

Fiscal Year 2025-2026 State Transit Assistance County Block Grant

C/CAG Congestion Management and Environmental Quality Committee
April 28, 2025

State Transit Assistance (STA) County Block Grant Overview

- In 2018, MTC established the STA County Block Grant program to be administered by County Transportation Agencies (CTA's)
- Previously, MTC distributed funding via 1) Bay Area Northern County small transit operators, 2) regional Paratransit, 3) the regional Lifeline Transportation Program, and 4) MTC regional coordination programs.
- Block Grant Program allows counties to determine how to invest in paratransit services and lifeline transportation needs
- CTA's submit annual distribution policy to MTC

C/CAG STA County Block Grant Framework

- Beginning in Fiscal Year 2018-19, C/CAG has continued with the historical distribution:
 - 37% to SamTrans Paratransit Program
 - 63% to Lifeline Transportation Program

Fiscal Year 2025-26 Recommendation

- Current STA fund estimate for FY 2025-26 is \$2,733,545, per February 2025 Fund Estimate
 - 37% to SamTrans Paratransit Program
 - 63% to Lifeline Transportation Program
- Administer Lifeline Transportation Program Cycle 8 Call for Projects upon completion of SSF/San Bruno Community-Based Transportation Plans
