PHASE II: POLICY & PLANNING

STRATEGIES:

- Integrate adaptation into County plans, policies, projects and operations
- Provide Technical Assistance to cities
 - Create a menu of adaptation strategies
 - Develop policy toolkits and templates
 - Provide resources and support for SB 379 compliance

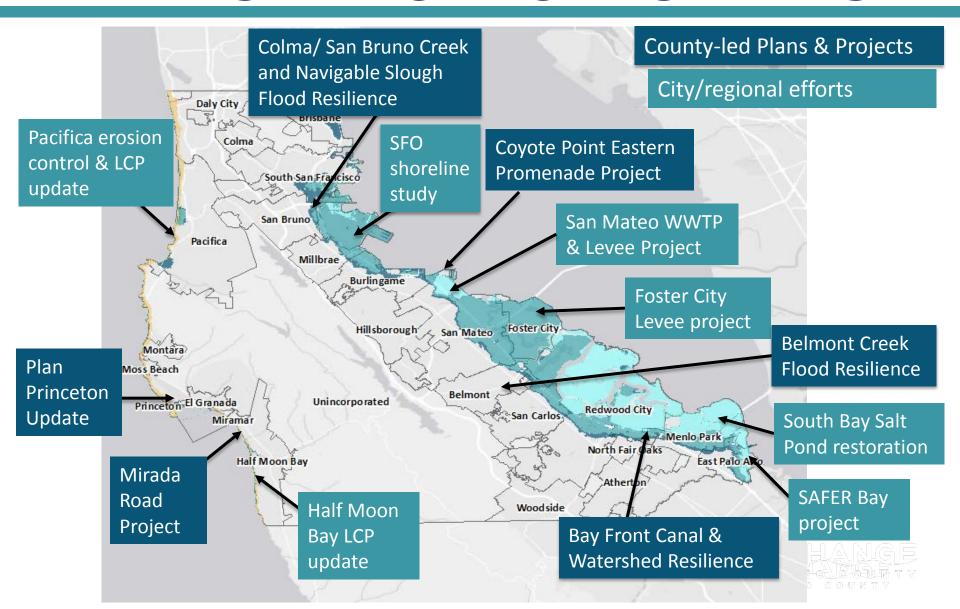

PHASE II: OUTREACH & ENGAGEMENT

STRATEGIES:

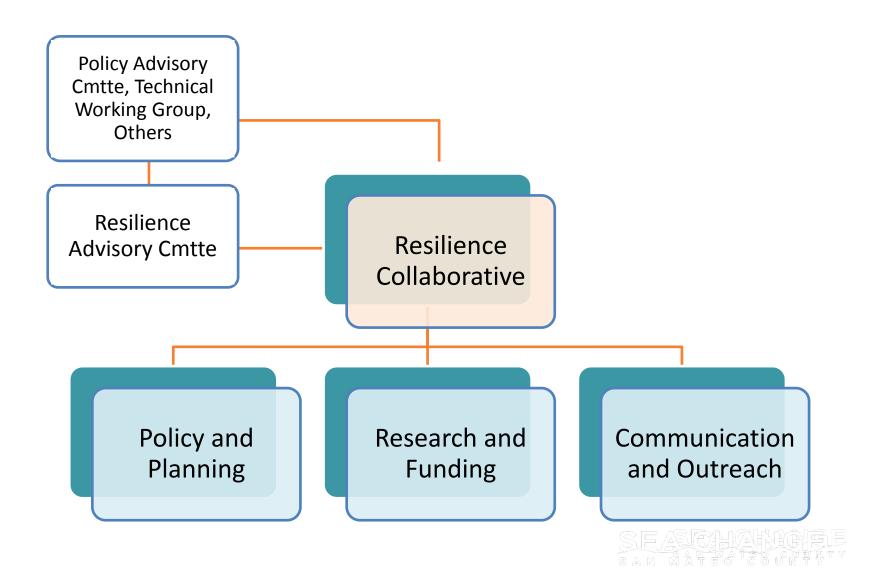

- Resilience Convening
- Sea Level Rise Roadshow
- Communications and Messaging Tools
- Adaptation Clearinghouse
- Community engagement projects

PHASE III: OPPORTUNITIES

NEXT STEPS: COLLABORATION

DISCUSSION

- Questions about Phase II?
- Feedback on ideas and next steps
 - Do we have the right approach to support regional collaboration and coordination?
 - How do we best inform and engage your colleagues?
 - Who best to serve on advisory committee?

THANK YOU!
