C/CAG Legislative Consultant, Matt Robinson from Shaw Yoder Schmeltzer & Lange (SYASL) provided an update to the Committee, based on their monthly report provided in the agenda packet. Other SYASL staff, Andrew Antwih and Silvia Solis Shaw, also provided input during the meeting.

Robinson shared that the four bills, for which positions had been taken at the April Committee and Board meetings, ended up being held in suspense and, therefore no letters were draft or sent. They were:

- AB 321 (Wilson) Sales and Use Tax Exemption: Zero Emission Public Ferries, SUPPORT,
- AB 463 (Hart) Prioritization of Services: Public Transit Vehicles, SUPPORT,
- AB 756 (Papan) Stormwater Runoff, SUPPORT, and
- AB 1525 (Bonta) Transportation Project Impacts to Priority Communities, OPPOSE.

Robinson provided updates on the State budget deficit, a number of actions taken by the Legislature on the Transit Fiscal Cliff, the Governor's Infrastructure Approval Streamlining Package, Climate Bond legislation (SB 867 Allan and AB 1567 Garcia), and movement to Assembly of SB 511 (Blakespear) – Climate Inventories.

The consultant and the Committee also discussed housing bills: SB 4 (Wiener) and SB 423 (Wiener), to which the Committee decided to continue to follow the bills and continue to find a meeting with Senator Wiener.

Chair Rak opened a discussion on SB 450 (Atkins) and the Committee voted to OPPOSE the bill with a motion made by Member Lewis, seconded by Member Rak. A vote was taken, and he motion passed (8,0,0).

**7. Adjournment.**

The meeting adjourned at approximately 6:23 P.M.

**BACKGROUND**

The C/CAG Legislative Committee receives monthly written reports and oral briefings from C/CAG's State legislative advocate, Shaw Yoder Antwih Schmelzer & Lange (Consultant). Important or interesting issues and votes on positions taken by the Committee, or that arise out of the committee meetings, are reported to the full C/CAG Board.

The attached report from Consultant may include various updates from Sacramento with respect to the State Budget process, State grant programs, recent committee hearings, and bill progress of interest to C/CAG since the Committee last met. The current session began on December 5, 2022 and new bills for the 2023-24 Legislative Session were introduced through February 17, 2023. There were approximately 2500+ bills, many of which were "spot" bills.

The Legislative Committee may also discuss current or past bills, those already voted on by the Committee, funding requests, sponsorship of legislation, preparing for meetings with delegation, or providing letters supporting or opposing bills already on the Governor's desk.

At this Committee meeting, the Committee will mainly receive updates from the Consultant on State budget updates, and any additional information from Sacramento on bills discussed in the attached C/CAG Legislative Update. In addition, there are three bills of interest for consideration by the Committee.

### **Key C/CAG Legislative Session Activities**

The Legislative Committee approved sending a letter to the legislature requesting additional flexibility in the Brown Act, at the January 12, 2023 meeting. The letter was drafted, reviewed, signed, and delivered through SYASL at the end of January.

At the March 9, 2023 meeting, the Committee voted to support ACA-1 (Aguilar-Curry). In addition, the Legislative Committee took position on two ballot measures: Taxpayer Protection and Government Accountability Act – Oppose, and a ballot measure to repeal the majority voter approval requirement for Low-Rent Housing – Support. The C/CAG Board approved of these positions.

### **Brown Act Legislation**

There are currently five bills related to the Brown Act for this session and SYASL is tracking their value to C/CAG's goals as expressed in the letter. They are listed below. Two of those bills were acted upon by the Legislative Committee and the Board at the March 9, 2023 meeting. At the April 13, 2023 meeting, the Legislative Committee and the Board acted on two additional Brown Act bills:

- AB 557 (Hart) – Support
- AB 817 (Pacheco) – Support
- AB 1379 (Papan) – Support
- SB 411 (Portantino)
- SB 537 (Becker) – Support

Three support letters have been sent. Unfortunately, SB 537 (Becker) underwent significant amendments such that staff and SYASL believe the bill should be re-presented to the Legislative Committee for reconsideration. No action was taken on the Becker bill.

In April the Legislative Committee and Board acted in support in SB 511 (Blakespear) and that letter was sent.

At the May Legislative Committee, four additional positions were taken and presented to the C/CAG Board, which voted to approve. They are as follows:

- AB 321 (Wilson Sales Use Tax Exemption for Public Ferries – Support
- AB 463 (Hart) Prioritization of Service: Public Transit Vehicles – Support
- AB 756 (Llanos) Stormwater Runoff Pilot Project – Support
- AB 1525 (Bonta) Transportation Project Impacts to Priority Populations - Oppose

Unfortunately, all four of the bills, for which the Committee and the Board took positions in May, were moved to suspense, so no letters were drafted or delivered.

At the June 8<sup>th</sup> Legislative Committee and Board meetings, both bodies voted to oppose SB 450 (Atkins) and a letter was sent.

Re: **STATE LEGISLATIVE UPDATE – July 2023**

---

### ***Legislative Update***

July 1 marks the start of the 2023-24 Fiscal Year. The Legislature sent Governor Newsom a budget bill on June 15, as constitutionally required, and on June 26, [announced](#) an agreement with the Administration on the state budget, which includes the Governor's infrastructure streamlining package (much more on this below). Policy committees have been hearing bills sent over from the other house and will have until July 14 to hear and report bills to the fiscal committees or the floor. July 14 also marks the start of the Legislature's Summer Recess. The Legislature will reconvene from Summer Recess on August 14 and have a month to finish the first year's business before they adjourn for the interim recess on September 14. The Legislative Calendar, which sets the deadlines for the year and can be viewed [here](#).

### ***Update on State Budget/Transit Fiscal Cliff***

Following the main budget appropriations bill, [SB 101 \(Skinner\)](#), which was sent to the Governor on June 15, the Legislature approved a revised set of bills reflecting the final state budget agreement for FY 2023-24. On June 27, the Legislature sent the Governor numerous budget bills, including [AB 102 \(Ting\)](#) and [SB 125 \(Committee on Budget and Fiscal Review\)](#), which reflect the three-party agreement with Governor Newsom on the Budget Act's transportation/transit investments and policy.

AB 102, which responds to the advocacy efforts of the California Transit Association, regional agencies, transit systems, and their allies, would restore **\$2 billion** in General Fund support to the Transit and Intercity Rail Capital Program (TIRCP), returning General Fund investment in the TIRCP to **\$4 billion** total for FY 2023-24 and FY 2024-25. This funding will flow to regional transportation planning agencies (RTPAs) on a population-based formula (using PUC 99313) for investment in transit and rail capital projects, but allow the flexibility to direct up to 100% of this funding to meet the operational needs of agencies in their jurisdictions.

This bill would also commit **\$1.1 billion** in new and previously appropriated transit funding for the newly created Zero-Emission Transit Capital Program (ZETCP). This funding would flow to RTPAs on a population- and revenue-based formula (using PUC 99313 and 99314). While the funds allocated for the

ZETCP are proposed for zero-emission vehicles and refueling infrastructure, regions will have the flexibility to direct up to 100% of this funding to meet the operational needs of agencies in their jurisdictions. AB 102 would preserve funding for the CARB's HVIP-Transit and CEC's Clean Transportation Programs for FYs 2021-22 and 2022-23.

As noted above, the Legislature also sent the Governor SB 125 representing the transportation trailer bill. This bill would institute accountability and reform requirements on regions and their transit agencies to access the funding included in AB 102, extend statutory relief measures secured in 2020 and 2021 for transit agencies, and create a new state-level Transit Transformation Task Force at the California State Transportation Agency (CalSTA), as previously envisioned in AB 761 (Friedman).

The accountability and reform requirements included in these bills would apply to all RTPAs receiving funding under AB 102 - irrespective of whether a RTPA proposes to direct the funding it receives to transit capital or operations. Essentially, the bill now requires RTPAs to submit short- and long-term financial plans, and operations data, for regional transit to access this funding.

The accountability and reform requirements would further require that, as a condition of receiving the funding in AB 102, an RTPA post on its internet website a summary of monthly ridership data, consistent with the data submitted to the National Transit Database, from all its transit operators during the period for which it receives funding.

Finally, the final budget agreement also includes the Governor's infrastructure streamlining package, including [NEPA assignment for local transit projects](#), [expedited judicial review for certain types of transportation projects](#), and [changes to the administrative record process under CEQA](#).

### ***Bills with Positions***

#### **SB 450 (Atkins) Updates to Ministerial Approvals for Parcel Subdivisions (SB 9) – C/CAG OPPOSE**

This bill would make several changes to the ministerial approval process created by SB 9 for a housing development of no more than two units in a single-family zone (duplex), the subdivision of a parcel zoned for residential use into two parcels (lot split), or both by requiring that that an application for a duplex or a lot split shall be considered and approved or denied within 60 days from the date the local agency receives a completed application. If the local agency has not approved or denied the application in that timeframe, it shall be approved. This bill also states that if a local agency denies an application for a duplex or lot split, the permitting agency shall return in writing a full set of comments to the application with a list of deficient items and a description of how the application can be remedied by the applicant. This bill would also prohibit a local agency from imposing objective zoning standards, objective subdivision standards, and objective design standards that do not apply uniformly to developments within the underlying zone.

#### **SB 511 (Blakespear) Local Emissions Inventories – C/CAG SUPPORT**

Before January 1, 2028, this bill would require the California Air Resources Board (CARB) to develop and publish a report on greenhouse gas emission inventories for calendar year 2025 for each city, county, city and county, and special district and to periodically update the report consistent with updates to CARB's scoping plan. The bill would require CARB to establish a local government advisory committee to

inform the development of the inventories. The bill would appropriate \$2,500,000 in the Fiscal Year 2024–25 budget for the bill’s purposes.

**ACA 1 (Aguiar-Curry) Lower-Vote Threshold – C/CAG SUPPORT**

This measure would authorize a local government, including a special district, to impose, extend, or increase a sales and use tax or transactions and use tax imposed, or a parcel tax, for the purpose of funding the construction, rehabilitation, or replacement of public infrastructure, defined to include projects for the reduction of pollution from stormwater runoff, improvements to transit and streets and highways and projects for the protection of property from the impacts of sea level rise, as well as for affordable housing, if the proposition proposing that tax is approved by 55% of its voters.

**AB 557 (Hart) Brown Act – Extension of Existing Authority – C/CAG SUPPORT**

Beginning on January 1, 2024, this bill would extend the existing teleconferencing/remote-meeting authority that can be used when a declared state of emergency is in effect and would also extend the period for a legislative body to make the required findings related to the continuing state of emergency and social distancing from 30 days to 45 days after the first teleconferenced meeting, and every 45 days thereafter, in order to continue to meet.

**AB 817 (Pacheco) Brown Act – Advisory Bodies – C/CAG SUPPORT**

This bill provides a narrow exemption under the Brown Act for non-decision-making legislative bodies to participate in meetings via teleconferencing outside of a declared state of emergency without posting the physical location of members or requiring a quorum to be present at a meeting location. ***This is a two-year bill.***

**AB 1379 (Papan) Brown Act - Remote Meeting Flexibility – C/CAG SUPPORT**

This bill also provides a broad interpretation of the Brown Act for all legislative bodies to participate in meetings via teleconferencing outside of a declared state of emergency without posting the physical location of members or requiring a quorum to be present at a meeting location, but would require a local agency to have a physical meeting location open to the public and follow certain notification procedures and meeting procedures. ***This is a two-year bill.***

***Bills of Interest***

**SB 532 (Wiener) Bridge Toll Increase**

This bill would increase the toll for vehicles for crossing toll bridges in the San Francisco Bay area by \$1.50 until December 31, 2028, and require the revenues collected from this toll to be used by MTC for allocation to transit operators that provide service within the San Francisco Bay area and experiencing an operations funding challenge. Any transit operator seeking an allocation would be required to submit a 5-year projection of its operating need.

**AB 7 (Friedman) Transportation Project Selection**

On and after January 1, 2025, this bill would require CalSTA, Caltrans and the California Transportation Commission to incorporate specified principles into their processes for project development, selection, and implementation, including improving safety for all users, addressing environmental impacts and stormwater runoff, prioritizing infrastructure less vulnerable to climate change, and investing in safe and accessible bicycle and pedestrian infrastructure and zero-emission vehicle infrastructure. This bill would

also require future California Transportation plans to include a financial element that identifies cost constraints, and an analysis of how the state is achieving the principles outlined in the Climate Action Plan for Transportation Infrastructure, the federal Infrastructure Investment and Jobs Act of 2021, and the federal Justice40 initiative.

**AB 761 (Friedman) Transit Transformation Task Force**

This bill would require the Secretary of the California State Transportation Agency, on or before July 1, 2024, to establish and convene the Transit Transformation Task Force to include representatives from the department, the Controller's office, various local agencies, academic institutions, nongovernmental organizations, and other stakeholders. The bill would require the task force to develop a structured, coordinated process for early engagement of all parties to develop policies to grow transit ridership and improve the transit experience for all users of those services. The bill would require the secretary, in consultation with the task force, to prepare and submit a report of findings based on the task force's efforts to the appropriate policy and fiscal committees of the Legislature on or before January 1, 2025.
