### **Re: C/CAG Budget Request Priority**

Dear Assemblymember Berman:

On behalf of the City/County Association of Governments of San Mateo County (C/CAG), I would like to thank you for your efforts on behalf of those who live, work, and play in San Mateo County. We appreciate your work on this year's budget, which we understand is still in its early stages. If the opportunity presents itself and there is budget capacity, we ask that you please consider the following key C/CAG budget requests in your district:

#### **Transportation Safety**

##### **1. Strengthening Coastal Resilience: Smart Infrastructure & Emergency**

**Preparedness: \$1,500,000** to equip signalized intersections in the City of Pacifica, City of Half Moon Bay, and unincorporated San Mateo County with resilient emergency power solutions to ensure continued traffic signal operation during power outages, enhancing safety and emergency responses. Funding will also support incident response planning and smart technology solutions for improved transportation management.

We appreciate your consideration of our request. If you have any questions, please contact the C/CAG Executive Director Sean Charpentier at [scharpentier@smcgov.org](mailto:scharpentier@smcgov.org).

Sincerely,

Adam Rak, Chair  
City/County Association of Governments of San Mateo County
