*Auditor's Communication with
Those Charged with Governance*

For the year ended June 30, 2023

January 29, 2023

To the Honorable Chair and Members of the Board of the
City/County Association of Governments of San Mateo County
Redwood City, California

We have audited the financial statements of the City/County Association of Governments of San Mateo County (C/CAG) as of and for the year ended June 30, 2023, and have issued our report thereon dated November 14, 2023. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit and the Single Audit

As communicated in our engagement letter dated March 30, 2023, our responsibility, as described by professional standards, is to form and express opinions about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of C/CAG solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We also considered internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the Uniform Guidance.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding significant control deficiencies over financial reporting, and other matters noted during our audit in a separate letter to you dated November 14, 2023.

To the Honorable Chair and Members of the Board
of the City/County Association of Governments of San Mateo County
Redwood City, California

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Compilation of C/CAG's financial statements by an us is a threat to our independence. As we were tasked with compiling the financial statements, we reduced the threat to our independence by assigning a CPA independent of the C/CAG audit team to review C/CAG's financial statements.

Significant Risks Identified

We have identified the following significant risks:

- *Risk of Management Override of Internal Controls* – A risk of management override of internal controls exists at any entity where management can change or decide not to perform that entity's internal controls.
- *Revenue Recognition Risk* – Errors in revenue recognition can affect the net position of C/CAG.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by C/CAG is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended June 30, 2023. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are pension plan and other post-employment benefits (OPEB) plan assumptions.

Management’s estimate of pension and OPEB plan assumptions are based on actuarial assumptions. We evaluated the key factors and assumptions used to develop the estimate pension and OPEB plan assumptions and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting C/CAG’s financial statements relate to:

- Summary of Significant Accounting Policies
- Cash and Investments
- Pension Plan
- Other Post-Employment Benefits

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has corrected all identified misstatements. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that we identified as a result of our audit procedures were brought to the attention of, and corrected by, management:

Account	Description	Debit	Credit
To accrue TFCA (AB 434) payment to Half Moon Bay			
C032-CG-0-00-00-433-000-000-522724	FUND DISTRIBUTION	86,049.75	
C032-CG-0-00-00-000-000-000-220010	ACCOUNTS PAYABLE - SYSTEM		86,049.75
Total		86,049.75	86,049.75

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to C/CAG's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letters dated November 14, 2023 and January 29, 2024.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with C/CAG, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as C/CAG's auditors.

Single Audit Compliance

In accordance with the Uniform Guidance, we examined, on a test basis, evidence about C/CAG's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Compliance Supplement applicable to each of its major federal programs for the purpose of expressing an opinion on C/CAG's compliance with those requirements. While our audit provides a reasonable basis for our opinion, it does not provide a legal determination on C/CAG's compliance with those requirements.

Noncompliance with Laws and Regulations, Violations of Contract Provisions or Grant Agreements

We have identified the following matters involving noncompliance with laws and regulations, violations of contract provisions or grant agreements that came to our attention during the course of the audit.

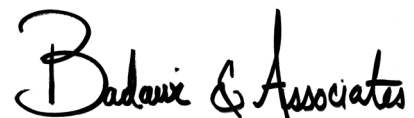

We noted that the communication with the San Mateo County Office of Education (SMCOE) regarding federal awards was not sufficient enough for SMCOE to know what portion of the funds were federal, which federal agency originally granted the funds, or the assistance listing number. This information is vital for SMCOE to properly include the award on their Schedule of Federal Awards.

To the Honorable Chair and Members of the Board
of the City/County Association of Governments of San Mateo County
Redwood City, California

Required Supplementary Information

We applied certain limited procedures to the required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

This report is intended solely for the information and use of the Board, and management of C/CAG and is not intended to be and should not be used by anyone other than these specified parties.
