MEMORANDUM ON INTERNAL CONTROL

To the Governing Board of the City/County Association
of Governments of San Mateo County
Redwood City, California

In planning and performing our audit of the basic financial statements of the C/CAG as of and for the year ended June 30, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered C/CAG's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of C/CAG's internal control. Accordingly, we do not express an opinion on the effectiveness of C/CAG's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of C/CAG's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, Governing Board, others within the organization, and agencies and pass-through entities requiring compliance with *Government Audit Standards*, and is not intended to be and should not be used by anyone other than these specified parties.

REQUIRED COMMUNICATIONS

To the Governing Board of the City/County Association
of Governments of San Mateo County
Redwood City, California

We have audited the basic financial statements of the City/County Association of Governments of San Mateo County (C/CAG) for the year ended June 30, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated April 29, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Accounting Policies – Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by C/CAG are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the year.

Unusual Transactions, Controversial or Emerging Areas – We noted no transactions entered into by C/CAG during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting Estimates – Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting C/CAG’s financial statements were):

Estimated Net Pension Assets and Liabilities and Pension-Related Deferred Outflows and Inflows of Resources: Management’s estimate of the net pension assets and liabilities and deferred outflows/inflows of resources are disclosed in Note 5 to the financial statements and are based on actuarial studies determined by a consultant, which are based on the experience of the C/CAG. We evaluated the key factors and assumptions used to develop the estimate in determining that it is reasonable in relation to the basic financial statements taken as a whole.

Estimated Net OPEB Obligation: Management’s estimate of the net OPEB obligation is disclosed in Note 6 to the financial statements and is based on actuarial study determined by a consultant, which is based on the experience of C/CAG. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Estimated Fair Value of Investments: As of June 30, 2022, C/CAG held approximately \$27.4 million of cash and investments as measured by fair value as disclosed in Note 2 to the financial statements. Fair value is essentially market pricing in effect as of June 30, 2022. These fair values are not required to be adjusted for changes in general market conditions occurring subsequent to June 30, 2022.

Disclosures – The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not propose any audit adjustments that, in our judgment, could have a significant effect, either individually or in the aggregate, on the C/CAG’s financial reporting process.

Professional standards require us to accumulate all known and likely uncorrected misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We have no such misstatements to report to the Governing Board.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor’s report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in a management representation letter dated October 15, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the C/CAG’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the C/CAG’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to the required supplementary information that accompanies and supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the required supplementary information and do not express an opinion or provide any assurance on the required supplementary information.

This information is intended solely for the use of the Governing Board and management and is not intended to be, and should not be, used by anyone other than these specified parties.
