

## One Bay Area Grant (OBAG) Cycle 4 Program Project Scoring Criteria

Category	Criteria	Max Points
Need and Benefits	Projects that effectively address transportation needs and provide clear benefits, including improvements to safety, multi-modal accessibility, emissions reduction, resilience, stormwater management, and state of good repair.	30
Local Priorities	Projects with demonstrated community support, as reflected in Community-Based Transportation Plans, PDA plans, other local planning or project prioritization processes, and/or other local planning efforts.	20
Equity Impacts	Projects that provide demonstrated benefits to historically marginalized or underserved groups, including Equity Priority Communities or C/CAG Equity Focus Areas, or alignment with agency Americans with Disabilities Act (ADA) Transition Plans	20
Local Contribution*	Projects that meet minimum local contribution requirements based on their location: 11.47% for projects wholly or mostly within an MTC Equity Priority Community or Tier 1 C/CAG Equity Focus Areas; 15% for projects wholly or mostly within the Tier 2 C/CAG Equity Focus Areas; and 20% for all other projects.	10
Equity Focus Area*	Projects located within areas identified as C/CAG Equity Focus Areas, with additional points awarded based on designation tier and greater benefits for projects in Tier 1 areas compared to those in Tier 2.	10
Green Infrastructure*	Projects that demonstrate a commitment to integrating green infrastructure with transportation improvements, including projects referenced in a city's Green Infrastructure Plan or C/CAG's Sustainable Streets Master Plan.	5
Letters of Support*	Projects that provide letter(s) of support from jurisdiction(s) where the project is located.	5
Project Readiness*	Projects where the sponsor has demonstrated sufficient agency capacity and technical expertise to complete the project in accordance with MTC's Regional Project Delivery Policy and meet OBAG 4 deadlines.	5
Deliverability*	Projects that do not have potential deliverability issues and are able to obligate OBAG 4 funds no later than January 31, 2031.	5
<b>Total</b>		<b>105</b>

\*C/CAG staff will score and screen these categories for all project applications
