BICYCLE PLAN UPDATE

Why Update the Bike Plan?

- Current D4 Bike Plan is 5 years old
- Performance Tracking
- Build on success and identify more paths forward
- Opportunity for Engagement
- Changing mobility trends

Draft Vision and Goals

By 2040, people in California of all ages, abilities, and incomes can safely, conveniently, and comfortably bike for their transportation needs.

SAFETY

Reduce the number, rate, and severity of bicycle involved collisions

MOBILITY

Increase biking by providing comfortable, convenient and connected network of bikeways

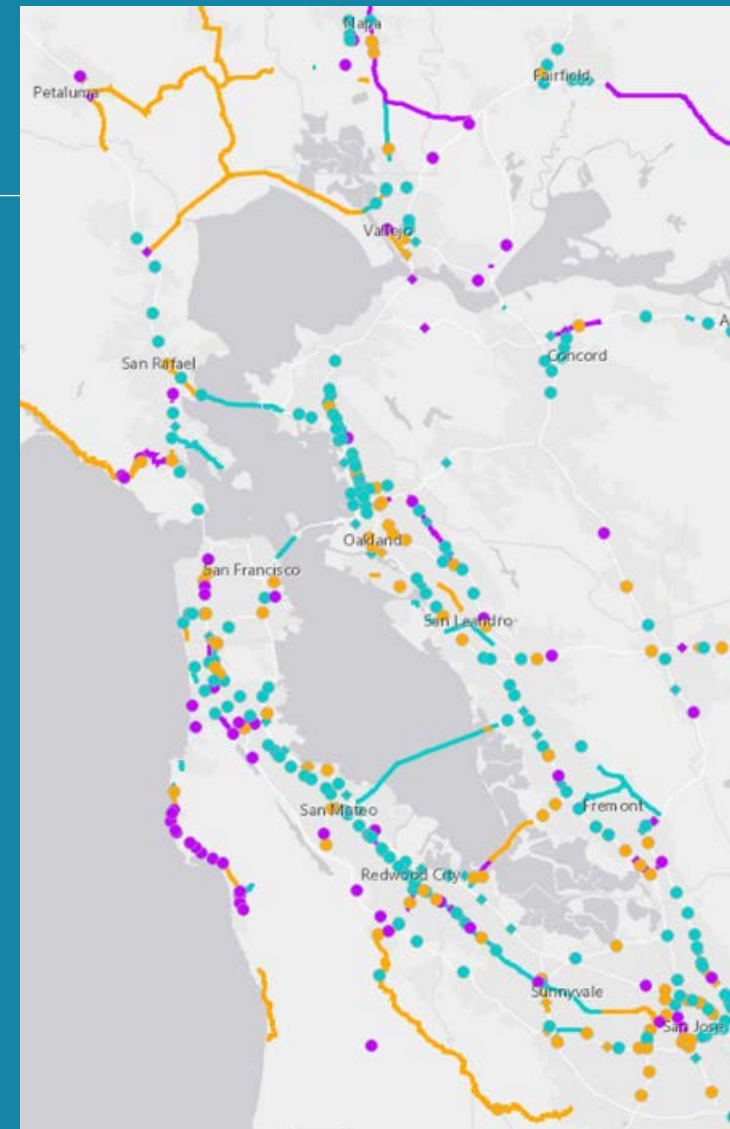

EQUITY

Eliminate barriers to biking, so that everyone has access to high quality biking infrastructure no matter their race, socioeconomic status, identity or where they live
