and 15 of the report (attached) summarized the C/CAG actuarial liabilities as well as the Annual Required Contributions (ARC) for fiscal years 2016 and 2017, respectively. For fiscal year 2016, the ARC is \$50,790. However, since C/CAG has been paying the monthly medical premiums for its retirees during that 12 months period in a total amount of \$16,383. Also, C/CAG received a credit of \$8,341 in the current year's implicit subsidy, hence, the resulting net total ARC is \$26,066. Staff recommends investing \$27,000 in the CERBT trust to fully cover the net ARC for fiscal year ending June 30, 2016.

This report was presented to the Finance Committee on May 25, 2016. The Finance Committee recommended approval of the report and the investment of \$27,000 in the CERBT of the CalPERS Trust for fiscal year ending June 30, 2016.

Additional historic background information:

In 2012, for the first time, C/CAG retained Bickmore & Associates, an actuarial firm to prepare an actuarial valuation of Other Post-Employment Benefit (OPEB) programs for fiscal years ending June 30, 2014 and June 30, 2015.

On September 12, 2013, the C/CAG Board considered prefunding the entire C/CAG actuarial liability of Other Post-Employment Benefit (OPEB) at \$184,359 and directed staff to explore irrevocable trust options. On June 11, 2015, the C/CAG Board approved Resolution 15-33 authorizing an agreement and election of C/CAG to prefund OPEB through CalPERS – California Employers' Retiree Benefit Trust Program (CERBT). On June 11, 2015, the C/CAG Board also approved a funding policy in an amount of \$30,000 to cover the Annual Required Contribution (ARC) as initial investment into the CERBT trust and selected Asset Allocation Strategy 2.

Funds deposited into an irrevocable trust may only be used to pay retiree medical benefits. However, should C/CAG stop prefunding retiree medical benefits, it may withdraw funds from the trust, as needed, to pay retiree medical benefits. Also, if C/CAG were ever able to completely extinguish its retiree medical liability, any funds remaining in the trust would be returned to C/CAG.

RESOLUTION 16-21

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE CITY/COUNTY ASSOCIATION OF GOVERNMENTS OF SAN MATEO COUNTY (C/CAG) AUTHORIZING THE PREFUNDING OF OTHER POST EMPLOYMENT BENEFITS (OPEB) THROUGH THE CALIFORNIA EMPLOYERS' RETIREE BENEFIT TRUST PROGRAM (CERBT) OF CALPERS FOR FISCAL YEAR 2015-16 IN AN AMOUNT OF \$27,000.

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that,

WHEREAS, CalPERS, C/CAG's retirement system, has a trust program to receive and invest contributions made to fund other post-employment benefits (OPEB); and

WHEREAS, C/CAG has established an OPEB trust via the California Employers' Retiree Benefit Trust Program (CERBT) of CalPERS for retiree medical benefits, approved by C/CAG Resolution 15-33 on June 11, 2015; and

WHEREAS, C/CAG has deposited \$30,000 in the CalPERS trust (CERBT) in June 2015; and

WHEREAS, C/CAG is interested in prefunding the calculated Annual Required Contribution (ARC) for fiscal year 2015-16 in the amount of \$27,000 in the CalPERS trust.

NOW, THEREFORE, BE IT RESOLVED that the City/County Association of Governments of San Mateo County (C/CAG) Board of Directors authorize prefunding its Other Post Employment Benefits (OPEB) for fiscal year 2015-16 through CERBT of CalPERS in an amount of \$27,000.

PASSED, APPROVED, AND ADOPTED, THIS 9TH DAY OF JUNE 2016.

Table 1B
Expected OPEB Disclosures for FYE 2016

This table develops the annual OPEB expense, estimates the expected OPEB contributions and projects the net OPEB obligation as of June 30, 2016 based on the assumed prefunding policy described in this report.

Fiscal Year End	Prefunding Basis		
	6/30/2016	6/30/2016	6/30/2016
Subsidy	Explicit	Implicit	Total
1. Calculation of the Annual OPEB Expense			
a. ARC for current fiscal year	\$ 41,593	\$ 9,197	\$ 50,790
b. Interest on Net OPEB Obligation (Asset)	2,257	-	2,257
c. Adjustment to the ARC	(5,217)	-	(5,217)
d. Annual OPEB Expense (a. + b. + c.)	38,633	9,197	47,830
2. Calculation of Expected Contribution			
a. Estimated payments on behalf of retirees	16,383	-	16,383
b. Estimated current year's implicit subsidy	-	8,341	8,341
c. Estimated contribution to OPEB trust	25,210	856	26,066
d. Total Expected Employer Contribution	41,593	9,197	50,790
3. Change in Net OPEB Obligation (1.d. minus 2.d.)	(2,960)	-	(2,960)
Net OPEB Obligation (Asset), beginning of fiscal year	34,728	-	34,728
Net OPEB Obligation (Asset) at fiscal year end	31,768	-	31,768

In the table above, we assumed that C/CAG would contribute 100% of the total ARC of \$50,790.

- We assumed that C/CAG would take credit for the \$8,341 current year's implicit subsidy as an OPEB contribution by shifting recognition of this amount from an active healthcare expense to a retiree healthcare benefit expense. If so, this would reduce C/CAG's additional cash outlay to fund the full ARC to \$42,449.
- Funding 100% of the ARC may require adjusting the estimated \$26,066 contribution to the trust if actual retiree benefit payments are higher or lower than projected payments of \$16,383 shown above.

Additional notes on the calculations above:

- Interest on the net OPEB obligation (or asset), shown above in item 1.b. is equal to the applicable discount rate (6.5%) multiplied by the net OPEB obligation (or asset) at the beginning of the year.
- The Adjustment to the ARC, shown above in item 1.c., is always the opposite sign of the net OPEB obligation or asset and exists to avoid double-counting of the amounts previously expensed but imbedded in the current ARC. This adjustment is calculated as *the opposite of* the net OPEB obligation (or asset) at the beginning of the year, plus interest on that amount (item 1.b.) with the sum then divided by the same amortization factor used to determine the ARC for this year (see the prior page for these factors).

Table 1C
ARC Calculation for FYE 2017

In this table, the July 1, 2015 valuation results have been adjusted (rolled forward) one year based on the underlying actuarial assumptions. These results are used to develop the annual required contribution (ARC) for the fiscal year ending June 30, 2017.

Table 1D
Expected OPEB Disclosures for FYE 2017

The following exhibit develops the annual OPEB expense, estimates the expected OPEB contributions and projects the net OPEB obligation as of June 30, 2017 reflecting the assumed prefunding policy.

Fiscal Year End	Prefunding Basis		
	6/30/2017	6/30/2017	6/30/2017
Subsidy	Explicit	Implicit	Total
1. Calculation of the Annual OPEB Expense

Net OPEB Obligation (Asset), beginning of fiscal year	31,768	-	31,768
Net OPEB Obligation (Asset) at fiscal year end	28,615	-	28,615

In the table above, we assumed that C/CAG would contribute 100% of the total ARC of \$51,348.

- We assumed that C/CAG would take credit for the \$9,382 current year's implicit subsidy as an OPEB contribution by shifting recognition of this amount from an active healthcare expense to a retiree healthcare benefit expense. If so, this would reduce C/CAG's additional cash outlay to fund the full ARC to \$41,966.
- Funding 100% of the ARC may require adjusting the estimated \$24,252 contribution to the trust if actual retiree benefit payments are higher or lower than projected payments of \$17,714 shown above

Notes on calculations above:

- Interest on the net OPEB obligation (or asset), shown above in item 1.b. is equal to the applicable discount rate (6.5%) multiplied by the net OPEB obligation (or asset) at the beginning of the year.
- The Adjustment to the ARC, shown above in item 1.c., is always the opposite sign of the net OPEB obligation or asset and exists to avoid double-counting of the amounts previously expensed but imbedded in the current ARC. Glossary

Actuarial Accrued Liability (AAL) – Total dollars required to fund all plan benefits attributable to service rendered as of the valuation date for current plan members and vested prior plan members; see “Actuarial Present Value”

Actuarial Funding Method – A procedure which calculates the actuarial present value of plan benefits and expenses, and allocates these expenses to time periods, typically as a normal cost and an actuarial accrued liability

Actuarial Present Value Projected Benefits (APVPB) – The amount presently required to fund all projected plan benefits in the future, it is determined by discounting the future payments by an appropriate interest rate and the probability of nonpayment.

Actuarial Value of Assets – The actuarial value of assets is the value used by the actuary to offset the AAL for valuation purposes. The actuarial value of assets may be the market value of assets or may be based on a methodology designed to smooth out short-term fluctuations in market values.

Aggregate – An actuarial funding method under which the excess of the actuarial present value of projected benefits over the actuarial accrued liability is levelly spread over the earnings or service of the group forward from the valuation date to the assumed exit date, based not on individual characteristics but rather on the characteristics of the group as a whole

Annual Required Contribution (ARC) – The amount the employer would contribute to a defined benefit OPEB plan for a given year, it is the sum of the normal cost and some amortization (typically 30 years) of the unfunded actuarial accrued liability

Annual OPEB Expense – The OPEB expense reported in the Agency’s financial statement, which is comprised of three elements: the ARC, interest on the net OPEB obligation at the beginning of the year and an ARC adjustment.

Attained Age Normal Cost (AANC) – An actuarial funding method where, for each plan member, the excess of the actuarial present value of benefits over the actuarial accrued liability (determined under the unit credit method) is levelly spread over the individual’s projected earnings or service forward from the valuation date to the assumed exit date

CalPERS – Many state governments maintain a public employee retirement system; CalPERS is the California program, covering all eligible state government employees as well as other employees of other governments within California who have elected to join the system

Defined Benefit (DB) – A pension or OPEB plan which defines the monthly income or other benefit which the plan member receives at or after separation from employment

Defined Contribution (DC) – A pension or OPEB plan which establishes an individual account for each member and specifies how contributions to each active member’s account are determined and the terms of distribution of the account after separation from employment

Glossary (Continued)

Discount Rate – The rate of return that could be earned on an investment in the financial markets; for GASB 45 purposes, the discount rate should be based on the expected long-term yield of investments used to finance the benefits. The discount rate is used to adjust the dollar value of future projected benefits into a present value equivalent as of the valuation date.

Entry Age Normal Cost (EANC) – An actuarial funding method where, for each individual, the actuarial present value of benefits is levelly spread over the individual's projected earnings or service from entry age to the last age at which benefits can be paid

Excise Tax – The Affordable Care Act created a 40% excise tax on the value of “employer sponsored coverage” that exceeds certain thresholds. The tax is first effective is 2020.

Explicit Subsidy – The projected dollar value of future retiree healthcare costs expected to be paid directly by the Employer, e.g., the Employer's payment of all or a portion of the monthly retiree premium billed by the insurer for the retiree's coverage

Frozen Attained Age Normal Cost (FAANC) – An actuarial funding method under which the excess of the actuarial present value of projected benefits over the actuarial accrued liability (determined under the unit credit method) is levelly spread over the earnings or service of the group forward from the valuation date to the assumed exit date, based not on individual characteristics but rather on the characteristics of the group as a whole

Frozen Entry Age Normal Cost (FEANC) – An actuarial funding method under which the excess of the actuarial present value of projected benefits over the actuarial accrued liability (determined under the entry age normal cost method) is levelly spread over the earnings or service of the group forward from the valuation date to the assumed exit date, based not on individual characteristics but rather on the characteristics of the group as a whole

Financial Accounting Standards Board (FASB) – A private, not-for-profit organization designated by the Securities and Exchange Commission (SEC) to develop generally accepted accounting principles (GAAP) for U.S. public corporations

Government Accounting Standards Board (GASB) – A private, not-for-profit organization which develops generally accepted accounting principles (GAAP) for U.S. state and local governments; like FASB, it is part of the Financial Accounting Foundation (FAF), which funds each organization and selects the members of each board

Health Care Trend – The assumed rate(s) of increase in future dollar values of premiums or healthcare claims, attributable to increases in the cost of healthcare; contributing factors include medical inflation, frequency or extent of utilization of services and technological developments.

Implicit Subsidy – The projected difference between future retiree claims and the premiums to be charged for retiree coverage; this difference results when the claims experience of active and retired employees are pooled together and a ‘blended’ group premium rate is charged for both actives and retirees; a portion of the active employee premiums subsidizes the retiree premiums.

Glossary (Concluded)

Net OPEB Obligation (Asset) - The net OPEB obligation (NOO) represents the accumulated shortfall of OPEB funding since GASB 45 was implemented. If cumulative contributions have exceeded the sum of the prior years' annual OPEB expenses, then a net OPEB asset results.

Non-Industrial Disability (NID) – Unless specifically contracted by the individual Agency, PAM employees are assumed to be subject to only non-industrial disabilities.

Normal Cost – Total dollar value of benefits expected to be earned by plan members in the current year, as assigned by the chosen funding method; also called current service cost

Other Post-Employment Benefits (OPEB) – Post-employment benefits other than pension benefits, most commonly healthcare benefits but also including life insurance if provided separately from a pension plan

Pay-As-You-Go (PAYGO) – Contributions to the plan are made at about the same time and in about the same amount as benefit payments and expenses coming due

PEMHCA – The Public Employees' Medical and Hospital Care Act, established by the California legislature in 1961, provides community-rated medical benefits to participating public employers. Among its extensive regulations are the requirements that a contracting Agency contribute toward medical insurance premiums for retired annuitants and that a contracting Agency file a resolution, adopted by its governing body, with the CalPERS Board establishing any new contribution.

Plan Assets – The value of cash and investments considered as 'belonging' to the plan and permitted to be used to offset the AAL for valuation purposes. To be considered a plan asset, GASB 45 requires (a) the assets to be segregated and restricted in a trust or similar arrangement, (b) employer contributions to the trust to be irrevocable, (c) the assets be dedicated to providing benefits to retirees and their beneficiaries, and (d) that the assets be legally protected from creditors of the employer and/or plan administrator. See also "Actuarial Value of Assets"

Projected Unit Credit (PUC) – An actuarial funding method where, for each individual, the projected plan benefit is allocated by a consistent formula from entry date to assumed exit date

Public Agency Miscellaneous (PAM) – Non-safety public employees.

Select and Ultimate – Actuarial assumptions which contemplate rates which differ by year initially (the select period) and then stabilize at a constant long-term rate (the ultimate rate)

Unfunded Actuarial Accrued Liability (UAAL) – The excess of the actuarial accrued liability over the actuarial value of plan assets

Unit Credit (UC) -- An actuarial funding method where, for each individual, the unprojected plan benefit is allocated by a consistent formula from entry date to assumed exit date

Vesting – As defined by the plan, requirements which when met make a plan benefit nonforfeitable on separation of service before retirement eligibility

C/CAG AGENDA REPORT

Date: June 9, 2016

TO: C/CAG Board of Directors

From: Sandy Wong, Executive Director - C/CAG

Subject: Review and approval of Resolution 16-22 approving the C/CAG Fiscal Year 2016-17 Program Budget and Member Fees. (Special voting procedures apply)

(For further information or response to questions, contact Sandy Wong at 650 599-1409)

RECOMMENDATION:

That the C/CAG Board of Directors review and approve Resolution 16-22 approving the C/CAG Fiscal Year 2016-17 Program Budget and Member Fees. Special voting procedures apply.

FISCAL IMPACT:

In accordance with the proposed C/CAG 2016-17 Program Budget.

REVENUE SOURCES:

Funding sources for C/CAG include member assessments, cost reimbursement from partners, grants, local, regional, State, and Federal funds, property tax/fee, Department of Motor Vehicle fees, State - Federal earmarks, and interest.

BACKGROUND:

Each year, the C/CAG Board reviews the draft annual budget and member fees in the month of May and approves the final in June.

At the February 11, 2016 C/CAG meeting, the C/CAG Board approved Resolution 16-02 approving the population data to be used by C/CAG. The propose FY 2016-17 member fees are based on the population data adopted by resolution 16-02.

On May 12, 2016, the C/CAG Board reviewed the initial draft and assumptions for the C/CAG fiscal year 2016-17 program budget and member fees. It was proposed that the total member fee for general fund be increased by 5% (or \$13,126 countywide), and that the member fee from gas tax be the same as last year. It was also noted that on May 14, 2015, the C/CAG Board approved Resolution 15-14 authorizing the San Mateo County Congestion Relief Plan (CRP) for four years through June 30, 2019. Hence, the CRP assessment is the same as last year.

At the February 11, 2016 C/CAG meeting, the C/CAG Board approved Resolution 16-02 approving the population data to be used by C/CAG. The propose FY 2016-17 member fees are based on the population data adopted by resolution 16-02.

On May 25, 2016, the Finance Committee reviewed the draft budget and recommended approval. The Finance Committee also made some suggestions on how to improve the presentation of the budget for clarity.

Changes made to the budget after the May 12, 2016 C/CAG Board meeting are summarized here:

1. Projected actual data on all fund sheets through June 30, 2016 has been updated to reflect more up-to-date information.
2. In FY 2015-16, there is \$450,000 in TFCA funds unspent due a recent decision from the Air District that part of a SamTrans project does not meet cost-effectiveness criteria.
3. Transfer from Measure M to Smart Corridor FY 2016-17 has been increased from \$400K to \$636K to cover it north expansion.
4. Budget for consulting services in the Congestion Relief Plan fund has been reduced to match with more reasonable assumption.
5. Budget for consulting services in the NPDES (Stormwater) fund has been reduced (defer part of the funding initiative efforts to future year).
6. \$145K was moved from “distribution” to “consulting services” within the AB 1546 fund to cover the need consulting service to meet new MRP requirements.
7. A note has been added to the Abandon Vehicle Abatement (AVA) program FY 2016-17 sheet – Recommending the **closure** of this fund in FY 2016-17.
8. For each of the ten program funds, comparison between the budgeted amounts for FY 2015-16 versus FY 2016-17 has been provided to compare apples with apples. Also, notes have been added to explain certain large differences.
9. On each of the program fund sheets, one line has been added to note whether the ending fund balance is a “Restricted Fund Balance” or not.

C/CAG AGENDA REPORT

Date: June 9, 2016

To: C/CAG Board of Directors

From: Sandy Wong, Executive Director

Subject: Review and approve Resolution 16-16 authorizing the C/CAG Executive Director to execute Task Orders with Eisenberg, Olivieri, and Associates, Inc., Larry Walker & Associates, and S. Groner Associates, Inc., in amounts not to exceed \$1,376,257, \$632,025, and \$325,000, respectively, for technical support services to the Countywide Water Pollution Program for Fiscal Year 2016-17.

(For further information or questions, contact Matthew Fabry at 650-599-1419)

RECOMMENDATION

Review and approve Resolution 16-16 authorizing the C/CAG Executive Director to execute Task Orders with Eisenberg, Olivieri, and Associates, Inc., Larry Walker & Associates, and S. Groner Associates, Inc., in amounts not to exceed \$1,376,257, \$632,025, and \$325,000, respectively, for technical support services to the Countywide Water Pollution Program for Fiscal Year 2016-17.

FISCAL IMPACT

Up to \$2,333,282

SOURCE OF FUNDS

NPDES, Measure M, and AB1546 Stormwater funds

BACKGROUND

In August 2015, C/CAG approved Resolution 15-21, authorizing 10 on-call contracts for technical support to the Countywide Water Pollution Prevention Program, authorizing the Executive Director to issue task orders for a cumulative amount not to exceed \$2.3 million in FY 2015-16, and further directing staff to report back to the C/CAG Board on task orders issued. Staff issued a master solicitation on November 6, 2015 to the on-call consultants to address new requirements included in the revised Municipal Regional Permit (MRP), adopted by the Regional Water Board on November 19, 2015.

Five task orders were issued by the Executive Director for Fiscal Year 2015-16, as detailed in Table 1, for a total of \$1.6 million (Note: support services for 15-16 under the new on-call contracts was for approximately half of the fiscal year). Staff negotiated final scopes of work and

budgets with the selected consultants for Fiscal Year 2016-17 and recommends the C/CAG Board authorize the Executive Director to execute Task Orders EOA-04, LWA-02, and SGA-02 with EOA, Inc., Larry Walker & Associates, and S. Groner Associates, in amounts not to exceed \$1,376,257, \$632,025, and \$325,000, respectively. The Task Orders are for work in Fiscal Year 2016-17 only, and Task Orders for future fiscal years will be brought to the C/CAG Board in conjunction with adoption of the annual C/CAG Budget. Sufficient funds are incorporated into the NPDES, Measure M, and AB1546 budgets to support the proposed Task Orders. Table 2 details the draft Fiscal Year 2016-17 stormwater consulting budget and proposed task orders.

It is important to note, C/CAG will be significantly reducing current stormwater-related fund balances during Fiscal Year 2016-17 as a result of increased compliance costs associated with the Municipal Regional Permit. As such, there will be limited carryover of funding to 2017-18, which will likely necessitate cuts in the services C/CAG is able to provide its member agencies in regard to technical support through the Countywide Water Pollution Prevention Program (Countywide Program). Staff plans to bring preliminary proposed options for cutting Countywide Program tasks to the Stormwater Committee in June and will bring recommendations to the C/CAG Board at future meetings in preparation for adoption of the Fiscal Year 2017-18 budget. As budget cuts are necessary, staff anticipates starting with Countywide Program activities that are not directly associated with Municipal Regional Permit compliance, such as support for the various stormwater subcommittees and annual training programs, but will work with the Stormwater Committee and subcommittees to develop an approach that is supported by C/CAG's member agencies.

Due to the large number of pages, copies of each proposed task order and associated scopes of work and budgets are provided via the C/CAG website at <http://ccag.ca.gov/committees/board-of-directors/>.

RESOLUTION 16-16

AUTHORIZING THE C/CAG EXECUTIVE DIRECTOR TO EXECUTE TASK ORDERS WITH EISENBERG, OLIVIERI, AND ASSOCIATES, INC., LARRY WALKER & ASSOCIATES, AND S. GRONER & ASSOCIATES IN AMOUNTS NOT TO EXCEED \$1,376,257, \$632,025, AND \$325,000, RESPECTIVELY, FOR TECHNICAL SUPPORT SERVICES TO THE COUNTYWIDE WATER POLLUTION PROGRAM FOR FISCAL YEAR 2016-17.

RESOLVED, by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that

WHEREAS, C/CAG administers the San Mateo Countywide Water Pollution Prevention Program to assist its member agencies in meeting mandated requirements of the San Francisco Bay Regional Water Quality Control Board's Municipal Regional Permit (MRP); and

WHEREAS, C/CAG and its member agencies recognize and support the need to implement pollution prevention programs to minimize the discharge of pollutants from municipal storm drain systems and C/CAG requires support from technical consultants in assisting its member agencies with meeting MRP requirements; and

WHEREAS, C/CAG previously approved on-call contracts with qualified technical consultants; and

WHEREAS, C/CAG issued a master Request for Proposals to the on-call technical consultants for scopes of work and budgets through Fiscal Year 2017-18; and,

WHEREAS, C/CAG, upon recommendation by its Stormwater Committee, selected Eisenberg, Olivieri, and Associates, Inc., Larry Walker and Associates, and S. Groner Associates to support the Countywide Water Pollution Prevention Program under the on-call contracts; and

WHEREAS, C/CAG staff negotiated final scopes of work and budgets with Eisenberg, Olivieri, and Associates, Inc., Larry Walker and Associates, and S. Groner Associates to support the Countywide Water Pollution Prevention Program in 2016-17; and

NOW, THEREFORE BE IT RESOLVED by the Board of Directors of the City/County Association of Governments of San Mateo County (C/CAG), that the C/CAG Executive Director is authorized to execute Task Orders with EOA, Inc., Larry Walker and Associates, and S. Groner Associates in amounts not to exceed \$1,376,257, \$632,025, and \$325,000, respectively, for technical support services to the Countywide Water Pollution Program for Fiscal Year 2016-17.

RE: **OPPOSE** SB 885 (Wolk)

Dear Senator Wieckowski:

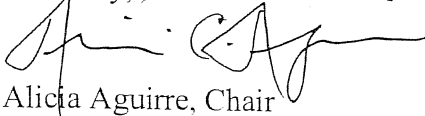

On behalf of the City/County Association of Governments of San Mateo County (C/CAG), I must regrettably inform you of C/CAG's **OPPOSITION to SB 885 (Wolk)**, which would require design professionals used on public works projects to only defend against claims and lawsuits stemming from the "negligence, recklessness, or willful misconduct of the design professional." The bill would also obligate the design professional to reimburse reasonable defense costs incurred by public agencies and will be limited only to the design professional's degree of fault as determined by a court, arbitration, or negotiated settlement.

This bill unnecessarily places a financial burden on local government entities engaged in the construction of public works projects by requiring these agencies to front all, or a portion of, the costs incurred from defending against litigation on public works projects for which a design professional has been found to be wholly, or partially, responsible. While the bill provides for reimbursement of any legal costs accrued as a result of the design professional's level of involvement, the reimbursement occurs only after a determination is made by a court, arbitrator, or through a settlement. This leaves local agencies to shoulder the cost while a level of fault is determined. If the level of fault, and thus the fair share of defense costs, is not satisfactory to the local agency, it must take additional steps to recover its costs, which will surely prove to be another arduous process.

While we believe that a design professional should not have to defend against claims unrelated to the design professional's involvement in a public works project, we do not agree that these same professionals should be excused from any responsibility in defending claims in which they bare some or all of the responsibility until after a court has ruled that such is true. Local agency budgets are already stretched extremely thin and paying for litigation on behalf of design professionals is not something that is easily borne.

For the reasons stated above, we must respectfully **OPPOSE** SB 885. Please feel free to contact Sandy Wong, the C/CAG Executive Director, at slwong@smcgov.org with any questions or concerns.

RE: **OPPOSE** SB 1170 (Wieckowski)

Dear Senator Wieckowski:

On behalf of the City/County Association of Governments of San Mateo County (C/CAG), which manages the San Mateo Countywide Water Pollution Prevention Program (Program), I must regrettably inform you of C/CAG's **OPPOSITION to SB 1170 (Wieckowski)** related to stormwater pollution prevention. Unfortunately, as currently written, SB 1170 raises significant concerns related to our ability to meet the goals established by San Mateo County's Program and meet our National Pollution Discharge Elimination System (NPDES) permit requirements.

In San Mateo County, the Program is a partnership between C/CAG, each incorporated city and town in the county, and the County of San Mateo, which share a common NPDES permit. The County and the 20 cities and towns in San Mateo County are all permittees under one regional urban stormwater NPDES permit, which also regulates municipalities in Contra Costa, Alameda, and Santa Clara Counties, as well as the cities of Fairfield, Suisun City, and Vallejo.

On projects that encompass at least one acre of land, Stormwater Pollution Prevention Plans (SWPPPs) must be developed to ascertain potential sources of stormwater pollution on construction sites and identify the control measures needed to be taken during the construction process. SWPPPs must be written, amended, and certified by qualified personnel who are knowledgeable in the principles and practice of erosion and sediment controls and possess the skills needed to assess conditions at the construction site that could impact stormwater quality. C/CAG and our local agencies rely on the expertise of qualified SWPPP developers, known as QSDs, to conduct this work, as agencies do not have the resources nor the regular workload required to employ such personnel throughout the year.

SWPPPs are currently created in accordance with the general contractor's construction plans. As construction progresses, SWPPPs must often be modified to accommodate the constantly changing conditions of a construction site. The general contractor is in the best position to create the construction plan and contract for the corresponding SWPPP. A general contractor-developed SWPPP can incorporate an optimal construction sequence selected by the contractor, thereby maximizing efficiency and reducing costs.

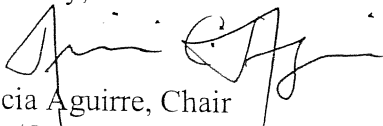

SB 1170 would turn this standing process on its head by prohibiting public agencies from contracting with the general contractor to develop a SWPPP and statutorily restricting the

agencies' remaining options to an engineer or architect. A separate entity developing a SWPPP would have to assume a sequence of work that might occur under one construction scenario but not another. Public agencies do not have the direct control over the day-to-day construction, let alone the expertise, to perform this function.

Ultimately, the success or failure of a SWPPP lies with the general contractor carrying out the plan. If the legislature statutorily shifts the development and liability of the SWPPP to the public agency, or to a design professional or architect, it will create confusion and conflict within the public works process. SB 1170 will only further disconnect the entity responsible for the development of the SWPPP from the entity that performs the work related to the SWPPP.

From the reasons stated above, we must **OPPOSE** SB 1170. Please feel free to contact Sandy Wong, the C/CAG Executive Director, at slwong@smcgov.org with any questions or concerns.

Sincerely,

Alicia Aguirre, Chair

RE: **SUPPORT** for AB 2293 (Garcia)

Dear Assembly Member Garcia:

The City/County Association of Governments of San Mateo County (C/CAG), which is the Congestion Management Agency (CMA) for San Mateo County, and which also administers other programs such as San Mateo Countywide stormwater, energy efficiency, and water conservation programs, is pleased to write to you today in **SUPPORT** of AB 2293 and encourage use of Greenhouse Gas Reduction Fund (GGRF) funds outside of the AHSCP.

This bill would establish funding for a Green Assistance Program (GAP) under CalEPA, which is consistent with the legislative priorities of C/CAG; the GAP coordinating with existing local programs to reduce greenhouse gas emissions with new funding from the GGRF. As noted above, the GAP would be funded from the from GGRF revenues and allows funding to be directed from the Affordable Housing and Sustainable Communities Program (AHSCP). C/CAG believes, given our state's affordable housing crisis, that the state make as much funding available as possible to address the issue of affordable housing. Therefore, C/CAG prefers that the GAP be funded using GGRF revenues outside of the AHSCP.

The San Mateo County Green Business Program and the California Green Business Network (CAGBN), which administers the statewide California Green Business Program, provides considerable assistance to local businesses to enable them to do their part to meet the State's greenhouse gas reduction goals in AB 32. The local program promotes alternative transportation choices for business employees, reductions in stormwater system pollution, energy and water conservation, and waste reduction opportunities.

Currently, the local program and CAGBN only receive funding from annual fees from participating local governments and federal grant funds to help ready the program's database and other assets for expansion into five additional states in the US. The programs receive no funding from the State of California. San Mateo County, based on CalEnviroScreen, has one community (Daly City) that qualifies as a disadvantaged community, but the State of California has many others. The CAGBN is challenged to provide assistance to California communities that have expressed interest in establishing a local program because of the cost associated with providing assistance to organize and launch a new local program. Access to GGRF funds for the local

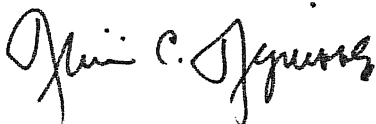

community would greatly reduce this challenge.

Collectively, through the California Green Business Program, businesses save annually:

- 822,677 metric tons of CO2 from energy efficiency, water conservation, and waste reduction
- 124,312,888 gallons of water
- 419,947 tons of waste diverted from landfill
- \$30 million in utility savings

We **SUPPORT** AB 2293 and appreciate your efforts to provide both state and local programs the additional resources necessary to address our greenhouse gas reduction, stormwater pollution prevention, energy and water conservation, and solid waste goals. Please feel free to contact Sandy Wong, the C/CAG Executive Director, at slwong@smcgov.org with any questions or concerns.

Sincerely,

Alicia Aguirre, Chair
