State Capital Updates:

C/CAG staff, Reid Bogert, introduced the legislative consultant, Matt Robinson, to provide the legislative update from the state capitol on the second to the last date of the legislative session.

Movement on bills related to C/CAG's position:

SB 9 (Housing) – C/CAG opposed and has sent a letter to the Governor

AB 1401 (Parking standards) – C/CAG opposes and is held up in appropriations

AB 1200 (Styrofoam packaging) – on the Governor's desk

SB 339 (VMT Pilot program) – on the Governor's desk

AB 361 (Brown Act – Virtual Meetings extension) – still on Senate floor

AB 339 (Brown Act – population-based requirement for public virtual access) – back to committee

(Note: AB 361 and AB 339 must both be passed together)

SB 7 (Environment and Jobs) – on the Governor's desk

SB 10 (Housing) – on the Governor's desk

AB 43 (Speed limits) – on the Governor's desk

AB 117 (Electric bikes) – held in Appropriations but funded

SB 377 (Water Resources Control Board role) – made a two-year bill

AB 629 (Seamless transportation) – two-year bill

AB 1499 (Transportation Highway Design-build) – on consent and headed to the Governor's desk for signature

ACA 1 (Voting thresholds) – not likely to go to vote this year

Robinson also noted that State transportation funding dedicated to High Speed Rail (HSR); negotiations failed, and that funding is paused. Failure is tied to need for agreement on where the project development is focused, rural Central Valley or densely populated areas. HSR and multiple other transportation program's funding has also been put back into general fund on October 10th with the outcome of future negotiations unknown at this time.

There are also multiple trailer bills, some of which are related to multi-benefit project and water. The consultant has shared updates with staff, but it would be difficult to action until a designated State agency begins to implement a program or grant. Chair Papan noted that there is a need for

an instructive video on Stormwater, to help the community better understand multi-benefit projects. Staff responded that work is in progress. Robinson suggested that C/CAG continue to consider working with local representatives to make budget requests for specific projects, as has been successful in the past.

Robinson noted that the legislative committee and staff have made progress on turnaround time for position letters and that, despite the recall election, Governor Newsom will be in office on October 10th and has time to sign bills and that the outcome of the recall election will be known 38 days from the election day.

Chair Papan suggested cities work together to seek infrastructure funding as opposed to competing. Committee members, staff, and the consultant commented.

7. Receive information on August 17, 2021 meeting with Assemblymember Kevin Mullin.

Staff shared that the meeting with Assemblymember Mullin was held on August 17th following the same format as was used in previous three meetings. Assemblymember Ting was not available. Committee members, and the consultant who attended, commented on the meeting.

Staff reminded the Committee that there was interest in inviting representatives from State departments and that C/CAG's consultant can perhaps work on that request.

8. Receive information on plans to issue a Request for Proposals for Federal Legislative Advocacy Services.

Staff provided an overview of the draft Request for Proposals (RFP) for feedback from the Committee. The Committee provided comments on the RFP.

9. Proposed topics for December 9, 2021 meeting.

Chair Papan reminded the Committee and staff the a discussion on coordination on funding was suggested.

Adjournment.

The meeting adjourned at approximately 6:30 P.M.

BACKGROUND

Each year, the C/CAG Legislative Committee (Committee) nominates and elects a Chairperson and Vice Chairperson of the Committee for the next calendar year.

Staff recommends the Committee to elect a Chairperson and a Vice Chairperson to serve the 2022 calendar year.

Staff proposes the following process, which would start with the nomination and election of a Chair first and then the Vice-Chair second.

1. Committee members nominate candidates for the Chair.
2. Staff add names to vote table. See Attachment 1.
3. Staff call for a roll call where each committee member would identify a choice for Chair.
4. Staff will add votes to Vote Table (a yes vote equals "1"), tally the votes, and the top vote recipient would be the next Chair. If there is a tie, a tie breaker vote would be held among the tied top scoring candidates.
5. Repeat process for Vice Chair.

RE: **STATE LEGISLATIVE UPDATE – December 2021**

Legislative Update

The Legislature is still in recess and will return to Sacramento to begin the second year of the 2021-22 Legislative Session on January 3. The Legislature released the [2022 Tentative Legislative Calendar](#) in late-October establishing the deadlines for 2022. Two notable deadlines: 1) all two-year bills still in the house of origin must move to the other house by January 31 and; 2) February 18 marks the bill introduction deadline for new bills. The Calendar also notes which holidays the Legislature will take during the session in 2022 and confirms that August 31 will be the final day of the 2021-22 Legislative Session. Shortly after the Legislature reconvenes, Governor Newsom will release his January budget proposal on January 10. We expect it will contain proposals for investments in transportation, climate & drought resiliency, and affordable housing & homelessness.

As you are aware, Congress Member Jackie Speier (D-San Mateo) announced she’d be stepping down at the end of 2022. Several candidates announced their intention to run for the soon-to-be vacant seat and depending on the outcome, there could be turnover in elected positions at the state or local level. Additionally, as you know, Assembly Member Chiu (D-San Francisco) was appointed by San Francisco Mayor Breed to serve as San Francisco City Attorney. Mr. Chiu was sworn in as City Attorney on November 1, creating a vacancy in the 17th Assembly District. Governor Newsom announced that the special election to fill begin with the primary on February 15 and the election on April 19, 2022.

Bills of Interest

Per the discussion above on the upcoming two-year bill deadline, below are Bills of Interest that must move to the other house by January 31 if they are to remain active in 2022:

AB 377 (Rivas) Water Quality – Two-Year Bill

[This bill](#) would require all California surface waters to be fishable, swimmable, and drinkable by January 1, 2050 and prohibit the State Water Resources Control Board and Regional Water Quality Control Boards from authorizing any discharges (including stormwater) that causes or contributes to an exceedance of a water quality standard in receiving waters. The bill would prohibit a regional water quality control plan from including a schedule for achieving a water quality standard adopted as of January 1, 2021. The bill would require the state board and regional boards to develop by 2030 an

Impaired Waterways Enforcement Program to enforce all remaining water quality standard violations and a Waterway Attainment Penalty Subaccount, composed of penalties obtained pursuant to the Impaired Waterways Enforcement Program, and would make moneys in the subaccount available for the state board to expend, upon appropriation by the Legislature, for purposes of the program. ***The C/CAG Board OPPOSES this bill.***

AB 629 (Chiu) Seamless Bay Area – Two-Year Bill

As currently drafted, [this bill](#) would require MTC to consult with transit agencies, local jurisdictions, county transportation agencies, and the public to establish and maintain a transit priority network for the San Francisco Bay area that designates corridors that can best support transit service.

This bill would require MTC to submit a copy of *the Fare Coordination and Integration Study and Business Case* to the Legislature by February 1, 2022, as well as a follow up report on the progress of implementing the recommendations in the study by January 1, 2023. The bill would require MTC to create a pilot program for an “accumulator pass” among operators providing service in at least three adjacent counties by July 1, 2023. This bill would require MTC in consultation with transit agencies to develop a standardized regional transit mapping and wayfinding system and to develop an implementation and maintenance strategy and funding plan for deployment of the system by July 1, 2024 and for each transit agency to use the system by July 1, 2025. The bill would require a transit operator in the Bay area to use open data standards to make available all routes, schedules, and fares in a specified data format and to track actual transmission of real-time information by transit vehicles and report that information to the commission to ensure that schedule predictions are available. The bill would require the commission to coordinate these activities and to develop an implementation and funding plan for deployment of real-time information. Finally, this bill would require MTC, Caltrans, and the operators of managed lanes in the Bay Area to take specified steps to ensure the regional managed lanes network supports seamless operation of high-capacity transit. ***This bill will need a new author as Assembly Chiu was appointed San Francisco City Attorney in early November.***

ACA 1 (Aguiar-Curry) Local Government Financing: Affordable Housing and Public Infrastructure: Voter Approval – Two-Year Bill

[This constitutional amendment](#) would lower the necessary voter threshold from a two-thirds supermajority to 55 percent to approve local general obligation bonds and special taxes for affordable housing and public infrastructure projects, including public transit. The C/CAG Board supported a nearly identical measure, also ACA 1 (Aguiar-Curry), in 2019. ***The C/CAG Board SUPPORTS this bill.***

C/CAG AGENDA REPORT

Date: December 9, 2021

To: City/County Association of Governments of San Mateo County Legislative Committee

From: Sean Charpentier, Executive Director

Subject: Review and recommend approval of the Annual C/CAG Legislative Policies for 2022.

(For further information or response to questions, contact Kim Springer at kspringer@s.cgov.org)

RECOMMENDATION

That the Legislative Committee review and recommend approval of the Annual C/CAG Legislative Policies for 2022.

FISCAL IMPACT

Many of the policies listed in the attached document have the potential to increase or decrease the fiscal resources available to C/CAG member agencies.

SOURCE OF FUNDS

New legislation.

BACKGROUND

Each year, the C/CAG Board adopts a set of legislative policies to provide direction to its Legislative Committee, staff, and legislative advocates. In the past, the C/CAG Board established policies that:

- Clearly defined a policy framework at the beginning of the Legislative Session.
- Identified specific policies to be accomplished during this session by C/CAG's legislative advocates.
- Limited the activities of C/CAG to areas where we can have the greatest impact.

During the time between fall recess and the scheduled December 9, 2021 Legislative Committee meeting, C/CAG staff worked with C/CAG's legislative advocates to make several modifications and additions to policies to ensure C/CAG's policy platform is up-to-date and aligns with regional goals that are consistent with C/CAG's legislative priorities and recently enacted legislation and executive orders from the Governor's office. Staff have revised the 2021 C/CAG Legislative Policies for recommended approval by the C/CAG Board of Directors as the 2022 C/CAG Legislative Policies, included herein as Attachment 1.
