- Link term to length of MRP Permit
- Continue to implement Water Pollution Prevention Program with 13 Identified Tasks
- Flexibility about which Tasks firms could propose on
- Distributed to 200+ recipients
- Received 3 proposals (EOA/CW/SGA)
- EOA- All 13 Tasks
- Craftwater 4 Tasks (Annual Reporting/GI & Regional Planning/Cost Reporting/Asset Management)

TECHNICAL SUPPORT TO THE SAN MATEO COUNTYWIDE WATER POLLUTION PREVENTION PROGRAM

PROPOSAL FOR TECHNICAL SUPPORT TO THE SAN MATEO COUNTYWIDE WATER POLLUTION PREVENTION PROGRAM

A PROGRAM OF

Prepared by EOA, Inc. in association with Geosyntec Consultants, Paradigm Environmental, Urban Rain Design, SGA, Kinnetic Environmental, and SCI Consulting Group

May 27, 2022

Review Panel Recommendation

Three-year on-call contracts:

- Eisenberg, Olivieri & Associates
- Craftwater Engineering

FY22-23 Task Orders:

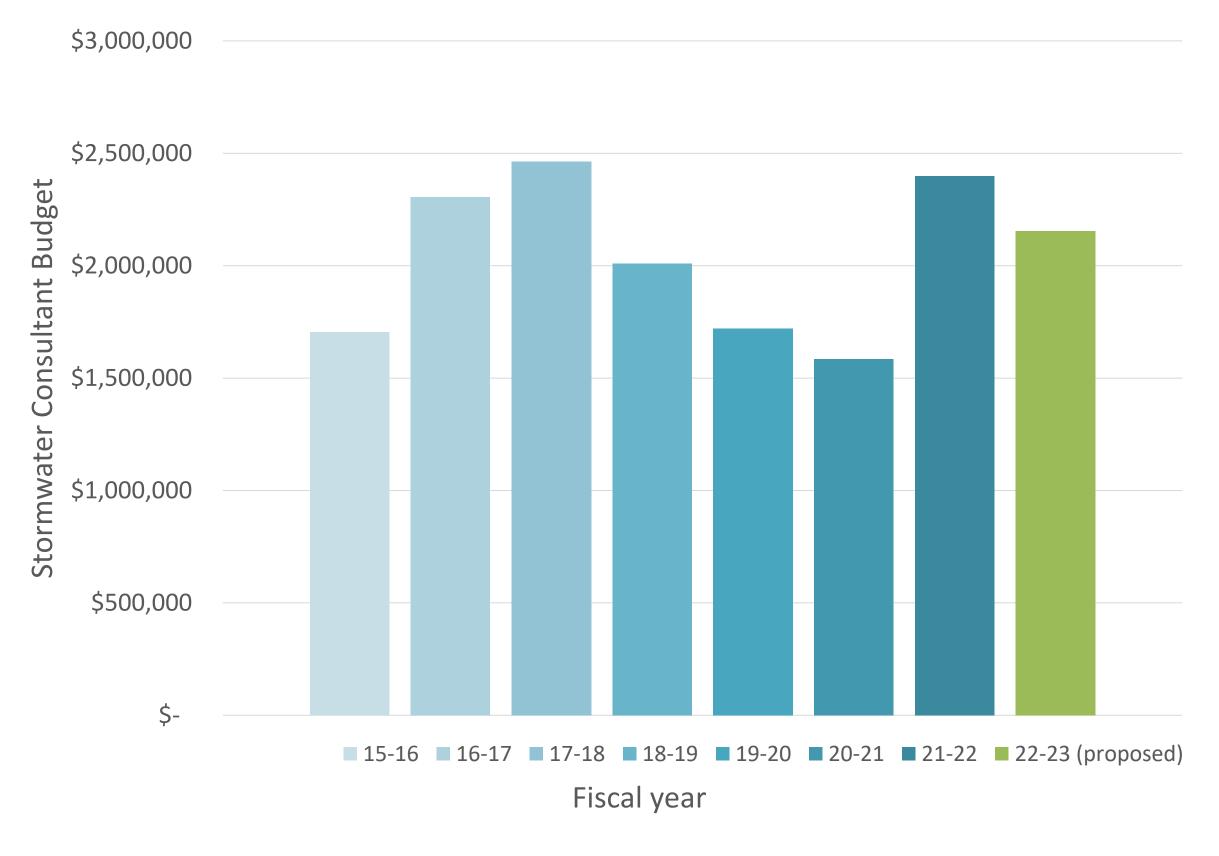

Cumulatively not to exceed \$1,905,000

Future FY amounts contingent on need and annual program budget approval

Option to extend contracts after three years

Stormwater Technical Consultant Budgets (MRP 2.0 and FY2022-23)

- Costs increase early permit, taper off and increase again towards end of permit for reissuance
- Plan for FY2022-23 is to keep costs relatively streamlined at outset recognizing costs will increase in coming years
- Consistent with prior year strategies

Any Questions?
