

AUTHORIZATION TO USE THE C/CAG-VTA TRAVEL MODEL

INFORMATION

C/CAG member agencies and planning partners, including the San Mateo County Transit District (SamTrans), the San Mateo County Transportation Authority, and the Peninsula Joint Powers Authority (JPB) may request authorization for use of the C/CAG-VTA Travel Model at no charge.

Use of the Travel Model is restricted to San Mateo County locations only and must receive prior authorization from C/CAG. C/CAG maintains a list of pre-approved travel forecast model consulting firms to run the C/CAG-VTA Travel Model. In the event that a developer requests authorization to use the model, there is a \$10,000 fee, and one of the pre-approved consulting firms must be used.

Other consulting firms may submit input, request output, and analyze results of model runs conducted by the pre-approved travel demand simulation and forecast model consulting firms. However, the C/CAG-VTA Travel Model can only be run by one of the authorized modeling firms. Therefore, it will be necessary to enter into a contract with one of the pre-approved consulting firms to run the C/CAG-VTA Travel Model.
