W I T N E S S E T H

WHEREAS the Board of Directors of the City/County Association of Governments, at its September 15, 2022 meeting, approved Resolution 22-82 authorizing \$200,000 of Measure M Safe Routes to School (SRTS) funds to be incorporated into the San Mateo County Transportation Authority (SMCTA) Pedestrian and Bicycle Program Call for Projects (CFP); and

WHEREAS, the \$200,000 Measure M SRTS funds are part of a set-aside for small SRTS projects under C/CAG’s process for the One Bay Area Grant Cycle 3 process; and

WHEREAS, The SMCTA Board of Directors formally approved the nomination list for the Pedestrian and Bicycle Program CFP in December 2022 and awarded the City of Pacifica’s Mid-Block Crosswalk Safety Project \$200,000 of Measure M SRTS funds, and

WHEREAS, it is necessary for C/CAG to enter into a funding agreement with the City of Pacifica and set forth the responsibilities of each party.

NOW, THEREFORE, IT IS HEREBY AGREED by the parties as follows:

1. **Project to be constructed by CITY.** In consideration of the payments hereinafter set forth, the CITY shall build the proposed Mid-Block Crosswalk Safety Project approved for grant funding (hereinafter called the “PROJECT”) in accordance with the terms, conditions, and specifications set forth herein and in Exhibit B attached hereto and by this reference made a part hereof. C/CAG assumes no ownership, operations, or maintenance obligations in exchange for providing the specified grant payments.
2. **Contract Term.** This Agreement shall be in effect as of March 9, 2023 and shall terminate on December 31, 2023 provided, however, the C/CAG Executive Director may terminate this Agreement at any time for any reason by providing 30 days’ written notice to CITY. In the event of termination under this paragraph, CITY may request reimbursement for construction costs incurred prior to termination (less 15% local match). however, C/CAG reserves the right to reduce or withhold payment under this paragraph for projects that do not meet the overall intent of the grant program or that do not demonstrate balanced integration of Safe Routes to School and stormwater features.

3. **Payments.** In consideration of the CITY building the PROJECT in accordance with all terms, conditions and specifications set forth herein and in Exhibit B, C/CAG shall make payments to CITY for work completed as described in Exhibit B, in a total amount not to exceed \$200,000. Reimbursement requests, including any progress payment requests, shall recognize the required 15% local match component to ensure that C/CAG does not pay more than 85% of the total project construction costs, up to the grant award amount (i.e., after deducting 15% from the total PROJECT construction costs for local match, C/CAG will reimburse CITY for the remaining costs, up to the grant award amount). Reimbursement requests shall include the final PROJECT costs, either as a contractor bid document including any change orders, or an alternate version that details the total PROJECT costs.
4. **Amendments.** This Agreement may be amended by mutual agreement of C/CAG and the CITY at any time during the term of the Agreement. Any changes in the services to be performed under this Agreement shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in scope and schedule. All amendments shall be executed by C/CAG and the CITY. No claim for additional compensation or extension of time shall be recognized unless contained in a duly executed amendment.
5. **Submittal of Final Project Design.** To ensure the PROJECT is substantially consistent with the proposed project selected to receive funding via the Call for Projects, the CITY shall submit to C/CAG for concurrence the final PROJECT design prior to securing a contractor to build the PROJECT or before CITY staff or others would begin building the PROJECT. C/CAG recognizes there may be revisions between the grant proposal and final project design, but the overall intent is to ensure a comparable project is built consistent with what was submitted under the Call for Projects and for which the CITY was competitively selected to receive grant funding. CITY shall not proceed with building the PROJECT until it receives written concurrence from C/CAG staff that the PROJECT is substantially consistent with the project submitted with the original grant proposal.
6. **Relationship of the Parties.** It is understood that this is an agreement by and between independent contractors and is not intended to, and shall not be construed to, create the relationship of agent, servant, employee, partnership, joint venture or association, or any other relationship whatsoever other than that of independent contractor.
7. **Non-Assignability.** CITY shall not assign this Agreement or any portion thereof to a third party without the prior written consent of C/CAG, and any attempted assignment without such prior written consent in violation of this Section automatically shall terminate this Agreement.

Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than \$1,000,000 unless another amount is specified below and shows approval by C/CAG Staff.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the C/CAG Executive Director, at his option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement.

10. **Non-discrimination.** The contractor and any subcontractors performing the services on behalf of the contractor shall not discriminate or permit discrimination against any person or group of persons on the basis of race, color, religion, national origin or ancestry, age, sex, sexual orientation, marital status, pregnancy, childbirth or related conditions, medical condition, mental or physical disability or veteran's status, or in any manner prohibited by federal, state or local laws.
11. **Compliance with All Laws.** CITY's contractor shall, with respect to the PROJECT, comply with all applicable laws and regulations, including without limitation those regarding services to disabled persons, including any requirements of Section 504 of the Rehabilitation Act of 1973. In the event of a conflict between the terms of this Agreement and any applicable law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement. The CITY will timely and accurately complete, sign, and submit all necessary documentation of compliance.
12. **Access to Records.** C/CAG, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of CITY which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcriptions. CITY shall maintain all required records for five (5) years after C/CAG makes final payments and all other pending matters are closed.
13. **Merger Clause.** This Agreement, including Exhibit B attached hereto and incorporated herein by reference, constitutes the sole agreement of the parties hereto with regard to the matters covered in this Agreement, and correctly states the rights, duties and obligations of each party as of the document's date. Any prior agreement, promises, negotiations or representations between the parties not expressly stated in this Agreement are not binding. All subsequent modifications shall be in writing and signed by the C/CAG Executive Director. In the event of a conflict between the terms, conditions or specifications set forth herein and those in Exhibit B attached hereto, the terms, conditions or specifications set forth herein shall prevail.
14. **Governing Law.** This Agreement shall be governed by the laws of the State of California, without regard to its choice of law rules, and any suit or action initiated by either party shall be brought in the County of San Mateo, California.

Pacifica Schools Mid-block Crosswalk Safety Improvements

Sponsor: City of Pacifica

Requested Funding: \$234,080

Requested Phases: CON

Recommended Award: \$200,000 –
C/CAG Measure M SRTS Funding

Recommended Phases: CON

Project Description:

Pacifica's 2020 Bicycle and Pedestrian Plan identified high-priority, mid-block, unsignalized crossings on major roads in front of schools or senior housing that needed to be enhanced to improve safety and comfort of the most vulnerable roadway users in the City. At many of the identified locations, drivers are currently driving through mid-block crosswalks without stopping and are often distracted.

The project will construct crosswalk improvements including rectangular rapid flashing beacons (RRFBs) and other minor striping and signage improvements at five locations, primarily at mid-block crossings near schools or senior centers. Improvements to lines of sight, flashing lights to grab drivers' attention, and increased signage and striping will all help to make these crosswalks safer for their respective users.

EXHIBIT B

SCOPE OF WORK

The installation of crosswalk improvements including rectangular rapid flashing beacons (RRFBs), incidental poles and foundations, and other minor striping and signage improvements at five school mid-block crossing locations.

1. Ingrid B. Lacy Middle School (Palmetto & Shoreview) – mid block crossing along arterial with the need for RRFBs to improve crosswalk visibility. Additional crosswalk signage and shark teeth (yield here) striping would be installed. Serves student walkers and drop-off/pickup.
2. Ingrid B. Lacy Middle School (2nd crosswalk) (Palmetto & Surf) - mid block crossing along arterial with the need for RRFBs to improve crosswalk visibility. Additional crosswalk signage and shark teeth (yield here) striping would be installed. Serves student walkers and drop-off/pickup.
3. Vallemar Elementary School (Reina Del Mar & Reichling) - mid block crossing along arterial with the need for RRFBs to improve crosswalk visibility. Additional crosswalk signage, refresh of striping, and shark teeth (yield here) striping would be installed to bring the crossing up to MUTCD standard. Crossing serves pedestrians at school for walking and pickup/drop-off.
4. Terra Nova High School (Terra Nova Blvd. @ Terra Nova HS) - mid block crossing along arterial with the need for RRFBs to improve crosswalk visibility. Serves student parking and bus stop across the road from high school.
5. Ortega Elementary School (Lerida & Poplar) - mid block crossing with the need for RRFBs to improve crosswalk visibility. Serves student walkers and pickup/drop off area.

Each site will be assessed individually for additional striping, striping refresh, and possible quick build improvements to slow vehicles and bring attention to the mid-block crosswalks.
