C/CAG has determined that consultant services are needed to provide strategic project delivery, program management, and implementation support for C/CAG transportation initiatives and funding programs; and

The purpose of the contract is to provide supplemental professional services to support C/CAG's transportation project and program delivery efforts; and

C/CAG has determined that Consultant has the requisite qualifications to perform this work; and

The total amount available to Consultant under this Agreement is not to exceed \$49,425; and

Per the C/CAG Procurement Policy from March 13, 2025, the C/CAG Executive Director is authorized to execute an agreement with Consultant to provide the services described in Exhibit A, Scope of Work.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. **Services to be provided by Consultant.** In consideration of the payments set forth in this Agreement and in Exhibit B, Consultant shall provide services for C/CAG in accordance with the terms, conditions, and specifications set forth in this Agreement and in Exhibit A, Scope of Work, attached hereto (the “Services”).

In the performance of its services, Consultant represents that it has and will exercise the degree of professional care, skill, efficiency, and judgment of consultants with special expertise in providing such services, and Consultant represents that it carries and will maintain all applicable licenses, certificates, and registrations needed for the work in current and good standing.

2. **Payments.** In consideration of the services rendered with all terms, conditions, and specifications set forth in this Agreement and in Exhibit A, C/CAG shall make payment to Consultant based on the rates and in the manner specified in Exhibit B, Project Budget. C/CAG reserves the right to withhold payment if C/CAG determines that the quantity or quality of the work performed is unacceptable. In no event shall C/CAG’s total fiscal obligation under this agreement exceed forty-nine thousand and four hundred twenty-five dollars (\$49,425). Payments shall be made to Consultant monthly, upon submission of an invoice by Consultant that has been reviewed and approved by C/CAG and identifies expenditures and describes services performed and percentage of deliverables completed. C/CAG shall have the right to receive, upon request, documentation substantiating charges billed to C/CAG.
3. **Term.** Subject to compliance with all terms and conditions, the term of this Agreement shall be from June 29, 2026 to June 28, 2027.
4. **Termination.** This Agreement may be terminated by the C/CAG Executive Director at any time for any reason by providing 30 days’ notice to Consultant. Subject to availability of funding, Consultant shall be paid for all services provided prior to termination of the Agreement. Such payment shall be that prorated portion of the full payment determined by comparing the work actually completed to the work required by the Agreement.

C/CAG may terminate this Agreement or a portion of the services referenced in the Exhibits based on the unavailability of federal, State, or other outside funds by providing written notice to Consultant as soon as is reasonably possible after C/CAG learns of said unavailability of outside funding.

C/CAG may also terminate this Agreement for cause. In order to terminate for cause, C/CAG must first give Consultant notice of the alleged breach. Consultant shall then have five business days after receipt of such notice to respond and a total of ten calendar days after receipt of such notice to cure the alleged breach. If Consultant fails to cure the breach within this period, C/CAG may immediately terminate this Agreement without further action. The option available in this paragraph is separate from the ability to terminate without cause with appropriate notice described above. In the event that C/CAG provides notice of an alleged breach pursuant to this section, C/CAG may, in extreme circumstances, immediately suspend performance of services and payment under this Agreement pending the resolution of the process described in this paragraph. C/CAG has sole discretion to determine what constitutes an extreme circumstance for purposes of this paragraph, and C/CAG shall use reasonable judgment in making that determination.

5. **Progress Reports.** Consultant shall provide C/CAG with progress reports according to the schedule and form approved by the C/CAG Project Manager.
6. **Key Personnel.** The key personnel to be assigned to this work by the Consultant and, if applicable, their hourly rates and the estimated hours to be supplied by each are set forth in Exhibit B, attached hereto and incorporated herein by this reference. Substitution of any of the personnel named in Exhibit B or a decrease in the hours provided to the project by such personnel of more than 10% requires the prior written approval of the C/CAG Project Manager or a designee. Consultant shall maintain records documenting compliance with this Section, and such records shall be subject to the audit requirements of Section 14. Consultant agrees that all personnel assigned to this work will be professionally qualified for the assignment to be undertaken. C/CAG reserves the right to direct removal of any individual, including key personnel, assigned to this work.
7. **Contract Materials.** Upon expiration or termination of this Agreement, all finished or unfinished documents, data, studies, maps, photographs, reports, and other written materials (collectively referred to as “contract materials”) prepared by Consultant under this Agreement shall become the property of C/CAG and shall be promptly delivered to C/CAG. Upon termination, Consultant may make and retain a copy of such contract materials if permitted by law. Consultant shall not be liable for C/CAG’s use, modification or re-use of products without Consultant’s participation or for purposes other than those specifically intended pursuant to this Agreement.
8. **Relationship of the Parties.** Consultant agrees and understands that the work and/or services performed under this Agreement are performed as an independent contractor and not as an employee of C/CAG and that neither Consultant nor its employees acquire any of the rights, privileges, powers, or advantages of C/CAG employees.
9. **Assignability and Subcontracting.** Consultant shall not assign this Agreement or any portion of it to a third party, or subcontract with a third party, to provide services required by Consultant without the prior written consent of the C/CAG Executive Director. Any such assignment or subcontract without the C/CAG Executive Director’s prior written consent shall give C/CAG the right to automatically and immediately terminate this Agreement without penalty or advance notice.
10. **Hold Harmless/Indemnity.**
 - a. *General.* Consultant shall indemnify and hold harmless C/CAG and its officers, agents, employees, and servants from and against any and all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Consultant under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following: (A) injuries to or death of any person, including Consultant or its employees/officers/agents;

(B) damage to any property of any kind whatsoever and to whomsoever belonging; (C) any sanctions, penalties, or claims of damages resulting from Consultant's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of C/CAG and/or its officers, agents, employees, or servants. However, Consultant's duty to indemnify and hold harmless under this Section shall not apply to injuries or damage for which C/CAG has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Consultant to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

- b. *Intellectual Property.* Consultant hereby certifies that it owns, controls, and/or licenses and retains all right, title, and/or interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and/or other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets (collectively referred to as "IP Rights") except as otherwise noted by this Agreement.

Consultant warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Consultant shall defend, indemnify, and hold harmless C/CAG from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Consultant's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) C/CAG notifies Consultant promptly in writing of any notice of any such third-party claim; (b) C/CAG cooperates with Consultant, at Consultant's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Consultant retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Consultant shall not have the right to settle any criminal action, suit, or proceeding without C/CAG's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on C/CAG, impair any right of C/CAG, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of C/CAG without C/CAG's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Consultant's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes C/CAG's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Consultant shall, at Consultant's option and expense, either: (i) procure for C/CAG the right to continue using the services without infringement or (ii) replace or modify the services so that they become non-infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Consultant will have no obligation or liability to C/CAG under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for C/CAG (other than modification performed by, or at the direction of, Consultant) in such a way as to cause the alleged infringement at issue; and/or (b) any aspects of the services under this Agreement which have been used by C/CAG in a manner prohibited by this Agreement.

The duty of Consultant to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

11. Insurance.

- a. *General Requirements.* Consultant or its subconsultants performing the services on behalf of Consultant shall not commence work under this Agreement until all insurance required under this section has been obtained. Consultant shall use diligence to obtain such insurance. Consultant shall furnish C/CAG with Certificates of Insurance evidencing the required coverage and there shall be a specific contractual liability endorsement extending Consultant’s coverage to include the contractual liability assumed by Consultant pursuant to this Agreement. These Certificates shall specify or be endorsed to provide that thirty (30) days’ notice must be given, in writing, to C/CAG of any pending change in the limits of liability or of non-renewal, cancellation, or modification of the policy.
- b. *Workers’ Compensation and Employer’s Liability Insurance.* Consultant shall have in effect, during the entire life of this Agreement, Workers’ Compensation and Employer’s Liability Insurance providing full statutory coverage. In signing this Agreement, Consultant certifies, as required by Section 1861 of the California Labor Code, that (a) it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers’ compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) it will comply with such provisions before commencing the performance of work under this Agreement.
- c. *Liability Insurance.* Consultant shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect Consultant, its employees, officers and agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage that may arise from Consultant’s operations under this Agreement, whether such operations be by Consultant or by any sub-consultant or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than \$1,000,000.
- d. *Insurance Limits; Insured Entities; Breach.* Required insurance shall include:
 - (a) Comprehensive General Liability..... \$1,000,000
 - (b) Workers’ Compensation..... Statutory
 - (c) Motor Vehicle Liability Insurance..... \$1,000,000
 - (d) Professional Liability..... \$1,000,000

C/CAG and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to C/CAG, its officers, agents, employees, and servants shall be primary insurance to the full limits of liability of the policy, and that if C/CAG, or its officers, agents, employees, and servants have other insurance against a loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the C/CAG Chairperson, at his/her option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

12. **Compliance with All Laws.** All services to be performed by Consultant pursuant to this Agreement shall be performed in accordance with all applicable federal, state, San Mateo County, and municipal laws, ordinances, regulations, and executive orders, including but not limited to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the federal regulations promulgated thereunder, as amended (if applicable), the Americans with Disabilities Act of 1990, as amended, and Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of disability in programs and activities receiving any federal financial assistance, as well as any required economic or other sanctions imposed by the United States government or under state law in effect during the term of the Agreement. In the event of a conflict between the terms of this Agreement and any applicable State, federal, San Mateo County, or municipal law, regulation, or executive order, the requirements of the applicable law, regulation, or executive order will take precedence over the requirements set forth in this Agreement.

Consultant will timely and accurately complete, sign, and submit all necessary documentation of compliance with this Section.

13. **Non-discrimination.**

- a. *General.* Consultant and any subconsultants performing services on behalf of Consultant shall not discriminate or permit discrimination against any person or group of persons on the basis of race, color, national origin, ancestry, age, disability (physical or mental), sex, sexual orientation, gender identity, marital or domestic partner status, religion, political beliefs or affiliation, familial or parental status (including pregnancy), medical condition, military service, or genetic information, or in any manner prohibited by federal, state or local laws.

14. **Substitutions.** If particular persons or classifications are identified in Exhibit A as providing services under this Agreement, Consultant will not assign others to work in their place without the prior written consent of the C/CAG Executive Director. Any substitution shall be with a person or classification of commensurate experience and knowledge unless otherwise authorized by the C/CAG Executive Director.

15. **Record Retention; Right to Monitor and Audit.**

- a. Consultant shall maintain all required records relating to services provided under this Agreement for three (3) years after C/CAG makes final payment and all other pending matters are closed, and Consultant shall be subject to the examination and/or audit by C/CAG, a federal grantor agency, and/or the State of California.

Failure to do so will result in forfeit of any right to compensation under this Agreement.
18. **Merger Clause; Amendments.** This Agreement, all Exhibits and other attachments incorporated by reference, constitutes the sole agreement of the Parties with regard to the matters covered in this Agreement, and correctly states the rights, duties and obligations of each party as of the document's date. In the event that any term, condition, provision, requirement, or specification set forth in the body of this Agreement conflicts with or is inconsistent with any term, condition, provision, requirement, or specification in any exhibit or attachment to this Agreement, the provisions of the body of the Agreement shall prevail. SCOPE OF WORK

The City/County Association of Governments of San Mateo County (C/CAG) seeks to retain Verano Technical Services to provide strategic project delivery, program management, and implementation support for C/CAG transportation initiatives and funding programs. The Consultant shall serve as an extension of C/CAG staff, providing technical expertise, project oversight, interagency coordination, and strategic support to advance Board-approved initiatives and agency objectives. Consultant shall lead all the tasks listed below, as well as provide all project management support for each of the tasks listed below:

As-Needed Technical Support Services: Tasks and Activities

1. San Bruno-Millbrae El Camino Real Multimodal Improvement Corridor Study Project

El Camino Real (State Route 82) is one of the most important transportation corridors in San Mateo County, serving as a major north-south arterial connecting communities between San Francisco and San Jose. The corridor provides critical access to employment centers, commercial districts, schools, neighborhoods, transit hubs, and regional transportation facilities, including Caltrain, SamTrans, and Bay Area Rapid Transit (BART) connections. As a state highway and local main street, El Camino Real must accommodate a diverse range of users, including pedestrians, bicyclists, transit riders, motorists, and freight movement.

Consistent with the vision of the Grand Boulevard Initiative and broader countywide transportation goals, C/CAG is leading the San Bruno-Millbrae El Camino Real Multimodal Improvement Corridor Study to identify opportunities to improve safety, accessibility, connectivity, and overall corridor performance for all users. The Study focuses on the El Camino Real corridor within the Cities of San Bruno and Millbrae and seeks to address documented safety concerns, multimodal travel barriers, and connectivity challenges while supporting economic vitality and access to key destinations.

The Study includes comprehensive existing conditions analysis, traffic operations assessment, parking evaluation, multimodal transportation analysis, safety review, stakeholder outreach, and community engagement. Building upon technical data and extensive public input, the Study will evaluate corridor improvement concepts and identify feasible near-term and long-term solutions to enhance the transportation experience for people walking, biking, rolling, using transit, and driving.

Upon completion, the Study will provide the Cities of San Bruno and Millbrae, C/CAG, Caltrans, SamTrans, and partner agencies with a prioritized implementation roadmap and conceptual improvement recommendations that can be used to pursue future funding opportunities, support project development and environmental review efforts, inform capital

improvement programming, and guide long-term corridor transformation initiatives. The Study is intended to serve as a foundational planning document that advances the County's vision for a safer, more connected, and multimodal El Camino Real corridor.

The Consultant shall support C/CAG staff by providing senior-level transportation planning, project delivery, and implementation expertise. Services may include technical review of consultant work products, strategic guidance on project advancement, coordination support with partner agencies, identification of project risks and opportunities, and recommendations regarding implementation priorities and next steps. The Consultant shall function as an extension of C/CAG's project management team to help ensure successful delivery of project objectives and outcomes.
